Subject Guide to Books in Print , 1997 The Essentials of Theory U Otto Scharmer, 2018-03-20 Creating a Better Future This book offers a concise accessible guide to the key concepts and applications in Otto Scharmer's classic Theory U Scharmer argues that our capacity to pay attention co-shapes the world What prevents us from attending to situations more effectively is that we aren't fully aware of that interior condition from which our attention and actions originate Scharmer calls this lack of awareness our blind spot He illuminates the blind spot in leadership today and offers hands-on methods to help change makers overcome it through the process principles and practices of Theory U And he outlines a framework for updating the operating systems of our educational institutions our economies and our democracies This book enables leaders and organizations in all industries and sectors to shift awareness connect with the highest future possibilities and strengthen the capacity to co-shape the future Publishers Weekly , 1974 **Gateway to the Heavens** Karen L. French, 2014-05-13

Simple geometric shapes and symbols combine to make the universal powerful sacred model Karen French calls Gateway to the Heavens In this book French explains the meaning and purpose of these shapes how they mold our reality and perception of it and how they have a direct bearing on what you are and why you are here These shapes and symbols contain messages that have been consistently represented in religion philosophy mythology mysticism the arts and sciences Their messages are built into our genetic make up and we recognise them instinctively The book is divided up into 3 parts Part 1 covers the properties of the basic geometric shapes and numbers Part 2 describes how these in turn form layers of construction creating principals that are fundamental to the purpose of the universe the spiral sustains reality the cross highlighting the central point of existence and the heart is where we weigh up our choices Part 3 describes how we can use these principals to create positive change in our lives by helping us to expand our awareness of reality

Manual for Changing Attitudes and Behaviour Jeff Coats,1980-05 Gwenevere and the Round Table Wendy Berg,2012 The new book by Wendy Berg puts her acclaimed Red Tree White Tree into practice It shows how the Round Table was an actual practical system of magic demonstrated by Gwenevere who was its prime interpreter within the court of the Round Table Central to the book is the concept of five Faery kingdoms described in the legends with which Gwenevere was closely associated Lyonesse Sorelois Gorre and Oriande about the central Grail kingdom of Listenois The book comprises a graded series of meditations practical magical exercises guided visualisations and a full ritual which take the reader into each of the Faery kingdoms in turn guided by Gwenevere to experience the various challenges and gifts that they each represent The fourth kingdom Oriande takes the reader into the Round Table of the Stars an experiential journey through 12 constellations which very neatly and remarkably demonstrates the continuing work of the Round Table into the future
