A Terrible Mistake H. P. Albarelli, 2009-07-01 Following nearly a decade of research this account solves the mysterious death of biochemist Frank Olson revealing the identities of his murderers in shocking detail It offers a unique and unprecedented look into the backgrounds of many former CIA FBI and Federal Narcotics Bureau officials including several who actually oversaw the CIA s mind control programs from the 1950s to the 1970s In retracing these programs a frequently bizarre and always frightening world is introduced colored and dominated by many factors Cold War fears the secret relationship between the nation s drug enforcement agencies and the CIA and the government s close collaboration with the Mafia

Wedlock Wendy Moore, 2010-02-09 A cinematic and thrilling true story exploring the life and catastrophic marriage of Mary Eleanor Bowes Countess of Strathmore a tale of wealth status and privilege laced with lust greed and pride The Times Spectacular Serious perceptive thoughtful and by no means least compulsively readable Jonathan Yardley The Washington Post With the death of her fabulously wealthy coal magnate father Mary Eleanor Bowes became the richest heiress in Britain An ancestor of Queen Elizabeth II Mary grew to be a highly educated young woman winning acclaim as a playwright and botanist At eighteen she married the handsome but aloof ninth Earl of Strathmore in a celebrated if ultimately troubled match that forged the Bowes Lyon name Freed from this unhappy marriage by her husband s early death she stumbled headlong into scandal when a charming Irish soldier Captain Andrew Robinson Stoney flattered his way into the merry widow s bed When Mary heard that her gallant hero was mortally wounded in a duel defending her honor she could hardly refuse his dying wish four days later they were married Yet the captain was not what he seemed Staging a sudden and remarkable recovery Stoney was revealed as a debt ridden lieutenant a fraudster and a bully Immediately taking control of Mary s vast fortune he squandered her wealth and embarked on a campaign of appalling violence and cruelty against his new bride Finally fearing for her life Mary dared to plan an audacious escape and an even more courageous battle to reclaim her liberty and her fortune Based on meticulous archival research Wedlock is a gripping addictive biography ripped from the headlines of eighteenth century England

TMI from WDP William David Penniman, 2025-01-08 This collection of narratives is my way of unloading some of this information that seems to run as a filmstrip in the background of my head As I grow older these images don t seem to fade but become more vivid not sure why It is my hope that by putting them in writing some of them will go away while in other cases some will last

The Lost Cause Sidney St. James, LINCOLN The Lost Cause Book 1 in the Lincoln Assassination Series President Abraham Lincoln once said It is better to remain silent and be thought a fool than to speak out and remove all doubt President Jefferson Davis once said I worked night

and day for twelve years to prevent the war but I could not The North was mad and blind would not let us govern ourselves and so the war came More than 150 years later the assassination of Abraham Lincoln remains one of the most significant events in United States history It continues until this very day attracting the interest of scholars writers like myself and armchair historians This series is very special to my heart It begins with the inauguration of Abraham Lincoln on March 4 1861 and passes by the four war years and continues with his assassination by David Edgar Herold a 23 year old pharmacist who was living in Washington City Wait Did you just say who If you did then follow this book from start to finish and you will find out that not only did John Wilkes Booth die for his involvement in the assassination but so did four others Many novels define John Wilkes Booth as a lone deranged actor and a madman who struck from a twisted lust for vengeance This is not true He was neither alone nor was he mad According to the U S federal government over 250 people were taken into custody and interrogated Later books in the series will take you through the actual military trial of the other s conspirators including the first woman ever executed by the United States Government This novel will also cover that fateful night of Lincoln s assassination It will follow the 12 day chase for John Wilkes Booth and David Herold Then it will follow the burial route and final resting place for Lincoln The trial will not be covered in this novel but the day of execution of the conspirators is included along with the burial of the other assassins Then the chase and capture of Jefferson Davis is told along with his two year imprisonment by the federal government Are you aware that it wasn t until 1977 during Jimmy Carter s term in office that Davis was posthumously forgiven for his role in the civil war and made a U S Citizen The novel includes the inauguration the assassination the funeral capture of John Wilkes Booth the execution the arrest and imprisonment of Jefferson Davis and later his funeral held in Metairie Louisiana Below are a few words his wife said while traveling down Poydras in downtown New Orleans The funeral procession was over three miles long as mourners paid their respect to the South s President Jefferson Davis Dear I was thinking out loud how sad a day this has been The United States War Department did not recognize your father The United States flag did not fly at half mast It flew at half mast throughout the south Varina began to cry again She raised her handkerchief up to blot the tears running down her cheek He is the only former Secretary of War not given the respect and honor due him by the United States Government She sighed clasping her slender hands together in her lap and stared at them lost with her emotions Mother don t fret about it Father s funeral service was I am sure attended by far more people than those who attended Abraham Lincoln s The South loves him We love the South

American history of Black struggle sacrifice and achievement At the heart of David Nicholson s beautifully written and carefully researched book *The Garretts of Columbia A Black South Carolina Family from Slavery to the Dawn of Integration* are his great grandparents Casper George Garrett and his wife Anna Maria Papa as Garrett was known to his family was a professor at Allen University a lawyer and an editor of three newspapers Dubbed Black South Carolina s most respected disliked man he was always ready to attack those he believed disloyal to his race When his quixotic idealism and acerbic editorials resulted in his dismissal from Allen his wife who was called Mama came into her own as the family bread winner She was appointed supervisor of rural colored schools trained teachers and oversaw the construction of schoolhouses At 51 this remarkable woman learned to drive taking to the back roads outside Columbia to supervise classrooms conduct literacy drives and instruct rural farm women in the basics of home economics Though Papa and Mama came of age in the bleak Jim Crow years after Reconstruction they believed in the possibility of America Resolutely supporting their country during the First World War they sent three of their sons to serve One son wrote a musical with Langston Hughes during the Harlem Renaissance Another son became a dentist A daughter earned a doctorate in French And the family persevered But for all that Papa and Mama did to make Columbia a nurturing place their sons and daughters joined the Great Migration scattering north in search of the freedom the South denied them The Garretts embraced the hope of America and experienced the melancholy of a family separated by the search for opportunity and belonging On the basis of decades of research and thousands of family letters which include Mama s tart tongued observations of friends and neighbors *The Garretts of Columbia* is family history as American history rich with pivotal events viewed through the lens of the Garretts s lives
