continue to live and he has brought back his sister Rachel as part of his resurgence plan for the Wickcliff family However the son that he thinks is his isn't and Rachel isn't exactly his ally Trapped in the Wickcliff mausoleum in the spirit realm the Wickcliff ancestors have their own plan to return to life in the mortal realm with or without Jeremy's help As the witches begin to piece together Jeremy's plan after a visit from his wife Lucy in spirit form they realize that they must band together in an attempt to stop him from bringing his family back and to banish him back to the ghost realm Lucy returns to the mortal realm during midnight's edge desperate to protect her sons from Jeremy's wrath With Lucy on their side the witches decide that they must fight Jeremy to protect their loved ones and the town just as they did many years ago One of them will not survive and as a battle between good and evil takes place on the grounds of the Wickcliff cemetery the outcome will change the lives of the residents of Sleepy Meadows forever
