academic Edward Carmien has gathered top voices in the field to discuss the literary life and career of Cherryh including Burton Raffel Jane Fancher Janice Bogstad Betsy Wollheim and many others A substantial bibliography rounds out this collection The Cherryh Odyssey is a text fans of the author will find invaluable as will writers new to the field as it presents a readable yet in depth examination of many issues relevant to this award winning author s literary life and career Scholars will find this blend of academic and professional voices a compelling resource for further research

Future and Fantastic Worlds Sheldon Jaffery,1987-01-01 *Future and Fantastic Worlds* embodies an unusual approach to the field of bibliographic research including over 700 annotations of every DAW book published through mid 1987 with indexes by author artist and title providing a massive guide to modern SF writers and their works with much background data Interspersed throughout the book are numerous wry irreverent and amusing observations offered by the late and highly respected researcher in this extremely valuable genre tool

Science Fiction and Fantasy Book Review Neil Barron,R. Reginald,Robert Reginald,2009-11 *Science Fiction Fantasy Book Review* was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time This was the golden era of SF publishing with a thousand titles old and new hitting the stands and the bookshelves each and every year From the older classics to the newest speculative fiction this was the period when the best and the brightest shined forth their talents SF FBR included reviews by writers in the field by amateur critics and by litt rateurs and University professors Over a thousand books were covered during the single year of publication many of them having been reviewed no where else before or since The January 1980 issue includes a comprehensive index of all the works featured during the preceding year This reprint will be a welcome addition to the literature of science fiction and fantasy criticism Neil Barron is a retired bibliographer and literary critic editor of the acclaimed *Anatomy of Wonder* series Robert Reginald was the publisher for twenty five years of Borgo Press and has authored over 110 books of his own

Resurgence C. J. Cherryh,2020-01-07 Now in mass market the twentieth book in the beloved *Foreigner* saga returns to the trials of diplomat Bren Cameron as he navigates the tenuous peace he has struck between human refugees and the alien atevi Bren Cameron diplomat in residence usually represents the ruler of the atevi state But Ilisidi the dowager has been known to borrow his services from time to time and she has her own notions how to solve the simmering hostilities in the south of the atevi continent playing one problem against another This time she is betting the hard won northern peace and the lives of the people on being right She has commandeered the Red Train taken aboard what passengers she chooses and headed for the snowy roof of the world where a hard scrabble town and its minor lord are the first pieces she intends to use

Defiance C. J. Cherryh,Jane S. Fancher,2023-10-17 The 22nd book in the beloved *Foreigner* saga continues the adventures of diplomat Bren Cameron as he navigates the tenuous peace he has struck between human refugees and the alien atevi In the east outright warfare has tied down the Assassins Guild and that region is in confusion Ready to hand is an age old feud in the west where the Master of Ashidama Bay has long hated the Edi people of

the north shore and equally hated the Aishidi tat for bringing the Edi to his shores and hatred is a resource the Shadow Guild knows how to use to its advantage Bren Cameron is tasked with getting Ilisidi the aiji dowager back to the capital alive on an urgent basis But events are cascading down on the south the Guild is stretched thin in the east and the Shadow Guild is within striking distance of critical targets that could bring war to the entire south Two lives stand in the breach two lives the aishidi tat would not willingly risk Ilisidi and Bren and the Shadow Guild will spend anything and everything to take them out The Foreigner series sets the standard for sci fi first contact sagas a smart probing engaging sociopolitical narrative from an acknowledged master of the genre Precursor C. J. Cherryh,2000-10-01 The fourth novel in Cherryh s Foreigner space opera series a groundbreaking tale of first contact and its consequences Over three years have passed since the reappearance of the starship Phoenix which two centuries before left an isolated colony of humans on the world of the volatile atevi Since that time humans have lived in exile on the island of Mospheira but the unexpected return of the Phoenix has shattered the fragile political balance of these two nearly incompatible races For the captains of the Phoenix offer the atevi something the Mospheiran humans never could access to the stars For three breakneck years the atevi labor to build a space shuttle which will bear their representatives to the Phoenix to strengthen connections with their new human allies and retain their bid for control of their world But as soon as the shuttle proves spaceworthy the captains of the Phoenix suddenly recall their planetary delegates breaking diplomatic contact and initiating a vicious bid for political dominance But the powerful head of the atevi s Western Association is not to be outmaneuvered and he sends his own diplomat or paidhi Bren Cameron into space to negotiate Thrust into a political maelstrom with almost no preparation can Bren gain control of the station and political supremacy for the atevi without sparking a three sided interspecies war The long running Foreigner series can also be enjoyed by more casual genre readers in sub trilogy installments Precursor is the 4th Foreigner novel It is also the 1st book in the second subtrilogy *The Pride of Chanur* C. J. Cherryh,1982-01-05 The first in a series of lively tales of swashbuckling capitalism in space featuring a fascinating alien culture based on the social structure of lion prides Locus Chaos breaks out when the captain of an all female alien crew agrees to rescue a human male wanted by their enemy No one at Meetpoint Station had ever seen a creature like the Outsider Naked hided blunt toothed and blunt fingered Tully was the sole surviving member of his company of humans a communicative spacefaring species hitherto unknown and he was a prisoner of his discoverers and captors the sadistic treacherous kif until his escape onto the hani ship The Pride of Chanur Little did he know when he threw himself upon the mercy of The Pride and her crew that he put the entire hani species in jeopardy and imperiled the peace of the Compact itself for the information this fugitive held could be the ruin or glory of any of the species at Meetpoint Station **Alliance Rising** C. J. Cherryh,Jane S. Fancher,2020-11-24 SFWA Grand Master Cherryh returns to the Hugo award winning Alliance Union Universe with a thrilling entry in her far reaching sci fi saga Years after Sol has lagged behind other great megastations like Pell and Cyteen Alpha station receives news of an incoming

ship with no identification The denizens of Alpha wait anxiously for news on the outsiders each with their own suspicions Ross and Fallon crew members of the Galway believe the ship belongs to Pell which has an interest in The Rights of Man another massive ship docked at Alpha It is under the command of the Earth Company but it is not quite ready and its true purpose is shrouded in mystery James Robert Neihart is captain of Finitis End a Pell ship flown by one of the Families He has heard whispers of The Rights of Man and wonders at its design and purpose especially as Sol struggles to rival the progress of the Farther Stars Now stationed on Alpha he must convince the crews that more is happening with the megastations than meets the eye For the reasons behind the creation of The Rights of Man and its true plans could change everything not just for Sol but for the First Stars and the Beyond itself

Downbelow Station C. J. Cherryh, 2008-12-02 The Hugo Award winning science fiction novel about a space station caught in the crosshairs of an interstellar war perfect for fans of space opera and military science fiction A hell of a story io9 The Beyond started with the Stations orbiting the stars nearest Earth The Great Circle the interstellar freighters traveled was long but not unmanageable and the early Stations were emotionally and politically dependent on Mother Earth The Earth Company which ran this immense operation reaped incalculable profits and influenced the affairs of nations Then came Pell the first station centered around a newly discovered living planet The discovery of Pell's World forever altered the power balance of the Beyond Earth was no longer the anchor which kept this vast empire from coming adrift the one living mote in a sterile universe But Pell was just the first living planet Then came Cyteen and later others and a new and frighteningly different society grew in the farther reaches of space The importance of Earth faded and the Company reaped ever smaller profits as the economic focus of space turned outward But the powerful Earth Fleet was still a presence in the Beyond and Pell Station was to become the last stronghold in a titanic struggle between the vast dynamic forces of the rebel Union and those who defended Earth's last desperate grasp for the stars
