El Gato Manchado Y la Golondrina Sinha Jorge Amado, 1995-12-01 **El Gato Manchado Y la Golondrina Sinha** Jorge Amado, 2016 **Pensar el Brasil hoy. Teorías literarias y crítica cultural en el Brasil contemporáneo** María Cándida Ferreira de Almeida, Norman Valencia, 2013-01-01

Pensar el Brasil hoy presenta una panorámica de la teoría y la crítica literarias y culturales brasileñas actuales construida por autores de diferentes universidades de Brasil y de otros países que provienen de diferentes tradiciones ricas. Tiene como objetivo divulgar la producción intelectual brasileña y abrir un diálogo más cercano con la hispanoamericana para propiciar la expansión de los estudios brasileños en España al tras el creciente interés provocado por obras literarias traducidas recientemente. Aborda problemas tan diversos como las implicaciones del estudio de obras de otros períodos históricos como el arte de la Contrarreforma, la autoría, la literatura de autoayuda, la literatura homoafectiva, la literatura comparada en el contexto latinoamericano, la importancia de la cultura en los estudios contemporáneos y la actitud antropofágica.

José Manuel Freidel. Poeta del teatro: obras seleccionadas Adela Donadío Copello, 2023-04-03

Freidel le dedicó su vida al teatro. Sin seguir modas, sin complacencias, fiel y sinceramente a su voz. No le interesaba para nada el material, cosa extraña en una cultura en la que el apego al dinero y la acumulación de riqueza son los signos del progreso. Él hizo todo lo contrario. Trabajó en dos universidades para hacer la inversión que consideraba en verdad valiosa: llevar a escena todas sus obras, sostener sus grupos en lo emocional, en lo artístico y en lo material. Este libro es una invitación a las nuevas generaciones del teatro del país y de otras latitudes a montar las obras de Freidel desde otras visiones, con lecturas que descubran nuevos hilos en su tejido dramático y con puestas en escena de vuelo y riesgo como fueron las suyas en su momento.

Latin American Classical Composers Martha Furman Schleifer, Gary Galván, 2016-01-28

Now in its third edition, *Latin American Classical Composers: A Biographical Dictionary* provides a singular English language resource for biographical information on hundreds of composers from Central and South America and the Hispanic Caribbean. Painstakingly gathered from a wide variety of sources, the information updates and expands previous editions and fills in the gaps left by the other major English language music dictionaries and encyclopedias. Entries provide biographical data comprising full names, birth and death dates and locations, background, education and training, as well as selective works lists for more than 2,300 composers. An index of composers by country and women composers of Latin America complement the volume. An essential part of any music library, *Latin American Classical Composers* is an invaluable reference for librarians, musicologists, ethnomusicologists, researchers and music students.
