Egyptian Wisdom:

The Elements of the Egyptian Wisdom Naomi Ozaniec,1994 In this exploration of ancient Egyptian spiritual belief and practice the author guides readers through the maze of gods and practices and introduces the outer signs of Egyptian civilization the pyramids and the pharaohs and the inner world of the mysteries She shows a civilization that never lost faith in wisdom as its spiritual core

The Living Wisdom of Ancient Egypt Christian Jacq,1999 Christian Jacq a passionate Egyptologist and internationally bestselling author has pulled together some of the most fascinating inspirational and beautifully written extracts from ancient Egyptian texts words from well known pharaohs from unknown scribes words that are profane or deeply religious Wherever they come from they invite us to share the eternal mystery of Ancient Egypt and to find from these words of wisdom a kind of inner peace and harmony in the frenetic world we live in today *Egyptian*

Wisdom and the Hebrew Genesis Gerald Massey,2008-11-01 It was not the genesis of the universe that is imaged in astronomical mythology The firmament was there already waiting to be distinguished as upper and lower and divided into the domains of night and day or Sut and Horus or Ansar and Kisar The constellations were not created from nothing when they were figured out of stars The firmamental water was not created by being divided into upper and lower The earth was not created because distinguished from water as ground to go upon Heaven and earth existed when these were nameless and did not come into existence on account of being named from Egyptian Wisdom and the Hebrew Genesis It goes unappreciated by modern Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 7 of *Ancient Egypt* in which Massey explains how Egyptian wisdom which greatly concerns itself with matters of the womb and birth water and the offspring of gods was appropriated by the Hebrew holy books and explains how the Hebrew account of creation is a clear repetition of Egyptian mythology Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828 1907 published works of poetry spiritualism

Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis* **A Legacy of Wisdom** Glendon E. Bryce,1979 *Egyptian Wisdom in Other Jewish Writings* Gerald Massey,2008-11-01 When the word Sheol in the Old Testament is rendered in English by the grave it is inadequate times out of number The Hebrew writers were not always speaking or thinking of the grave when they wrote of Sheol which has to be bottomed in Amentha the divine nether earth not simply in the tomb The grave is not identical with hell nor the pit hole with the bottomless pit The pangs and sorrows of Sheol like the purging pangs of the Romish purgatory have to be studied in the Egyptian Ritual from *Egyptian Wisdom* in other Jewish Writings It goes unappreciated by modern

Egyptologists but it is embraced by those who savor the concept of a hidden history of humanity and those who approach all human knowledge from the perspective of the esoteric Gerard Massey's massive *Ancient Egypt The Light of the World* first published in 1907 and the crowning achievement of the self-taught scholar redefines the roots of Christianity via Egypt proposing that Egyptian mythology was the basis for Jewish and Christian beliefs Here Cosimo proudly presents Book 8 of *Ancient Egypt* in which Massey connects the stories of the Egyptians with the tales and lessons of the Hebrew prophets likening David to Osiris and the King of Glory and Lord of Hosts that is Yahweh to the sun god of astronomical mythology With similar symbology of flocks and shepherds light and darkness and immortality in an afterlife it is impossible Massey argues not to see deep connections to and influences of Egyptian wisdom in that of the Hebrews Peculiar and profound this work will intrigue and delight readers of history religion and mythology British author GERALD MASSEY 1828-1907 published works of poetry spiritualism Shakespearean criticism and theology but his best known works are in the realm of Egyptology including *A Book of the Beginnings* and *The Natural Genesis*

The Ancient Egyptian Wisdom Texts Muata Ashby, 2006-07-01 The Ancient Egyptian Wisdom Texts are a genre of writings from the ancient culture that have survived to the present and provide a vibrant record of the practice of spiritual evolution otherwise known as religion or yoga philosophy in Ancient Egypt The principle focus of the Wisdom Texts is the cultivation of understanding peace harmony selfless service self control Inner fulfillment and spiritual realization When these factors are cultivated in human life the virtuous qualities in a human being begin to manifest and sinfulness ignorance and negativity diminish until a person is able to enter into higher consciousness the coveted goal of all civilizations It is this virtuous mode of life which opens the door to self discovery and spiritual enlightenment Therefore the Wisdom Texts are important scriptures on the subject of human nature spiritual psychology and mystical philosophy The teachings presented in the Wisdom Texts form the foundation of religion as well as the guidelines for conducting the affairs of every area of social interaction including commerce education the army marriage and especially the legal system These texts were sources for the famous 42 Precepts of Maat of the *Pert M Heru Book of the Dead* essential regulations of good conduct to develop virtue and purity in order to attain higher consciousness and immortality after death

Ancient Egyptian Wisdom for the Internet Anna Mancini,2002 As cyberspace and real space function differently they cannot implicate the same legal values The most elementary wisdom invites us to forget our legal past so obviously ill adapted to the Internet so as to gain a better insight into the functioning of virtual space Attempts to regulate the Internet in the same way as the real world have inevitably failed and will continue to fail The only solution that can foster the expansion of the net and justify state intervention will come from a philosophy of law suited to virtuality Our philosophical legal traditions stemmed from agricultural and industrial roots and are therefore widely useless within the virtual context They cannot help us but the philosophy of ancient civilizations can At first sight it may seem paradoxical to look to ancient civilizations for counsels on legal regulation of the Internet But the virtual world is not a modern invention it has existed forever Ancient Egyptian Wisdom for the Internet demonstrates that the legal philosophy and knowledge of ancient civilizations are of great value in helping us deal with the Internet Through a challenging exploration of ancient legal knowledge this book offers new perspective on how to deal with and best profit from the Internet
