equate with the physical act of writing The Irish English and European contexts for women s production of texts are identified and assessed The literary traditions and languages of the different communities living on the island are juxtaposed in order to show how identities were shaped and defined in relation to each other Marie Louise Coolahan elucidates the social political and economic imperatives for women s writing examines the ways in which women characterized female composition and describes an extensive range of cross cultural multilingual activity Calendar of the State Papers Relating to Ireland, of the Reigns of Henry VIII., Edward VI., Mary, and Elizabeth: The reign of Elizabeth, 1574-1601 Great Britain.
