## Gathering Gods People:

Gather God's People Brian Croft, Jason Adkins, 2015-01-06 God is spirit and his worshippers must worship in spirit and in truth John 4 24 The Bible tells us that we are to worship the Lord that we were created for this purpose But what is true worship What does the Bible teach about the right and the wrong ways to worship God In this book pastors Brian Croft and Jason Adkins unpack a biblical theology of worship discuss the practical matters of planning a worship service and offer suggestions and insights on the best way to lead a worship service that honors the Lord The Practical Shepherding series of guides provides pastors and ministry leaders with practical help to do the work of pastoral ministry in a local church In Gather God's People you will learn how to apply biblical doctrine and spirituality to the practice of Christian worship **A Scriptural Theology of Eucharistic Blessings** Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters **Suddenness and Signs** Sydney Tooth , 2024-07-26 The relationship of 1 and 2 Thessalonians is a perennial puzzle in Pauline scholarship with considerable questions raised about their supposed theological incompatibility In this work Sydney Tooth examines the text of 1 and 2 Thessalonians without presuppositions about authorship in order to give full attention to the shape of each letter's eschatological teaching In doing so the author is able to provide the first extensive and detailed comparison of their eschatologies and to determine to what extent they are compatible with each other She also traces the tradition history of the eschatological material in 1 and 2 Thessalonians exploring shared imagery themes and language between the Thessalonian correspondence and the Synoptic Gospels This all contributes to a full reassessment of the historical setting and literary and theological relationship of these two letters *Conversations at the Edges of Things* Francis Bridger, James T. Butler, 2012-10-19 John Goldingay is an internationally renowned biblical scholar teacher and theologian whose writings have impacted Christians across the globe In *Conversations at the Edges of Things* Francis Bridger and James Butler bring together a wide ranging collection of essays from John's friends and colleagues throughout his career and around the world in honor of his seventieth birthday and his lifetime's service to the church and the academy Contributors Roger Bowen

Francis Bridger Colin Buchanan James T Butler Graham Buxton George Carey Christopher Cocksworth Vivienne Faull Kathleen Scott Goldingay Sarah Goldingay Athena Gorospe Philip Jenson Robert King Anne Long Nancey Murphy Gordon Oliver Tom Smail Marianne Meye Thompson Stephen Travis      **Vocatio** C. Andrew Doyle, 2018-10-17 Popular author with broad appeal New vision for shaping future church leaders The Church's mission is not dependent upon economic or worldly boundaries The gospel will expand and grow where people respond to God's grace in their lives The Episcopal Church along with all denominational churches is being forced to break out of old training models and traditions of ordination in this new age of mission The Church must rethink formation of leaders lay and clergy to keep up with what God is already doing in the world Participating in God's mission will press us to reconsider assumptions about the vocations themselves and their shape for the future      **The Persistence of God's Endangered Promises** Allan J. McNicol, 2017-12-28 Using a thorough integrated biblical theology to make sense of the master story of Scripture Allan J McNicol explores the nature and importance of the Bible's abiding narrative of the persistence of God's promises to his people and their hope of final triumph Special attention is given to the often contentious claim that these early followers of Jesus presumed that they stood in full continuity with Israel the historic people of God and were claiming that many of God's promises were coming to fulfilment among them McNicol presents a closer analysis of the texts as he shows how the theme of the people of God fits into the wider literary productions of these major New Testament writers      Vital Christian Community Philip Brochard, Alissabeth Newton, 2022-09-20 Twelve characteristics of healthy Christian communities and the congregational and personal practices that develop them Congregations have been the bedrock of mainline Christian life and practice for centuries but in recent years many have dwindled in energy and impact Leaders conclude that change is needed that they can't keep applying the same models and practices that have served in the past but no longer seem to work At a time when all kinds of institutions are being buffeted by swift and strong cultural forces Brochard and Newton believe the congregation to be a primary site for the transformation of individuals communities and the world and that the measures for congregational vitality begin with health faithfulness and effectiveness as local expressions of the Church The authors offer readers insights into developing a sense of purpose building trust encouraging curiosity becoming more collaborative appreciating productive conflict and other vital skills      **Spiritual Leadership: The Office Of A Pastor** Femi Lanre-Oke, 2014 The book Spiritual Leadership The Office of a Pastor is written as a guideline to those called into the pastoral leadership responsibility as a reminder to those who have been in the pastoral leadership work for long as an instructor to those who are passionate to doing God's will and as light to those who are confused about what God has called them to do In this book you will learn among other things the thirteen gifts of God the Father the five gifts of God the Son the nine gifts of God the Spirit the leadership responsibilities of a pastor God's expectation from a pastor wounds of a pastor and how to take care of your pastor The book promises to ignite your passion to serving God in whichever capacity God has endowed you and to make you better in your service to God

You are the next testimony after reading this book     **Jesus and Israel** David Earl Holwerda,1995 Revisiting the important topic of covenant fulfillment Reformed theologian David Holwerda argues that God's promises to Old Testament Israel cannot be understood apart from Jesus Christ Holwerda maintains that the Old Testament promises of God find their complete fulfillment in Jesus Christ and the church     Moving Beyond Church Growth Mark A. Olson,2001-12-01 Character development for communities of faith Mark Olson believes that trying to meet unrealistic expectations for church growth along with expectations that pastors be all things to all people has resulted in low morale even burnout among clergy and dissension within congregations Olson's book argues that church growth models exemplify and exacerbate the tendencies of the modern age and Constantinian Christianity holding the church hostage to technique and marketing These assumptions set up pastors and churches for disappointment and failure But they also in his opinion miss an opportunity to envision a faithful alternative to the consumeristic church Olson's valuable book calls church leaders to faithful bold and courageous rethinking of congregational life and witness in substance purpose and style His own 20 years of ministry in rural suburban and urban congregations inform an alternative rooted deeply in the past and anchored in strong leadership and worship but also profoundly compassionate and engaged in the surrounding community In this model pastors primary responsibilities are not to fix everything and everybody but to enable people to be present to each other and to provide hope     *House Church - Simple, Strategic, Scriptural* Steve Atkerson,2021-07-17 Lead a small church New Testament Church Dynamics is perfect for you Unlike many church growth books we present proven Biblical strategies to grow your church both spiritually and numerically These are not theories cooked up in an ivory tower Our network of churches lives these principles out in multiple cultures and countries around the globe By following Scriptural strategies our unity participation purity community size love and evangelistic fervor have grown dramatically Our joy is helping leaders of small churches follow Christ's model for church practice and planting     **The Abingdon Worship Annual 2014** Mary J.
