The Gates of Twilight Paula Volsky, 2011-02-23 In a fragile alliance the natives are stirring uneasily under their foreign rulers Rebellion is brewing and at the heart of the conflict lies the bloody and powerful cult of the god Aoun whose followers will stop at nothing to rid their land of alien domination So civil servant Renille vo Chaumelle scion of a proud conquering line mingled with native blood is conscripted as a spy and ordered to penetrate the fortress temple known as the Fastness of the Gods There he is to discover the secrets of the priests of Aoun and if the chance presents itself assassinate the lead priest named in legend as the god s own son But in the holiest depths of the temple Renille finds there is more to the cult than his superiors suspect far more than they will ever believe What he learns leads him to the beautiful princess Jathondi daughter of the native ruler who is fated to be the crux of a violent confrontation between the fanatic followers of a flesh hungry god and their arrogant overlords Together Jathondi and Renille must brave a whirlwind of revolution and apocalyptic magic that could shatter a nation and open the long sealed portal between heaven and earth **Gates of Twilight** H.
