Gautama The Buddha An Essay In Religious Understanding:

Gautama the Buddha Richard Henry Drummond,1974 **God, Revelation and Authority: God Who Stands and Stays (Vol. 6)** Carl F. H. Henry,1999-01-25 Part 6 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done **Queering Christianity** Robert E. Shore-Goss,Thomas Bohache,Patrick S. Cheng,Mona West,2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices **Is Jesus the Only Savior?** Ronald H. Nash,2010-08-10 A compelling and urgent case for Jesus Christ as the one and only way to salvation Today professing that Jesus Christ is the only way to approach God and receive his salvation may seem to some like a form of intolerance or arrogance A growing number of Christian intellectuals pastors and leaders are favoring a more inclusive view of a person s path to salvation But what does this mean in practice Are there biblical or theological means of defending inclusivism or pluralism or do these views simply pay tribute to modern ethical standards The fact is that unity among Christians on this fundamental issue has disappeared Many people of faith choose among three fundamentally different answers to the question Is Jesus the only Savior Stated succinctly these answers are No Pluralism Yes but Inclusivism Yes period Exclusivism In Is Jesus the Only Savior Ronald Nash explores the divergent views of pluralism and inclusivism in depth laying out the reasoning history and major supporters behind them and making a resounding case for exclusivism based on firm theological standards Christians of all walks of life will find their faith in Christ affirmed and strengthened by this vital treatise written in accessible terms and a readable style **The Journal of Intercultural Studies** ,1979 **World Faiths** S.A. Nigolian,2015-12-30 World Faiths is a brief introduction to the major world religions The book provides detailed coverage of the historical development of different religious traditions and for each religion presents issues of faith from the perspective of the believer **Faith: Security and Risk** Richard W.

Kropf,2003-06-20 Is faith a search for security Is faith the reason for taking risks The answer to these questions will ultimately determine the quality of our faith whether it will be a faith that flourishes and grows or a faith that is stunted and limited Author Richard Kropf analyzes these faith choices with a unique approach He combines the psycho dynamics of Viktor Frankl the faith analysis of Avery Dulles and the faith stages researched by James Fowler to provide a provocative foundation for understanding our spiritual life Kropf then takes us through each faith level and highlights the challenges and pitfalls along the way He covers the broad range of topics from compulsive religious behavior fundamentalism and various enthusiasms to adolescent and mid life crises of faith and the risks of trying to achieve sainthood Faith Security and Risk is ideal for pastors spiritual directors and professional counselors and is particularly designed to complement spiritual workshops and retreats Each chapter ends with a series of questions that provide excellent stimulus for small group discussion as well as personal reflection This book has also proved most helpful for college professors as an excellent text for their students seeking to understand their own faith struggles
