Garden of Life Suren, This book is a step by step guide to building the garden of life which transforms a young person into a successful adult by equipping him or her with the skills required to face the challenges of life This book is a perfect gift for your children to help them lead a peaceful and successful life Though it is targeted at young people it is suitable for people of all ages with an aspiration to succeed in life

In the Garden of Life Emmanuel Goka, 2016-06-08 Are humans however powerful all merely players on earth s stage The Arianians and Pepperon trusted in technology and science and their products and put them above ghosts haunted homes haunted hotels spirits and angels and gave thought to what the eyes can see world only but that changed when a series of events occurred for which they could not offer scientific technological or any other rational human explanation The Arianians therefore paid so much to seek explanation through a friend who lived on another continent where they believed in the spiritual as well as the physical and admitted that there was a world beyond earth s world of science technology and physical objects Both men from the two belief systems despite their capacity know how and gadgets also struggled to make success of their marital relationships but failed and decided to write down their thoughts per chance their children or grandchildren would make success in marriage when they read what has been written

Nesting the Garden of Life Neelima Khemchandani, 2021-01-12 Every thought we create is like a seed which we sow in the soil of our mind It does not matter whether the thought is positive or dissenting it will get seeded deep if we constantly keep on working with it The book conceptualizes and compares life to a garden where every seed we let in the soil will reap into a plant As we read more the chapters enclose how to cultivate this life into a garden of content and happiness We all have been provided just one life and in this one life we have one opportunity to

cultivate the best garden of life The book unfolds chapter by chapter on how to select a seed carefully sow them and harvest the best garden to cherish It does not matter where we are in our lives right now what age group we are what we wish to pursue in our lives if we understand the basics right and make them clear in our life nobody can stop our garden from being burgeoned into the one we all would love to adore and live each day We all have the capability to turn our lives into the cream of a crop and enjoy the delicacy each day In the Garden of Life Phyllis L. Wernsing, 2014-06-09 A selection of poems and short inspirational messages designed to encourage people to slow down and take the time to hear Gods voice in their own busy lives The author shares thoughts that have come to her mostly during her morning quiet time but can come at any time when you are still and open to Gods presence IN THE GARDEN OF LIFE contains 12 new writings in addition to writings contained in two booklets WALK WITH ME and FLOWERS ON THE VINE which were self published by the author for family and friends It is written in a simple down to earth style that anyone can understand I never go anywhere without a pencil and something to write on writes the author You never know when or where God could inspire a thought or idea
