With Biographical Sketches* Frank McAlpine, 2024-04-08 Reprint of the original first published in 1882 **Herndon on Lincoln** William H. Herndon, 2016-01-30 After Abraham Lincoln s assassination in 1865 William H Herndon began work on a brief subjective biography of his former law partner but his research turned up such unexpected and often startling information that it became a lifelong obsession The biography finally published in 1889 Herndon s Lincoln was a collaboration with Jesse W Weik in which Herndon provided the materials and Weik did almost all the writing For this reason and because so much of what Herndon had to say about Lincoln was not included in the biography David Donald has observed To understand Herndon s own rather peculiar approach to Lincoln biography one must go back to his letters An exhaustive collection of what Herndon was told by others about Lincoln was published by Douglas L Wilson and Rodney O Davis in Herndon s Informants Letters Interviews and Statements about Abraham Lincoln In this new volume Wilson and Davis have produced a comprehensive edition of what Herndon himself wrote about Lincoln in his own letters Because of Herndon s close association with Lincoln his intimate acquaintance with his partner s legal and political careers and because he sought out informants who knew Lincoln and preserved information that might otherwise have been lost his letters have become an indispensable resource for Lincoln biography Unfiltered by a collaborator and rendered in Herndon s own distinctive voice these letters constitute a matchless trove of primary source material Herndon on Lincoln Letters is a must for libraries research institutions and students of a towering American figure and his times LIFE ,1961-11-17 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events
