Excerpt from Garibaldi's Defence of the Roman Republic Fourteen years ago when I began to study the life of Garibaldi and nine years ago when I published the last of the three volumes of this series I certainly did not expect that I was going to serve for more than three years with the Italian army becoming intimate in the field with the sons and grandsons of men recorded in these pages in the final war of the Risorgimento waged during its first year against that very Kaiser Franz Josef whose soldiers hunted Anita and Garibaldi in 1849 Before the war history seemed to most men a thing outside the main current of life the past was like a turbulent but distant ocean on which we looked out through magic casements from the agreeable bow window of the present To day that flood has broken banks we are ourselves tossed on the living stream of history We have been at war with Metternich and Bismarck We have fought for the principles of 1688 and 1789 We have settled the undecided issue of 1848 Cavour and Garibaldi gave us Italy for an ally while Washington and Lincoln gave us America The

tombs were uncovered the dead came to war Each nation proved to be that which its forefathers had made it Because of the strange romantic history recorded in these volumes Italy in our day fought on the side of freedom But for that history she would still have been a province of germanised Austria About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works GARIBALDIS DEFENCE OF THE ROMA George Macaulay 1876-1962 Trevelyan,2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant GARIBALDIS DEFENCE OF THE ROMA George Macaulay 1876-1962 Trevelyan,2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Garibaldi's Defence of the Roman Republic 1848-9....** George Macaulay Trevelyan (historien.),1928 Garibaldi's Defence of the Roman Republic, 1848-9 Henry William Carless Davis,1908 *Garibaldi's Defence of the Roman Republic ...
