cultural change Framed within a larger introduction to both Queer Theory and its history these reflections provide context for understanding the aging arc and experience of older gay men **Lesbian, Gay, Bisexual, and Transgender Aging**

Douglas C. Kimmel, 2006 This volume fills a unique gap Gerontologists seldom focus on special concerns of gay and lesbian older adults lesbian gay bisexual and transgender aging organizations rarely address issues of aging and the mental health field has demonstrated an ability to marginalize both aging and homosexuality This book lays out the state of knowledge with respect to lesbian gay bisexual and transgender aging physical health sexuality family ties victimization and legal and financial concerns The references at the end of individual chapters and the bibliographical material at the end of the book provide an invaluable resource For any gerontologist intrigued by the interplay of historical changes and individual aging it is difficult to imagine a more powerful example than Lesbian Gay Bisexual and Transgender Aging Evolution of attitudes toward homosexuality the emergence of HIV AIDS and legal protections beginning to be afforded to same sex relationships are all part of the changing world that has shaped and been shaped by lesbian gay bisexual and transgender individuals who are now old *Sociological Analysis of Aging* J. Michael Cruz, 2003 *Sociological Analysis of Aging* The Gay Male Perspective is an exploratory study of the life changes homosexual and bisexual men experience as they age This unique book presents in depth qualitative interviews with gay men aged 55 and older focusing on their physical mental and social needs More than one hundred men offer first hand perceptions on the unique problems they face with regards to employment retirement housing health and well being and relationships and how they function within or without a social support system *Sociological Analysis of Aging* fills in the gaps in the existing social science literature on homosexuals and aging updating findings that were inconclusive when first published and or based on case studies or limited samples While standard books on aging typically deal with the impact of life events such as child rearing the empty nest syndrome and grandparenting *Sociological Analysis of Aging* deals with the unique realities that gay men face in addition to the universal concerns of the elderly affordable health care affordable housing and adequate coverage for medication costs The study examines what can be done to assist successful aging for sexual minorities particularly in the areas of social policy service delivery and public tolerance *Sociological Analysis of Aging* focuses on specific research questions Do aging gay men consider themselves to be physically healthy Do aging gay men suffer from depression Do aging gay men have access to social support networks What are the housing needs of the aging gay community present and future How involved are aging gay men with family friends church and community In addition the men interviewed were asked what if anything was left on a to do list what the best and worst aspects of aging are and what if anything they would change about the course their lives had taken Their answers make *Sociological Analysis of Aging* The Gay Male Perspective an essential resource for therapists counselors and social workers and for academics working in sociology psychology gerontology and gay studies Gay and Lesbian Aging Gilbert Herdt, Brian De Vries, 2003-11-17 The year 2003 marks the 30th anniversary of the landmark declassification of

homosexuality as a disease by the American Psychiatric Association a watershed in the lives of gays and lesbians in the United States For the first time in history a generation of self identified lesbians gay men bisexuals and transgender individuals are approaching retirement This volume brings to the forefront important issues concerning the health mental health and concomitant special social service needs of this population and emphasizes the need for more research on aging sexual minorities Based on empirical and qualitative research methods chapters focus on the myriad issues of aging for lesbians and gay men including Social and Cultural Considerations about HIV Among Midlife and Older Gay Men Psychological Well Being in Midlife Older Gay Men Well Being Among Middle Aged and Older Single Gay Men Lesbian Friendships at and Beyond Midlife Contributors include Judith Barker Jacqueline Weinstock Bertram Cohler and Doug Kimmel among others

Gay Midlife and Maturity John Alan Lee, 1991 Aging is stressful for anyone in youth oriented Western societies Elderly people encounter difficulties and discrimination sometimes because of reduced income transportation and housing problems and failing health but often due to the persistent negative stereotypes that color others attitudes and behavior toward old people Gay men and lesbians experience these stresses as well as the numerous additional problems associated with their sexual orientation Gay Midlife and Maturity is a dynamic and positive volume that challenges the long held stereotype of the sad and lonely old homosexual A growing body of international literature much of which is featured in this book rejects this myth and illustrates that older gay men and lesbians cope well with the aging process and are comparable to younger homosexuals in social and psychological adjustment A much needed and major contribution Gay Midlife and Maturity contains an enormous amount of information for readers interested in gerontology and homosexuality Experts for the first time examine the relationship between the adjustment of gay people to later life and the age and sequence of the resolution of these typically early developmental processes raising many questions about traditional theories of gay development The existing contradictions and debates about gay men and accelerated aging are addressed Other valuable chapters focus on a theory of successful aging a comparison of the traditional gay community pre Stonewall versus the organized gay community the vital role of communication in gay relationships the sexual attitudes and behaviors of older gay men and much more Additional interesting and worthwhile chapters of this thought provoking new book include an in depth interview with Don Bachardy about his 33 year relationship Christopher Isherwood a renowned English writer who was 30 years his senior and a review of the growing literature on gay aging
