American literature and other relevant writers and texts from Latin America and beyond **Encyclopedia of Contemporary Latin American and Caribbean Cultures** Daniel Balderston, Mike Gonzalez, Ana M. Lopez, 2000-12-07 This vast three volume Encyclopedia offers more than 4000 entries on all aspects of the dynamic and exciting contemporary cultures of Latin America and the Caribbean Its coverage is unparalleled with more than 40 regions discussed and a time span of 1920 to the present day Culture is broadly defined to include food sport religion television transport alongside architecture dance film literature music and sculpture The international team of contributors include many who are based in Latin America and the Caribbean making this the most essential authoritative and authentic Encyclopedia for anyone studying Latin American and Caribbean studies Key features include over 4000 entries ranging from extensive overview entries which provide context for general issues to shorter factual or biographical pieces articles followed by bibliographic references which offer a starting point for further research extensive cross referencing and thematic and regional contents lists direct users to relevant articles and help map a route through the entries a comprehensive index provides further guidance *The Americas* Kimberly J. Morse, 2022-08-23 This two volume encyclopedia profiles the contemporary culture and society of every country in the Americas from Canada and the United States to the islands of the Caribbean and the many countries of Latin America From delicacies to dances this encyclopedia introduces readers to cultures and customs of all of the countries of the Americas explaining what makes each country unique while also demonstrating what ties the cultures and peoples together The Americas profiles the 40 nations and territories that make up North America Central America the Caribbean and South America including British U S Dutch and French territories Each country profile takes an in depth look at such contemporary topics as religion lifestyle and leisure cuisine gender roles dress festivals music visual arts and architecture among many others while also providing contextual information on history politics and economics Readers will be able to draw cross cultural comparisons such as between gender roles in Mexico and those in Brazil Coverage on every country in the region provides readers with a useful compendium of cultural information ideal for anyone interested in geography social studies global studies and anthropology Interface between Literature and Science Victoria Carpenter, 2015-05-13 The boundaries of science and literature are permeable they are continuously crossed and illuminated by a variety of narrative forms and their interpretations Changes in our perception of the world are informed in equal measure by scientific and humanistic disciplines This volume treats both literary and scientific texts as products of the human mind therefore abiding by all the rules it creates scientific and humanistic alike The volume does not propose to replace all literary or discourse analysis with a cross disciplinary science based approach but rather uses this theoretical stance when more conventional means fail to explain or even explore the intricacies of a text It argues that scientific discourse can also be analysed through the prism of literary theories since all texts are governed in varying measure by the unity of contexts that characterize their nature the process of their creation and their place in the cognitive realm of

humanity This approach will allow the nature and limitations of scientific research to be questioned while opening up more venues to explore scientific creativity that crosses the subject boundaries of science and humanities Latin American literature offers many examples of the interconnection between literary and scientific discourse Notwithstanding the often explored relationship between Jorge Luis Borges s literary themes and contemporary scientific discoveries a more general question should be asked is the influence of scientific thought a privilege of the select few or is it indeed an all pervading experience in Latin American literary narrative from late modernism to present day This book explores the texts that overtly incorporate scientific content or are structured in such a way that immediately reminds the reader of a scientific phenomenon it will also examine the texts that are presented in such a way that a conventional literary analysis does not help penetrate the many narrative layers that the text comprises The volume offers cross disciplinary readings of such authors as Jorge Luis Borges Gabriel Garc a M rquez Ernesto S bato and Gustavo Sainz to name but a few Tunnels and Metropolises Arsenio Negro (Jr.),Argimiro A. Ferreira,1998

Place and Displacement in the Narrative Worlds of Jorge Luis Borges and Julio Cortázar Nataly Tcherepashenets,2008 Place and Displacement in the Narrative Worlds of Jorge Luis Borges and Julio Cortázar engages the notions of place and displacement as heuristic devices for literary analysis of Borges s and Cortázar s narratives It maps out these authors visions of place and displacement in some of their most famous texts locates the place of Borges s texts within Cortázar s fictional universe and delineates new routes in communication between different literary traditions and philosophical and anthropological discourses This book also suggests that the challenge of a strict opposition between place and displacement in Borges s and Cortázar s works is both representative and emblematic of a continuum of Latin American literature Encyclopedia of Latin American and Caribbean Literature, 1900-2003 Daniel Balderston,Mike Gonzalez,2004 The Encyclopedia of Twentieth Century Latin American and Caribbean Literature 1900 2003 draws together entries on all aspects of literature including authors critics major works magazines genres schools and movements in these regions from the beginning of the twentieth century to the present day With more than 200 entries written by a team of international contributors this Encyclopedia successfully covers the popular to the esoteric The Encyclopedia is an invaluable reference resource for those studying Latin American and or Caribbean literature as well as being of huge interest to those following Spanish or Portuguese language courses *Encyclopedia of the World Novel, 1900 to the Present* Michael David Sollars,Arbolina Llamas Jennings,2015-04-22 Praise for the print edition a useful and engaging reference to the vast world of the novel in world literature
