Gauguin A Restless And Visionary Genius His Life In Paintings

**James Louis Garvin, Franklin Henry
Hooper, Warren E. Cox**

Gauguin A Restless And Visionary Genius His Life In Paintings:

Gauguin Paul Gauguin, 1999 Inspired by a primitive way of life Paul Gauguin came to reject the world of the Impressionists leaving Parisian society in search of paradise Explore the life of this 19 century French artist through his astonishingly vibrant and exotic paintings **Stuck in Go** Jennifer Nichols, 2007 **The Encyclopedia Britannica** James Louis Garvin, Franklin Henry Hooper, Warren E. Cox, 1929 **The Encyclopædia Britannica** James Louis Garvin, Franklin Henry Hooper, Warren Earle Cox, 1929 *Encyclopaedia Britannica*, 1929 **A Popular History of the Arts** Marshall Cavendish, 1975 **ART TREASURES in the WEST**, 1966 **The Burlington Magazine for Connoisseurs**, 1968 **Arts Digest**, 1961 **Wild Thing** Sue Prideaux, 2025-05-13 One of Literary Hub's Most Anticipated Books of 2025 One of Five Books Best Nonfiction Books of 2024 Shortlisted for the 2024 Baillie Gifford Prize An original and revealing portrait of the misunderstood French Post Impressionist artist Paul Gauguin's legend as a transgressive genius arises as much from his biography as his aesthetically daring Polynesian paintings Gauguin is chiefly known for his pictures that eschewed convention to celebrate the beauty of an indigenous people and their culture In this gorgeously illustrated myth busting work Sue Prideaux reveals that while Gauguin was a complicated man his scandalous reputation is largely undeserved Self taught Gauguin became a towering artist in his brief life not just in painting but in ceramics and graphics He fled the bustle of Paris for the beauty of Tahiti where he lived simply and worked consistently to expose the tragic results of French Colonialism Gauguin fought for the rights of Indigenous people exposing French injustices and corruption in the local newspaper and acting as advocate for the Tahitian people in the French colonial courts His unconventional career and bold breathtaking art influenced not only Vincent van Gogh but Matisse and Picasso *Wild Thing* upends much of what we thought we knew about Gauguin through new primary research including the resurfaced manuscript of Gauguin's most important writing the untranslated memoir of Gauguin's son and a sample of Gauguin's teeth that disproves the pernicious myth of his syphilis In the first full biography of Paul Gauguin in thirty years Sue Prideaux illuminates the extraordinary oeuvre of a visionary artist vital to the French avant garde The result is a brilliantly readable and compassionate study of Gauguin not just as a painter sculptor carver and potter but as a human soul perpetually searching for what is always just out of reach Artemis Cooper Spectator **Gauguin** Ingo F. Walther, Paul Gauguin, 2000 A Frenchman in Tahiti After starting a career as a bank broker Paul Gauguin born 1848 turned to painting only at age twenty five After initial successes within the Impressionist circle he broke with Vincent van Gogh and subsequently when private difficulties caused him to become restless embarked on a peripatetic life wandering first through Europe and finally in the search for pristine originality and unadulterated nature to Tahiti The paintings created from this time to his death in 1903 brought him posthumous fame In pictures devoid of any attempt at romantically disguising the life style of the primitive island peoples Gauguin was able to convey the magical effect that both the landscapes and life of the natives their body language charm and beauty had on him Wearying of his reputation

as a South Sea painter Gauguin finally determined to return to France but died of syphilis on the Marquis Islands before his departure About the Series Each book in TASCHEN s Basic Art series features a detailed chronological summary of the life and oeuvre of the artist covering his or her cultural and historical importance a concise biography approximately 100 illustrations with explanatory captions

Paul Gauguin, His Life and Art John Gould Fletcher,1921 **Paul Gauguin, His Life and Art** John Gould Fletcher,2025-03-29 Explore the life and art of Paul Gauguin the influential French artist and key figure of Post Impressionism in John Gould Fletcher s comprehensive biography Paul Gauguin His Life and Art delves into the artistic journey of this groundbreaking painter offering insights into his techniques inspirations and the historical context that shaped his distinctive style This meticulously researched biography examines Gauguin s impact on art history and provides a critical analysis of his most important works A valuable resource for art enthusiasts and scholars alike this volume offers a detailed account of Gauguin s life from his early influences to his later years spent in Tahiti Discover the story behind the artist who challenged conventions and left an indelible mark on the world of art Perfect for readers interested in art criticism artist biographies and the Post Impressionist movement This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Writings of a Savage Paul Gauguin,1990 **The Enigmatic Gauguin: Unveiling the Mystery of His Art** Pasquale De Marco,2025-07-09 Embark on an artistic voyage through the life and works of Paul Gauguin a groundbreaking figure who revolutionized the art world with his bold and expressive style In this comprehensive exploration we delve into Gauguin s artistic journey uncovering the secrets behind his unique approach and examining the profound impact he had on the art world From his early days as a stockbroker to his transformation into a passionate artist Gauguin s path was marked by both triumphs and tribulations We witness his artistic awakening fueled by a burning desire to break free from societal conventions and explore the raw beauty of the natural world His travels to Tahiti and the Marquesas Islands provided him with an escape from the confines of Western civilization allowing him to immerse himself in the vibrant colors and rich cultural traditions of these exotic lands Gauguin s art reflected his fascination with the primitive and his quest for authenticity He sought to capture the essence of these cultures through bold vibrant colors and expressive lines creating works that challenged traditional notions of beauty and representation His paintings such as *The Yellow Christ* and *Two Tahitian Women* became iconic symbols of his unique artistic vision Beyond his artistic achievements Gauguin was a prolific writer leaving behind a wealth of letters essays and theoretical writings that shed light on his artistic philosophy and

personal struggles His writings offer a glimpse into the mind of a complex and enigmatic artist revealing his deep contemplation of art life and the human condition As we delve into Gauguin s story we encounter a man of contradictions and complexities He was a restless spirit driven by an insatiable thirst for adventure and new experiences Yet he also battled inner demons including poverty ill health and personal turmoil Through his art Gauguin sought to transcend these challenges and create a world of his own a world where beauty and primitivism intertwined and where the boundaries of artistic expression were pushed to their limits This book is a celebration of Gauguin s artistic genius and a testament to his enduring legacy Through his groundbreaking works and his passionate pursuit of artistic freedom Gauguin changed the course of art history and continues to inspire generations of artists and art enthusiasts alike If you like this book write a review **Paul Gauguin** Susan Wise,1980 Gauguin by Himself Paul Gauguin,2004 Selections from Gauguin s letters illustrating his life and work **Paul Gauguin, His Life and Art** John Gould Fletcher,2012-08-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Van Gogh And Gauguin** Bradley Collins,2009-07-21 Although Vincent van Gogh s and Paul Gauguin s artistic collaboration in the South of France lasted no more than two months their stormy relationship has continued to fascinate art historians biographers and psychoanalysts as well as film makers and the general public Two great 19th century figures with powerful and often clashing sensibilities they shared a house worked side by side drank caroused and argued passionately about art Their brief venture together richly documented in the artists letters and paintings would be compelling enough even if it had not culminated in the catastrophe of van Gogh s life his ear cutting This traumatic climax to van Gogh s and Gauguin s weeks spent in the Yellow House in Arles has raised profound questions about the nature of their relationship and about their behavior before and after van Gogh s self mutilation Van Gogh and Gauguin explores the artists intertwined lives from a psychoanalytic perspective in order to draw a nuanced and sophisticated picture of the artists dealings with each other The book also examines crucial art historical issues such as the aesthetic convictions that both united and divided the two men and the extent to which they influenced each other s art Noa Noa Paul Gauguin,2012-06-14 A journal of the two years Gauguin spent in Tahiti this work presents keen observations of the island and its people and the artists passionate struggle to achieve the inner harmony he expressed so profoundly on canvas 24 black and white illustrations
