Contemporary American Judaism Dana Evan Kaplan,2011 No longer controlled by a handful of institutional leaders based in remote headquarters and rabbinical seminaries American Judaism is being transformed by the spiritual decisions of tens of thousands of Jews living all over the United States A pulpit rabbi and himself an American Jew Dana Evan Kaplan follows this religious individualism from its postwar suburban roots to the hippie revolution of the 1960s and the multiple postmodern identities of today From Hebrew tattooing to Jewish Buddhist meditation Kaplan describes the remaking of

historical tradition in ways that channel multiple ethnic and national identities While pessimists worry about the vanishing American Jew Kaplan focuses on creative responses to contemporary spiritual trends that have made a Jewish religious renaissance possible He believes that the reorientation of American Judaism has been a bottom up process resisted by elites who have reluctantly responded to the demands of the spiritual marketplace The American Jewish denominational structure is therefore weakening at the same time that religious experimentation is rising leading to the innovative approaches supplanting existing institutions The result is an exciting transformation of what it means to be a religious American Jew in the twenty first century Finding Hope and Faith in the Face of Death Stephen A. Karol, 2018-04-11 This book is about giving people hope and faith comfort and inspiration when a death occurs It is based on my experiences throughout my forty year career as a rabbi in helping my congregants deal with the emotions and thoughts that occur when a loved one dies I have grown to understand and have taught about the importance of community when we are mourners and of the absolute emotional and spiritual power of prayer The book includes lessons that I have learned personally and professionally lessons that are relevant to the very real issues brought on by sorrow and regret My messages not only educate those who read them but also convey a sense of faith and hope that can positively affect our transition from mourning to living our lives And they are valid for Jews and non Jews alike those who attend services and those who don't
