A Rosario Castellanos Reader Rosario Castellanos,2010-06-28

Thinker writer diplomat feminist Rosario Castellanos was emerging as one of Mexico's major literary figures before her untimely death in 1974. This sampler of her work brings together her major poems, short fiction, essays, and a three act play *The Eternal Feminine*. Translated with fidelity to language and cultural nuance, many of these works appear here in English for the first time, allowing English speaking readers to see the depth and range of Castellanos' work. In her introductory essay *Reading Rosario Castellanos: Contexts, Voices and Signs*, Maureen Ahern presents the first comprehensive study of Castellanos' work as a sign or signifying system. This approach through contemporary semiotic theory unites literary criticism and translation as an integral semiotic process. Ahern reveals how Castellanos integrated women's images, bodies, voices, and texts to feminize her discourse and create a plurality of new signs, messages about women in Mexico. Describing this process in *The Eternal Feminine*, Castellanos observes it's not good enough to imitate the models proposed for us that are answers to circumstances other than our own. It isn't even enough to discover who we are. We have to invent ourselves.

It contains over 400 entries written by 160 contributors, which are organized into four major types: topic, individual writer, individual work, and survey. *Jewish Writers of Latin America* Darrell B. Lockhart,2013-08-21 Jewish writing has only recently begun to be recognized as a major cultural phenomenon in Latin American literature. Nevertheless, the majority of students and even Latin American literary specialists remain uninformed about this significant body of writing. This Dictionary is the first comprehensive bibliographical and critical source book on Latin American Jewish literature. It represents the research efforts of 50 scholars from the United States, Latin America, and Israel who are dedicated to the advancement of Latin American Jewish studies. An introduction by the editor is followed by entries on 118 authors that provide both biographical information and a critical summary of works. Argentina, Brazil, and Mexico, home to the largest Jewish communities in Latin America, are the countries with the greatest representation, but there are essays on writers from Venezuela, Chile, Uruguay, Peru, Colombia, Costa Rica, and Cuba. **The Art of Transition**

Representing Argentinian Mothers Yolanda Eraso,2013-10-10 Motherhood holds a
special place in Argentinian culture Representing Argentinian Mothers examines the historical intersections of medicine and
culture that have underpinned the representations of motherhood during the first half of the twentieth century From the
emergence of a medicalised maternal figure at the beginning of the century to the appearance of a new politicised mother
figure by the time of Eva Per n the contentious representations of motherhood constitute a privileged viewpoint to explore
the tensions and conflicts underlying the country s modernisation process At the core of the analysis is an evaluation of the
way in which medical representations of motherhood have been implicated confirmed or contested in other significant areas
of the social and cultural fields Through detailed examination of a rich selection of sources including medical texts
newspapers novels photojournalism and paintings Representing Argentinian Mothers adopts an interdisciplinary approach
and an innovative framework based on categories and notions drawn from the History of Ideas and Cultural History By
enquiring about the influence of medicine in the field of ideas beliefs and images Yolanda Eraso elaborates new insights to
understand their interaction which will appeal to anyone with an interest in the Medical Humanities Yolanda Eraso is
