Gardens Of Delight The Great Islamic Gardens:

Gardens of Delight Christa Von Hantelmann, 2005-01-01 From the very beginning people have tried to recreate paradise on earth Many have indulged themselves and satisfied the desire producing the most incredible creations with their inspired imaginations The Gardens of Delight contains many such personal interpretations of what paradise means to the creators This beautifully illustrated book will delight garden lovers and will be a great source of visual inspiration to every garden enthusiast

Gardens of Delight Christa von Hantelmann, 2001 This lavishly illustrated book is a pictorial documentation of the great garden architecture of Islam The reader is taken on a journey to the medieval Spain of the Moors followed by the gardens of the 18th and the 19th century The journey continues through the courtyard gardens of Syria and the unique old and new gardens of Morocco ending with the impressive courtyards and mausoleum gardens of Pakistan and India Every garden is described individually many with plans of the layout and its exact location Gardens of Delight is truly a unique publication

Islamic Gardens and Landscapes D. Fairchild Ruggles, 2011-12-30 Western admirers have long seen the Islamic garden as an earthly reflection of the paradise said to await the faithful However such simplification Ruggles contends denies the sophistication and diversity of the art form *Islamic Gardens and Landscapes* immerses the reader in the world of the architects of the great gardens of the Islamic world from medieval Morocco to contemporary India Just as Islamic culture is historically dense sophisticated and complex so too is the history of its built landscapes Islamic gardens began from the practical need to organize the surrounding space of human civilization tame nature enhance the earth's yield and create a legible map on which to distribute natural resources Ruggles follows the evolution of these early farming efforts to their aristocratic apex in famous formal gardens of the Alhambra in Spain and the Taj Mahal in Agra Whether in a humble city home or a royal courtyard the garden has several defining characteristics which Ruggles discusses Most notable is an enclosed space divided into four equal parts surrounding a central design element The traditional Islamic garden is inwardly focused usually surrounded by buildings or in the form of a courtyard Water provides a counterpoint to the portioned green sections Ranging across poetry court documents agronomy manuals and early garden representations and richly illustrated with pictures and site plans *Islamic Gardens and Landscapes* is a book of impressive scope sure to interest scholars and enthusiasts alike

The Art of the Islamic Garden Emma Clark, 2010-07-31 Islamic gardens are enchanting places Just the names of some of the most beautiful gardens in the world the Alhambra the Generalife the Shalimar conjure up images of calm and even divine beauty No visitor is left untouched by their magic This new paperback edition of *The Art of the Islamic Garden* is an introduction to the design symbolism and making of an Islamic Garden and it examines that magic describes the component parts which allow a deeper understanding of the beauty Topics covered include history symbolism and the Quran in relation to the traditional Islamic garden significance of design and layout of the garden explained geometry hard landscaping and architectural elements and a guide to designing the garden with water and recommendations for trees
