Gardening Greenbook Neil Sperry, **The Little Green Book of Gardening Wisdom** Barbara Burn, 2014-03-04
Surprising as it may seem the first place an experienced gardener looks for advice and ideas is not the local gardening store or even the nearby botanical garden but a good library Gardeners have been sharing their wisdom for thousands of years and their books and treatises still provide a rich resource for growers and landscapers today Here in this volume is a bouquet of quotations that will strike a responsive chord with anyone who has ever worked the soil or just admired nature s handiwork Areas that are covered include the metaphorical Some men like to make a little garden out of life and walk down a path Jean Anouilh *The Lark* 1952 words of encouragement Then seek your job with thankfulness and work till further orders If it s only netting strawberries or killing slugs on borders And when your back stops aching and your hands begin to harden You will find yourself a partner in the Glory of the Garden Rudyard Kipling *The Glory of the Garden* 1911 reflection To sit in the shade on a fine day and look upon verdure is the most perfect refreshment Jane Austen *Mansfield Park* 1814 and the practical Three fundamental aspects of border design site shape and size have at least as great an effect on the ease of garden maintenance as does the actual selection of plants Frederick McGourty *The Perennial Gardener* 1989 and much more Drawing on sources ranging from the earliest agrarian civilizations to the present *The Little Red Book of Gardening Wisdom* is a treasury of great ideas that will delight amateur and expert gardeners alike *Gardening Greenbook* Neil Sperry, 1993
