## **Gay And Lesbian Educators Personal Freedoms Public Constraints:**

**Gay and Lesbian Educators** Maren M. Harbeck, Karen M Harbeck Ph D, 1997-01-01 Gay lesbian bisexual John Briggs led in California the Oklahoma law against the employment of GLBT educators in state public schools Walt Whitman Margaret Fuller Amos Bronson Alcott Horatio Alger other prominent Americans are profiled in the early GLBT educator chapters while the newly found research on the Communist witch hunts in Florida public schools during the late 1950s highlights the traditional views of homosexuality the consequences of being gay or lesbian in American society Recent advancements in minority rights are balanced against a discussion of emergent Far Right backlash efforts to control the ideology politics of American society This interdisciplinary analysis of gay lesbian issues in education is required reading for anyone wishing to understand the current political social struggles over personal freedoms public constraints **Gay and Lesbian Educators** Karen Marie Harbeck, 1997 Combines legal and political analysis with field research and historical information in a campaign for civil and human rights in education Jacket **Coming Out of the Classroom Closet** Karen M Harbeck, 2014-03-05 This landmark book empowers educators to become visible positive influences and role models for gay and lesbian students in their classrooms and schools As most homosexual educators and even students remain invisible due to possible hostilities of coming out this eye opening book presents recent research to help gay and lesbian teachers break their silence It encourages them to speak out on issues of homosexuality where curricula civil rights personal freedoms and social entitlements are concerned It promotes the development of school based intervention for gay lesbian and bisexual students While the controversy over education and homosexuality is one of the most personally threatening in this nation s history the timely research presented in Coming Out of the Classroom Closet will hearten gay and lesbian educators to continue to strive for fair treatment as peers and for equal representation in educational materials Pointing to reports of greater social support and legal protection than is assumed by most in the educational system this book should be required reading for all persons concerned about continuing to provide high quality education at all levels college and university secondary and even elementary Chapters of Coming Out of the Classroom Closet look closely at many issues surrounding the issue of homosexuality in schools including a history of treatment of gay and lesbian educators and their legal rights effects of internalized homophobia on homosexual educators gay and lesbian student s perceptions of their counselors and teachers ability to understand and help beliefs lack of knowledge and lack of training of counselors and teachers about the needs of gay and lesbian youth images of gays and lesbians in sexuality and health textbooks important AIDS education and the issue of homophobia **Sexual Orientation and School Policy** Ian K. Macgillivray, 2004-10-26 This book helps the reader to understand and mediate the debates that arise when gay lesbian bisexual transgendered intersex and queer questioning GLBTIQ students and their families ask for equal treatment from the schools and are opposed by conservative parents Sexual Orientation and School Policy is a case study of one school districts attempt to adopt and implement policies that include

sexual orientation This book describes the work of the Safe Schools Coalition who advocate and educate for equal rights for GLBTIQ students Concerned Citizens a group of conservative parents opposed the inclusion of sexual orientation in the policies The author highlights the factors that either facilitated or impeded the implementation of the policies as well as the strategies employed by the Safe Schools Coalition in educating opponents Handbook of Education Politics and Policy Bruce S. Cooper, James G. Cibulka, Lance D. Fusarelli, 2008-06-30 Written by a mix of established and rising stars in school politics policy law finance and reform this comprehensive Handbook provides a three part framework that helps organize this relatively new and loosely organized field of study A central theme running through the book is how to harness politics to school equity and improvement Key features include Thematic Discussions detailed discussions of key topics in educational politics are organized by themes and competing perspectives The overarching themes are 1 the goals of the U S political system justice equity opportunity efficiency and choice 2 the means and resources for reaching these goals and 3 the political behaviors and compromises that seek to mitigate ideological differences and conflicts of interest Research Oriented in addition to summarizing the latest research connected to key topics each chapter exemplifies and reports on the methods and techniques for further exploration of these topics Reform Oriented throughout the book and especially in the summarizing chapter authors provide suggestions for improving the political behaviors of key educational groups and individuals unions superintendents politicians school boards teachers and parents **School's Out** Cati Connell, 2014-11-24 How do gay and lesbian teachers negotiate their professional and sexual identities at work given that these identities are constructed as mutually exclusive even as mutually opposed Using interviews and other ethnographic materials from Texas and California School s Out explores how teachers struggle to create a classroom persona that balances who they are and what s expected of them in a climate of pervasive homophobia Catherine Connell s examination of the tension between the rhetoric of gay pride and the professional ethic of discretion insightfully connects and considers complicating factors from local law and politics to gender privilege She also describes how racialized discourses of homophobia thwart challenges to sexual injustices in schools Written with ethnographic verve School s Out is essential reading for specialists and students of queer studies gender studies and educational politics Hidden Sexualities of South African Teachers Thabo Msibi, 2018-01-17 South Africa remains a global leader in the legislative protection of individuals who engage in same sex relations and is the only country in Africa where the rights of these individuals are explicitly recognized and protected by the constitution Yet South Africa s identities are still contested and evolving particularly for same sex desiring teachers many are forced to locate their sexualities privately for fear of being ostracized bullied or losing their jobs resulting in the miseducation of young people in schools This volume reveals the various ways in which black South African male teachers construct their sexual and professional identities how they accommodate structural dictates while simultaneously resisting them and the effect this has on students Presenting the day to day experiences of eight same sex desiring teachers within

repressive contexts this volume challenges the Western origins and assumptions of queer theory particularly its inability to confront communal forms of social organizing and its focus on individual agency It asks for more socially responsive theorizing that takes into account the role played by location race class gender and sexual identification within South African and international contexts     Creating Safe and Supportive Learning Environments Emily S. Fisher, Karen

Komosa-Hawkins, 2013-04-17 Drawing on the expertise of researchers and practitioners Creating Safe and Supportive Learning Environments provides a comprehensive examination of the topics most relevant for school professionals

*Radicalizing Educational Leadership* Ira Bogotch, Floyd Beachum, Jackie Blount, Jeffrey Brooks, Fenwick English, 2008-01-01 What you will find inside this provocative text It should come as no surprise as the collection of papers in this book show that we are up against it Killing those we despise has become normative in the political minds of both the powerful and the marginalised Framing those who are weakest as the architects of their own disgusting state it has become commonsense in all societies rich and poor Any counter hegemonic project that seeks to rethink social justice and reframe educational leadership is without question confronting the enormous power of ordinariness the commonsense about power inequality and violence Jonathan Jansen By virtue of an institutionalized hegemony the formal scales of social justice are informally tipped in favor of the haves leaving the have nots at a distinct disadvantage and often powerless and defenseless to effect change for themselves or others How do these critical perspectives change our vision of public schools and of educational leadership Suddenly new dynamics emerge race matters gender matters sexual orientation matters ethnicity matters class matters power matters money matters agency matters etc Jeffrey Brooks Historical research is one important way that individuals can heighten their awareness of their own conditions It can inspire understanding that compels social justice leadership on account of one's status It can assist potential allies in learning how their own lived experiences of oppression might translate to persons experiencing subjugation along other social dimensions It can accomplish these ends by provoking us to ask better questions to understand larger patterns more deeply and to find inspiration in the infinitely varied stories of human frailty and courage Jackie Blount To illustrate social injustice we have to look backwards But our graduates are not going to work in the past So it isn't enough to work to undo socially unjust practices The more complex question surrounding making social justice a thematic anchor and connector of an educational leadership program is the requirement to create within a theoretical framework in which the effects of a curriculum can be empirically assessed and which can serve as an holistic and heuristic model by which graduate students can engage in a gestalt view approach to leading schools and school systems in very different directions than before Fenwick English     Activist Educators Catherine Marshall, Amy L. Anderson, 2008-10 Activist Educators offers a view of assertive idealistic professionals' lives by presenting rich qualitative data on the impetus behind their activism and the strategies they used to push limits in fighting for a cause

*Schools as Imagined Communities* S. Dorn, B. Shircliffe, D. Cobb-Roberts, 2006-02-06 Government forces mean the notion

of a community school has become less defined by decisions on core curriculum This collection explores the extent to which collective notions of school community relations have prevented citizens from speaking openly about the tensions created where schools are imagined as communities

*Queer Man on Campus* Patrick Dilley, 2013-11-12 This book reveals the inadequacy of a unified gay identity in studying the lives of queer college men Instead seven types of identities are discernible in the lives of non heterosexual college males as the author shows

**Masked Voices** Craig M. Loftin, 2012-04-01 An analysis of unpublished letters to the first American gay magazine reveals the agency adaptation and resistance occurring in the gay community during the McCarthy era
