Reverse Psychology Charles Ludlam, 1989 This hilarious farce by the author of *The Mystery of Irma Vep* is about a husband and wife both psychiatrists who are each having an affair with a patient of the other who are also husband and wife One patient is struggling to overcome her inability to have sex in bed and her compulsion to buy lawn mowers at Bloomingdale s Her doctor would rather ridicule mental illness and make social engagements than listen to her babble on The other patient an artist is

desperate for recognition whereas his psychiatrist is unduly worried that latent bed wetters might ruin the couch Description of editor **Shirley Jackson, Influences and Confluences** Melanie R. Anderson, Lisa Kröger, 2016-05-20 The popularity of such widely known works as *The Lottery* and *The Haunting of Hill House* has tended to obscure the extent of Shirley Jackson's literary output which includes six novels a prodigious number of short stories and two volumes of domestic sketches Organized around the themes of influence and intertextuality this collection places Jackson firmly within the literary cohort of the 1950s The contributors investigate the work that informed her own fiction and discuss how Jackson inspired writers of literature and film The collection begins with essays that tease out what Jackson's writing owes to the weird tale detective fiction the supernatural tradition and folklore among other influences The focus then shifts to Jackson's place in American literature and the impact of her work on women's writing campus literature and the graphic novelist Alison Bechdel The final two essays examine adaptations of *The Haunting of Hill House* and Jackson's influence on contemporary American horror cinema Taken together the essays offer convincing evidence that half a century following her death readers and writers alike are still finding value in Jackson's words **Short Story Writing** Charles Raymond Barrett, 1900
