[Journey by Faith: Discovering and Fulfilling the Will of God by Faith: NOW!](#) William Owens, Never in the history of the world has there been such an overwhelming availability of God's eternal Word. With countless Bible universities, online courses, and Bible teachings that span the globe, there are zero excuses for not in some form or fashion hearing God's Word and coming into a degree of knowledge of what He requires of each of us. Our conscience knows the difference between good and evil, unless we have rejected truth to such a degree that we have become reprobates and have been given over to delusion to believe the lie. Bible prophecies, apologetics, history, and current events collide with vivid accuracy to provide extraordinary evidence that the Bible is legitimate, which means it is all accurate or not true at all. It is God-inspired or the greatest hoax ever devised by man. Even so, with the highest level of intelligence, one yet cannot see this truth with the sheer wisdom of men. Though there are centuries of validation and even more recent discoveries in just the last decade of the Bible's validity, unless the eyes of the

heart are opened by divine intervention eternal truths remain foolish to the World's learned and wise If you scoff at the authority of scripture and the demands of a Holy God this book is not for you in the scene it will edify your strife to obtain and fulfill God's Will I can only pray that you will be granted grace to confront and consider the truth of one thing You were made with and for purpose Even the religious will have a more difficult time with these truths because the traditions and commandments of men make the Word of God of no effect Mark 7:13
