Baker, 2001-11-29 The ultimate who's who of ancient Egypt Ancient Egyptians is an engaging look at the ancient world through its important leaders Included are biographies of The magnificent Imhotep who set the standard for pyramid building Nefertiti the renowned beauty Khufu the builder of the Great Pyramid Hatshepsut a woman pharaoh who defied tradition and called herself king Tutankhamun whose tomb unveiled fantastic riches Rameses the Great the last majestic king of ancient Egypt Ptahhotep the great thinker and statesman for King Izezi Ancient Egyptians reveals how Egyptian society was constructed its religions burial rituals architecture and the history and practices of archaeology that have brought all this information to light Egypt the People Arlene Moscovitch, 2007-10 One of the world's oldest civilizations the Egyptian people live with daily reminders of the past New photos and updated text in this revised edition examine the people's daily lives A Short History of the Egyptian People Sir Ernest Alfred Wallis Budge, 1923 **Egypt**, 1839 A Short History of the Egyptian People E. A. Wallis Budge, 2015-06-02 Excerpt from A Short History of the Egyptian People With Chapters on Their Religion Daily Life Etc This little book like its fellow on Egyptian Literature has been written by request and with the view of providing beginners with a handy introduction to the study of Egyptian History The first six chapters in it are devoted to a description of the country of Egypt and the Nile and the ancient Egyptians and the principal facts of their history which covers a period of more than four thousand years The next three chapters describe briefly the main outlines of the Religion and Daily Life of this wonderful people and of their worship of the dead Without some idea of the Religion of the Egyptians and of the very large part which the worship of the dead occupied in their daily life it is impossible to understand their History Our knowledge of it is derived almost entirely from the tombs temples and other funerary monuments which the Egyptians built in connection with the worship of their gods and their deified dead The Egyptians never wrote history in the modern sense of the word The reason why so few dates are given in the earlier part of the book will be apparent when the remarks on Egyptian chronology in Chapter X have been read The limit laid down for this book precluded all possibility of adding references or long footnotes and explanations but the curious or unsatisfied reader can verify the facts given herein by consulting the authorities whose books are enumerated in the List of Egyptological Works given on pp 246 49 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Short History of the Egyptian People** Sir Ernest Alfred Wallis Budge, 1914 **A Short History of the Egyptian People** Professor E A Wallis Budge, Sir, 2015-11-17
