Goh, 2017-12-15 Sexuality religion and faith often have complex and conflicting interactions on both personal and societal levels Numerous studies have been conducted on queer subjects but they have predominantly focused on Western expressions of faith and queer identities This book contributes to the wider scholarship on queer subjects by drawing on actual lived experiences of self identifying gay and bisexual men in Malaysia It discusses what we can learn from the realities of their lives that intersect with their religious spiritual theological or humanistic values in an Asian context Analysed within the critical frameworks of queer theory and

queer sexual theology this study divulges the meanings ascribed to sexual identities and practices as well as conceptualisations of masculinity sexual desire love and intimate physical connections It also lays bare the complex negotiations between gender desire and spirit and how they can affect one another Tying fascinating case studies and underexplored Asian theologies with wider conversations around sexuality and faith this book will be of significant interest to scholars working in religious studies theology queer studies sexuality studies and Asian studies

Queer Chinese Cultures and Mobilities John Wei, 2020-01-02 In *Queer Chinese Cultures and Mobilities* John Wei brings light to the germination and movements of queer cultures and social practices in today's China and Sinophone Asia While many scholars attribute China's emergent queer cultures to the neoliberal turn and the global political landscape Wei refuses to take these assumptions for granted He finds that the values and pitfalls of the development induced mobilities and post development syndromes have jointly structured and sustained people's ongoing longings and sufferings under the dual pressure of compulsory familism and compulsory development While young gay men are increasingly mobilized in their decision making to pursue sociocultural and socioeconomic capital to afford a queer life the ubiquitous and compulsory mobilities have significantly reshaped and redefined today's queer kinship structure transnational cultural network and social stratification in China and capitalist Asia With *Queer Chinese Cultures and Mobilities* Wei interrogates the meanings and functions of mobilities at the forefront of China's internal transformation and international expansion for its great dream of revival when gender and sexuality have become increasingly mobilized with geographical cultural and social class migrations and mobilizations beyond traditional and conventional frameworks categories and boundaries This timely and compelling contribution to Chinese Sinophone studies and queer sexuality studies is a pleasure to read John Wei explores a diverse fascinating and unevenly explored archive of queer materials deftly deploying scholarship in multiple fields to analyze the emergent formation of queer Sinophone cultures David L Eng University of Pennsylvania John Wei's meticulously researched and rigorously argued new book sets a new standard for queer Chinese studies Bringing together a dazzling array of ethnographic materials films and digital media Wei proposes the concept of stretched kinship to show us how questions of sexuality are always questions of mobilities as queer migrants become ineluctably entangled with China's compulsory familism and developmentalism Petrus Liu Boston University

Current Issues in Lesbian, Gay, Bisexual, and Transgender Health Jay Harcourt, 2013-04-11 Learn what resources are needed for lesser recognized LGBT health issues Most literature that explores LGBT health issues concentrates on HIV AIDS while leaving research studies on other vital issues lacking Current Issues in Lesbian Gay Bisexual and Transgender Health addresses this inadequacy by presenting a broad range of LGBT health issues from an interdisciplinary and mixed method perspective Leading experts present both quantitative and qualitative descriptions of health issues among various population groups focusing on those topics poorly represented in present day literature This book is a strong start to fill in the blanks about unrealized health issues of LGBT individuals and offers insights into the resources needed to address them Methods to assess sexual orientation and gender identity are not normally found in most population based research Because of the diversity within the relatively small LGBT population research has been forced to generalize making it less likely to effectively contribute to quality health issue data for these individuals The research presented in Current Issues in Lesbian Gay Bisexual and Transgender Health takes particular care to specify how the orientation and sexual identity of study participants was measured This book carefully mines previously unrevealed health disparities among LGBT populations across a broad spectrum of diseases beyond the standard focus on HIV AIDS The most current and important studies are presented including rare research on transgender health issues The chapters are extensively referenced and several include figures and tables to clarify and enhance understanding of the information The wide range of topics in Current Issues in Lesbian Gay Bisexual and Transgender Health include the inclusion of sexual orientation questions in research studies comparison of mental health issues between women of different sexual orientations mental health issues among men of different sexual orientations and HIV status in Australia the impact of sexual identity distress and social support in GLBT youth issues transgender youth health issues female to male FTM transsexuals experiences accessing health care research on LBT domestic violence survivors health needs of male to female MTF transgenders of color Current Issues in Lesbian Gay Bisexual and Transgender Health is crucial thought provoking reading for researchers working in LGBT health public health professionals working in community health and LGBT health policymakers advocates public health and community health faculty and students interested in LGBT health issues [Routledge Handbook of Contemporary Malaysia](#) Meredith Weiss, 2014-10-17 The Routledge Handbook of Contemporary Malaysia offers a broad analytical survey of Malaysia It provides a comprehensive survey of significant topics in Malaysian politics economy and society today focussing on issues

institutions and trends It is divided into four thematic sections which are all introduced by the editor Domestic politics Economics Social policy and social development International relations and security The volume brings together an international team of experts an interdisciplinary mix of forty contributors from Malaysia and elsewhere including many of the leading specialists on Malaysian affairs The chapters included in the volume form an accessible and fascinating window onto contemporary Malaysia They each introduce a different aspect of the Malaysian polity economy or society offering both historical perspective and a current assessment or investigation Designed for general readers and specialists alike chapters may be read individually each stands on its own or conjointly Up to date interdisciplinary and academically rigorous the Handbook will be of interest to students academics policymakers and others in search of reliable information on Malaysian politics economics and society

The Bloomsbury Handbook of World Theory Jeffrey R. Di Leo, Christian Moraru, 2021-11-18 Disciplines from literary studies to environmentalism have recently undergone a spectacular reorientation that has refocused entire fields methodologies and vocabularies on the world and its sister terms such as globe planet and earth The Bloomsbury Handbook of World Theory examines what world means and what it accomplishes in different zones of academic study The contributors raise questions such as What happens when world is appended to a particular form of humanistic or scientific inquiry How exactly does worlding bear on the theoretical operating system and the history of that field What is the theory or theoretical model that allows world to function in a meaningful way in coordination with that knowledge domain With contributions from 38 leading theorists from a vast range of fields including queer studies religion and pop culture this is the first large reference work to consider the profound effect both within and outside the academy of the worlding of discourse in the 21st century

Speaking in Queer Tongues William Leap, Tom Boellstorff, 2004 Language is a fundamental tool for shaping identity and community including the expression or repression of sexual desire Speaking in Queer Tongues investigates the tensions and adaptations that occur when processes of globalization bring one system of gay or lesbian language into contact with another Western constructions of gay culture are now circulating widely beyond the boundaries of Western nations due to influences as diverse as Internet communication global dissemination of entertainment and other media increased travel and tourism migration displacement and transnational citizenship The authority claimed by these constructions and by the linguistic codes embedded in them is causing them to have a profound impact on public and private expressions of homosexuality in locations as diverse as sub Saharan Africa New Zealand Indonesia and Israel Examining a wide range of global cultures Speaking in Queer Tongues presents essays on topics that include old versus new sexual vocabularies the rhetoric of gay oriented magazines and news media verbal and nonverbalized sexual imagery in poetry and popular culture and the linguistic consequences of the globalized gay rights movement

Queer Women in Urban China Elisabeth L. Engebretsen, 2013-10-30 Lala lesbian and gay communities in mainland China have emerged rapidly in the 21st century Alongside new freedoms and modernizing reforms and with mainstream media and society increasingly tolerant lalas still experience immense family and social pressures to a degree that this book argues is deeply gendered The first anthropological study to examine everyday lala lives intimacies and communities in China the chapters explore changing articulations of sexual subjectivity gendered T P tomboy wife roles family and kinship same sex weddings lala gay contract marriages and community activism Engebretsen analyzes lala strategies of complicit transgressions to balance surface respectability and undeclared same sex desires why being normal emerges a deep aspiration and sign of respectability and why openly lived homosexuality and public activism often are not

Queer Women in Urban China develops a critical ethnographic analysis through the conceptual lens of different normativities tracing the paradoxes and intricacies of the desire for normal life alongside aspirations for recognition equality and freedom and argues that dominant paradigms fixed on categories identities and the absolute value of public visibility are ill equipped to fully understand these complexities This book complements existing perspectives on sexual and gender diversity contemporary China and the politics and theories of justice recognition and similitude in global times

Becoming a Malaysian Trans Man Joseph N. Goh, 2020-06-23 This book explores the fluid mutable and contingent ways in which transgender men in Malaysia construct their subjectivities Against the dearth of academic resources on Malaysian trans men this ground breaking monograph is rooted in the lived experiences of Malaysian trans men whose vicissitudes have mostly been hidden silenced and overlooked Comprising diverse age groups ethnicities socio economic status educational backgrounds and religious persuasions these trans men reveal how they navigate life in a country with secular and religious laws that criminalise their embodiments and the strategies they deploy to achieve self determination and self actualisation

despite being perceived as aberrant and sinful This book demonstrates how negotiations with constitutive elements such as gender identity social interaction citizenship legality bodily struggle medical transitioning and personal spiritual validation condition the becomings of Malaysian trans men Mobilizing Gay Singapore Lynette J Chua,2014-04-04 For decades Singapore's gay activists have sought equality and justice in a state where law is used to stifle basic civil and political liberties In her groundbreaking book Mobilizing Gay Singapore Lynette Chua asks what does a social movement look like in an authoritarian state She takes an expansive view of the gay movement to examine its emergence development strategies and tactics as well as the roles of law and rights in social processes Chua tells this important story using in depth interviews with gay activists observations of the movement's activities including Pink Dot events where thousands of Singaporeans gather in annual celebrations of gay pride movement documents government statements and media reports She shows how activists deploy pragmatic resistance to gain visibility and support tackle political norms that suppress dissent and deal with police harassment while avoiding direct confrontations with the law Mobilizing Gay Singapore also addresses how these brave locally engaged citizens come out into the open as gay activists and expand and diversify their efforts in the global queer political movement
