Gay Detective 1st Edition:

The Publishers' Circular and Booksellers' Record ,1925 **Cop Cop** Mac Muir,Greg Finch,2025-04-29 In the vein of *Evicted* and *Locking Up Our Own* comes a seminal work that delves deep behind the Thin Blue Line of policing and police misconduct to demonstrate what really goes on when you try to hold the police accountable How often do you think about the police Who do you think of Columbo Chief Wiggum Derek Chauvin Do you think of just one officer or do you think of the police as an institution From movies and television to everyday life a police presence looms over most conflict Today we know this to be most true for Black Americans for whom the suspense of policing is constant And too often the argument over dinner devolves into a 9 1 1 call blue and red lights and possibly a door rammed open Some of us are watched by the police and others are chased But if there was a defining feature of the 2020 protests over the murder of George Floyd it was the collective confusion about how we got to this point Policing it seemed had become as ahistorical as it was brutal Despite fragmented coverage about police unions militarization and systemic racism America remained hazy on the details of what cops had been doing all along There is a Blue Wall and ways to get behind it The authors of this book Anon 1 and Anon 2 are senior investigators of a government agency tasked with policing the police in New York City They re our eyes on the inside and this book will take us into their world COP COP follows the web of real cases that the authors investigated over several years inside the Civilian Complaint Review Board As they investigate everything from offensive language and chokeholds to shootings the larger investigation builds into their argument for six simple solutions to fix American policing Readers will come away with a new vantage point as well as the tools of an investigator By combining their unique perspectives as police misconduct investigators with a synthesized history of policing this book offers newfound insights into what policing really looks like what the problems are and what practical steps are necessary to create a criminal justice system that is truly just

unsolvable cases In this fascinating in depth narrative Stacy Horn uses her unprecedented access to the NYPD Cold Case Squad to immerse herself into four unsolved murder cases cases going back as far as 1951 investigated by three indefatigable Cold Case detectives Each detective uses his own contacts informants and resources and sifts through decades old evidence searching for new leads looking for what others missed and uncovering any possible connections These Cold Case detectives are on a constant hunt for the needle in the haystack and Stacy Horn puts you there every step of the way From the grisly circumstances and desperate reconstructions of the crimes through the endless legwork the scientific advances that don t always yield hoped for answers and the harrowing politics and tangled history of the storied NYPD Horn depicts the drama of each case and lays out the puzzle as seen through the eyes of the detectives At once contemplative and energetic *The Restless Sleep* is a completely addictive fly on the wall story of a subculture of crime solving and of the people who must beat the odds to offer a final resolution for the unavenged *First Queer Voices from Thailand* Peter A.

Jackson,2016-03-01 This is a fully revised and substantially expanded edition of Peter Jackson s highly regarded pioneering study of an Asian gay culture *Male Homosexuality in Thailand* 1989 The hero of Jackson s fascinating narrative is Uncle Go which was the pen name of a popular magazine editor who despite being avowedly heterosexual was tolerant of all sexual practices and whose agony uncle columns in the 1970s provided unique spaces in the national press for Thailand s gays lesbians and transgenders kathoey to speak for themselves in the public domain By allowing the voices of alternative sexualities to be heard Uncle Go emerged as Thailand s first champion of gender equality and sexual rights Peter Jackson translates and analyses selected correspondence published in Uncle Go s advice columns preserving and presenting important primary sources In this new edition Jackson has expanded his coverage to include not only letters from Thai gay men but also those from lesbians and transgenders thus capturing the full diversity of Thailand s modern queer cultures at a key moment in their historical development when new understandings of sexual identities were first communicated to the wider community How wonderful to see this classic volume printed in a new expanded edition for the 21st century When first published the figure of Uncle Go became an instant and unique voice in Thai sexuality studies Peter Jackson s contributions here are huge and foundational Gilbert Herdt San Francisco State University If Thailand is now well known for its unique milieu of sex and gender diversity it is in large part due to Peter Jackson s writings *First Queer Voices from Thailand* offers a rare archive of non normative sexualities invaluable for anyone wishing to understand sexual modernity outside of the West Ara Wilson Duke University An amazing work Most valuable for this new edition is perhaps the way in which it documents changes in Jackson s thinking and in the field of sexuality studies over the last twenty years in response to the methodological challenges of queer and transgender scholarship Susan Stryker University of Arizona **Catalogue** Wells, Edgar H. & Co,1928 **Digitalization of Culture Through Technology** Deepanjali Mishra,Sasmita Rani
