## **Garrard County In World War II:**

Garrard County in World War II Rita Mackin Fox, 2005-11 Images of America Garrard County in World War II depicts the citizens of a small rural central Kentucky county who served their nation in war torn areas worldwide and on the home front Images courtesy of veterans and their families show the sacrifices made and honor those who served With photographs of all branches of the armed services the county s war story is told in representative vignettes at numerous fronts Through interviews news accounts and letters many veterans stories of courage humor and despair come to life Here at home patriotic efforts began in 1940 when school children made bundles for Britain and continued throughout the war years with residents sacrificing at home to spend every available dime on war bonds In fact in 1943 Garrard Countians bought more bonds per capita than citizens in any other Kentucky county To reward their patriotism and sacrifice in March 1945 the government commissioned the USS Garrard an attack transport ship A member of the crew donated to the county s historical society photos of the ship and his diary Survivors of the USS Garrard held a reunion here in 2002 **MEMORIES OF WORLD WAR II VETS** A. J. BROWN, 2011-10-11 Many of the vets I interviewed asked me why I was interested in World War II I never forgot when Pearl Harbor was attacked I was five years old and standing at the end of the kitchen counter next to the black art deco style radio The announcer was very loud and excited but I didn t know what he was talking about My mother was at the other end of the counter standing in front of the kitchen sink washing a dish All of a sudden she turned off the water and came over to stand in front of the radio I had never seen a look on her face like that before She called my dad to come here Both of them stood in front of the radio with these shocked and unbelieving faces I never forgot that experience We next went to Sunday school and church and I remember all of the adults were talking to each other in low tones with stunned looks on their faces **Never to Be Forgotten** Margaret Creech Burkett, Martin County Historical and Genealogical Society (Martin County, Ky.), 2013 Alphabetical register of more than 1000 names with brief biographical sketches where additional information is available Axis Prisoners of War in Kentucky Antonio S. Thompson, 2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky s crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory *The Register of the Kentucky Historical Society* Kentucky Historical Society, 2005 World War II. United States. War Department, 1946 The Kentucky Encyclopedia John E. Kleber, 2014-10-17 The Kentucky Encyclopedia s 2 000 plus entries are the work of more than five hundred writers Their

subjects reflect all areas of the commonwealth and span the time from prehistoric settlement to today's headlines recording Kentuckians' achievements in art, architecture, business, education, politics, religion, science, and sports. Biographical sketches portray all of Kentucky's governors and U.S. senators as well as notable congressmen and state and local politicians. Kentucky's impact on the national scene is registered in the lives of such figures as Carry Nation, Henry Clay, Louis Brandeis, and Alben Barkley. The commonwealth's high range from writers Harriette Arnow and Jesse Stuart, reformers Laura Clay and Mary Breckinridge, and civil rights leaders Whitney Young Jr. and Georgia Powers to sports figures Muhammad Ali and Adolph Rupp and entertainers Loretta Lynn, Merle Travis, and the Everly Brothers. Entries describe each county and county seat and each community with a population above 2,500. Broad overview articles examine such topics as agriculture, segregation, transportation, literature, and folklife. Frequently misunderstood aspects of Kentucky's history and culture are clarified and popular misconceptions corrected. The facts on such subjects as mint juleps, Fort Knox, Boone's coonskin cap, the Kentucky hot brown, and Morgan's Raiders will settle many an argument. For both the researcher and the more casual reader, this collection of facts and fancies about Kentucky and Kentuckians will be an invaluable resource.

**The 1997 Genealogy Annual** Thomas Jay Kemp, 1999. The Genealogy Annual is a comprehensive bibliography of the year's genealogies, handbooks, and source materials. It is divided into three main sections: p liFAMILY HISTORIES licites American and international single and multifamily genealogies listed alphabetically by major surnames included in each book; p liGUIDES AND HANDBOOKS liincludes reference and how-to books for doing research on specific record groups or areas of the U.S. or the world; p liGENEALOGICAL SOURCES BY STATE liconsists of entries for genealogical data organized alphabetically by state and then by city or county. p The Genealogy Annual, the core reference book of published local histories and genealogies, makes finding the latest information easy. Because the information is compiled annually, it is always up to date. No other book offers as many citations as The Genealogy Annual; all works are included. You can be assured that fees were not required to be listed.

The Memory of the Second World War in Soviet and Post-Soviet Russia David L. Hoffmann, 2021-08-26. This volume showcases important new research on World War II memory both in the Soviet Union and in Russia today. Through an examination of war remembrance in its various forms—official histories, school textbooks, museums, monuments, literature, films, and Victory Day parades—chapters illustrate how the heroic narrative of the war was established in Soviet times and how it continues to shape war memorialization under Putin. This war narrative resonates with the Russian population due to decades of Soviet commemoration which continued virtually uninterrupted into the post-Soviet period. Major themes of the volume include the use of World War II memory for political legitimation and patriotic mobilization; the striking continuities between Soviet and post-Soviet commemorative practices; the place of Holocaust memorialization in contemporary Russia; Putin's invocation of the war to bolster national pride and international prestige; and the relationship between individual memory and collective remembrance. Authored by an international group of distinguished specialists, this collection is ideal for scholars of Russia.
