Gunfight Ryan Busse,2021-10-19 A former firearms executive pulls back the curtain on America s multibillion dollar gun industry exposing how it fostered extremism and racism radicalizing the nation and bringing cultural division to a boiling point As an avid hunter outdoorsman and conservationist all things that the firearms industry was built on Ryan Busse chased a childhood dream and built a successful career selling millions of firearms for one of America s most popular gun companies But blinded by the promise of massive profits the gun industry abandoned its self imposed decency in favor of hardline conservatism and McCarthyesque internal policing sowing irreparable division in our politics and society That drove Busse to do something few other gun executives have done he s ending his 30 year career in the industry to show us how and why we got here *Gunfight* is an insider s call out of a wild secretive and critically important industry It shows us how America s gun industry shifted from prioritizing safety and ethics to one that is addicted to fear conspiracy intolerance and secrecy It recounts Busse s personal transformation and shows how authoritarianism spreads in the guise of freedom how voicing one s conscience becomes an act of treason in a culture that demands sameness and loyalty *Gunfight* offers a valuable perspective as the nation struggles to choose between armed violence or healing *Paperbound Books in Print* ,1992 **Age of the**

PAUL CRAWFORD,2025-08-01 The desert wind carried more than dust It carried whispers Whispers of a man who rode with death at his side and judgment at his heels They called him the Six Gun Devil a name spoken with fear in saloons muttered in dread by mothers to their children and cursed by men who hoped never to see him draw He was faster than the rattlesnakes that slithered under the mesas colder than the steel of his revolvers and more ruthless than the desert sun To many he was nothing but an outlaw a killer destined for the gallows or hell itself To others he was a dark legend a man whose bullets

carried the weight of final judgment But behind the shadow of the Devil s name was a man A man haunted by blood on his hands pursued not only by sheriffs and bounty hunters but by something deeper his own soul s damnation He had stared into the abyss of his own choices and the abyss had stared back This is not just the tale of a gunslinger It is the story of a war for one man s soul the tug of war between heaven and hell played out in dusty streets burning churches and lonely deserts It is the story of how even the hardest heart can hear the faint whisper of grace For out here in the badlands where law and mercy collide where men carry both a Bible and a six shooter the line between saint and sinner is drawn in blood and faith This is the story of the Six Gun Devil A story not of how a man died but of how a man was reborn "Let No Guilty Man Escape" Roger Harold Tuller,2001 Let No Guilty Man Escape the first new Parker biography in four decades corrects this simplistic image by presenting Parker s unique brand of frontier justice within the legal and political context of his time Using primary documents from the National Archives Missouri court records and other sources not included by previous biographers Roger H Tuller demonstrates that Parker was an ambitious attorney who used the law to advance his own career Parker rose from a frontier Missouri lawyer to become a congressional representative and when Reconstructionist era politics denied him continued progress he sought the judicial appointment for which he is most remembered BOOK JACKET
