of three and a half years of weekly columns in the Newark Ohio Advocate many years ago It was very well received and I often got comments from people I came across about a certain article that was helpful I simply wrote about the things I did learned and failed at over that time Gardening can be funny you will learn in this book My husband was a major asset in gardening and in providing funny situations but I think he liked getting hit in the head often As for content the articles follow the seasons of Ohio which came as I wrote them but my sense is they can be far more widely applied in other areas of the country I hope you learn from and enjoy reading this as much as I enjoyed writing it Happy gardening Jo Ann Wiblin
