Gate Of Remembrance 2nd Edition Story Of The Psy:

Psychics, Sensitives and Somnambules Rodger I. Anderson, 2015-01-27 Claimants of paranormal abilities have always attracted controversy and fascination and sometimes rigorous study by scientists Charles Bailey an Australian medium was seemingly able to materialize different objects animate and inanimate under conditions which made it difficult to conceive how they could have been normally produced Sumitra Singh a woman of Northern India who in 1984 became subject to epileptic type seizures claimed to be possessed by spirits of the dead Franck Kluski was a Polish poet banker and physical medium who specialized in both human and animal materializations This biographical dictionary contains profiles of 330 psychics worldwide from Tony Agpaoa to Elenor Zugun each accompanied by a bibliography listing the primary sources consulted The primary focus is on those claimed psychics who have figured prominently in the history of the subject though some lesser known figures are included to show how rich varied and colorful that history has been The aim throughout is to present each case as fairly and dispassionately as the facts allow with a particular eye for accuracy in details and presentation The approach is historical not apologetic or accusatory making the work ideally suited as a permanent reference

Quarterly Transactions of the British College of Psychic Science British College of Psychic Science, 1927 **Psychic Research Quarterly**, 1922 **The Publishers Weekly**, 1923 Coming to Senses José Roberto Pellini, Melisa A. Salerno, Andrés Zarankin, 2015-10-05 Every culture conceives of the senses in different ways establishing their own models and sensory hierarchies Despite the importance of the senses in human experience archaeology has generally neglected the sensory dimension of the material world In response to this lacuna the contributions to this volume incorporate all the senses in imaginative scenarios in order to stimulate new ways of seeing and conceptualising archaeology and bring back the self to this science The international character of the essays brought together here including researchers and case studies from across the globe provides a variety of perspectives on this topic from a number of scales of analysis The book will appeal to a wide range of readers including academic researchers and the general public concerned with archaeology history anthropology and sociology and will provide readers with a greater understanding of the dynamics of the senses the relationship between narratives and societies and the cultural world *The International Psychic Gazette*, 1917

Cumulated Index to the Books, 1945 **Aldous Huxley and Alternative Spirituality** Jake Poller, 2019-08-12 Aldous Huxley and Alternative Spirituality offers an incisive analysis of the full range of Huxley's spiritual interests spanning both mysticism neo Vedanta Taoism Mahayana and Zen Buddhism and Western esotericism mesmerism spiritualism the paranormal Jake Poller examines how Huxley's shifting spiritual convictions influenced his fiction such as his depiction of the body and sex and reveals how Huxley's use of psychedelic substances affected his spiritual convictions resulting in a Tantric turn in his work Poller demonstrates how Huxley's vision of a new alternative spirituality in *Island* in which the Palanese select their beliefs from different religious traditions anticipates the New Age spiritual supermarket and traces the profound

influence of Huxley's ideas on the spiritual seekers of the twentieth century and beyond Light ,1929 *Phoenix* ,1979

The Shelf List of the Union Theological Seminary Library in New York City Union Theological Seminary (New York, N.Y.). Library,1960 *A Tudor Story* William Sandford Pakenham-Walsh,1963 No one who knew the late Canon Pakenham Walsh could accuse him of being a starry eyed dreamer At ninety he was as active mentally and physically as many a man little more than half his age Coming from a man so knowledgeable and widely travelled the extraordinary experiences related in this book are all the more impressive The author had long been a keen student of the Tudor period but had no previous experience of the psychic or the super normal They came to him without invitation or desire on his part and spread over many years they were recorded in writing in some detail and add up to a truly astonishing story Canon Pakenham Walsh's narrative not only relates his experiences of how mediumistic contact was made with the spirits of Anne Boleyn Katherine of Aragon and Henry VIII it is also a powerful Christian morality tale of redemption transcending death **Author Index to Psychological Index, 1894 to 1935** ,1960
