The Trouble with Boys Peg Tyre,2009-08-11 From the moment they step into the classroom boys begin to struggle They get expelled from preschool nearly five times more often than girls in elementary school they re diagnosed with learning disorders four times as often By eighth grade huge numbers are reading below basic level And by high school they re heavily outnumbered in AP classes and save for the realm of athletics show indifference to most extra curricular activities Perhaps most alarmingly boys now account for less than 43 percent of those enrolled in college and the gap widens every semester The imbalance in higher education isn t just a boy problem though Boys decreasing college attendance is bad news for girls too because admissions officers seeking balanced student bodies pass over girls in favor of boys The growing gender imbalance in education portends massive shifts for the next generation how much they make and whom they marry Interviewing hundreds of parents kids teachers and experts award winning journalist Peg Tyre drills below the eye catching statistics to examine how the educational system is failing our sons She explores the convergence of culprits from the emphasis on high stress academics in preschool and kindergarten when most boys just can t tolerate sitting still to the outright banning of recess from the demands of No Child Left Behind with its rigid emphasis on test taking to the boy unfriendly modern curriculum with its focus on writing about feelings and its purging of high action

reading material from the rise of video gaming and schools unease with technology to the lack of male teachers as role models But this passionate clearheaded book isn't an exercise in finger pointing Tyre the mother of two sons offers notes from the front lines the testimony of teachers and other school officials who are trying new techniques to motivate boys to learn again one classroom at a time *The Trouble with Boys* gives parents educators and anyone concerned about the state of education a manifesto for change one we must undertake right away lest school be come for millions of boys unalterably a girl thing

Damn! Why Didn't I Write That? Marc McCutcheon, 2001 Offers encouragement to amateur writers who want to support themselves by writing Describes the process from idea research query letters and proposals to agents contract negotiations and promotion

How to Shit Around the World Jane Wilson-Howarth, 2006 There's no way to be subtle about it diarrhea parasites and other gastrointestinal unpleasanties can be part of the price travelers pay for trying to see the world Fortunately this frank witty guide by a noted travel writer lets world explorers fight back against their invisible assailants

Potty Train Your Child in Just One Day Teri Crane, 2006-06-06 Finally a fun easy to use guide to potty training any child in just ONE DAY Just think from the time babies are born until they are toilet trained they use an average of 4 000 diapers *Potty Train Your Child in Just One Day* is the helpful guide you've been waiting for to get your child out of diapers and turn the potentially terrifying process of toilet training into an effective and enjoyable bonding experience with your child Teri guides parents to the successful one day potty training of their child by teaching them how to Look for the signs that your child is ready to be potty trained Make the potty connection by using a potty training doll Create incentive through consistent positive reinforcement Use charts quizzes and checklists to help with every step of potty training Know when it's time to bring in a potty pinch hitter Complete your potty training no more accidents Once Teri teaches you her techniques she shares her secret potty parties She has carefully designed twelve imaginative themes for parties such as a seriously silly circus a cartoon character carnival or a magic carpet express and supplies parents with everything they will need Teri has proven that a potty party day engages a child in potty training in a way that no other method has before by speaking a toddler's language A party may translate to fun games cake candy presents and prizes to a child but with Teri's expertise parents can use it as a tool to motivate their child to want to go to the bathroom and to keep on going That's why it works in just one day
