Pine, 2018-08-28 From this fabulous storyteller Carolyn Brown New York Times bestselling author comes a sweet western romance between a rodeo cowboy and his best friend's ex wife What's the saying bad luck comes in threes If so Lily Green is due for something good First her divorce is finalized on her birthday no less Then the first job she lands for her catering company turns out to be for her ex husband's wedding To top it off she's stuck working the event with Luke Everett the sexy as hell best man who's never been able to stand her When can a girl catch a break For years Luke has kept his feelings for Lily safely hidden Hitting on his best friend's ex wife would definitely break the cowboy code of honor But ever since an injury sidelined his rodeo riding the two of them keep getting thrown together It's only a matter of time until his true feelings come to light When that happens it will either be the biggest mistake of his life or a sign that his luck is about to change Cross my heart this sexy sweet romance gives a cowboy at heart lawyer a second chance at first love and readers a fantastic ride New York Times bestselling author Jennifer Ryan on **Second Chance Cowboy** **Seventh Flag** Sid Balman, 2025-07-30 The US and Europe have unraveled since World War II and radicalism has metastasized into every community tearing away the decency optimism and security that shaped those robust democracies for more than eight decades No place is immune including the small West Texas town of Dell City where four generations of an iconic American family and a Syrian Muslim family carve a farming empire out of the unforgiving high desert These families partnership is as unlikely as the idea of a United States and their powerful friendship can be traced back to a bloody knife fight in a Juarez cantina just after World War II The bond forged that night between Jack Laws an Irish American who staked his claim in West Texas after the war and Ali Zarkan whose great grandfather sailed from the Middle East to Texas in the mid 1800s as part of President Franklin Pierce's attempt to create the US Army Camel Corps shapes each generation of the families as they come of age and adapt to shifting paradigms of gender commerce patriotism loyalty religion and sexuality From the beaches of the Western Pacific to the battlefields of the Middle East and from the lawless streets of Juarez to the darkest corners of the Internet the two families fight real and perceived enemies journeying as they do through the football fields of Texas and West Point the hippie playgrounds of Asia the music halls of Austin the terrorist cells of Europe and the political backrooms where fortunes are gained or lost over the rights to Western water Underlying their experiences is the basic question of what constitutes identity and citizenship in America or in Texas a land over which six flags have flown The

seventh flag ultimately is not one of a state or a nation but of a mosaic of cultures religions and people from every corner of the world all struggling to define what it means to be unified under an ambiguous banner **Texas Cold Case Collection**
