The Last Lincolns Charles Lachman, 2010-01-25 Most books about Abraham Lincoln end on April 14 1865 the day he was assassinated at Ford's Theatre But that historic event takes place near the beginning of *The Last Lincolns* a singular title in the vast output of Lincolnia and one of the most unusual books ever written on the sixteenth president and his family Going far beyond that fateful day into uncharted territory it's a gripping page turner written by a TV producer with proven storytelling skills This absorbing American tragedy tells the largely unknown story of the acrimony that consumed the Lincolns in the months and years that followed the president's murder This was not a family that came together in mourning and mutual sadness instead they fell out over the anguished mental condition of the widowed Mary In 1875 Robert the handsome but resentful eldest Lincoln child engineered her arrest and forcible commitment to an insane asylum In each succeeding generation the Lincolns' misfortunes multiplied as a litany of alcohol abuse squandered fortunes burned family papers and outright dissipation led to the downfall of this once great family Charles Lachman traces the story right up to the last generation of Lincoln descendants great grandson Bob Lincoln Beckwith his estranged wife Annemarie and her son Timothy Lincoln Beckwith Bob who was according to all medical evidence sterile believes the son who bears the Lincoln name was the product of an adulterous affair Annemarie however wanted the boy to be a Lincoln putting the child in line for a vast inheritance There's even evidence uncovered by Lachman for the first time that a scheme to obtain possession of the Lincoln fortune was orchestrated by Bob Beckwith's chauffeur who may have been the notorious outlaw and skyjacker D B Cooper Published in advance of Abraham Lincoln's 200th birthday in February 2009 *The Last Lincolns* provides an unforgettable glimpse into the personal legacy left by the man who could unite a nation but not his own family An Unusual Family History Reveals That Abraham and Mary Lincoln were very lenient with their younger sons and rarely imposed discipline on them At age 12 young Tad Lincoln whose education during the family's White House years was very lax could still not read Eldest son Robert Lincoln objected to the intense attention the media paid to the Lincoln family After her husband's assassination Mary Lincoln pleaded for financial assistance from family friends and people in government Mary's erratic behavior led Robert to swear out a warrant for her arrest and institutionalization

Killing the President Willard M. Oliver, Nancy E. Marion, 2010-08-05 This book offers an analysis of every American presidential assassination and various attempted assassinations examining the events surrounding each event and the people involved The assassinations and attempted assassinations of American presidents were pivotal events that reverberated throughout the nation even in cases where the murder was botched The individuals behind each plot are often fascinating studies in obsession and distorted perception of reality like President James Garfield's assassin who spent an extra dollar on
