## **Gay Men At Midlife:**

Gay Men at Midlife John Dececco, PhD, Alan L. Ellis, 2014-01-09 Those of us in our forties and fifties came of age in the 1960s and 1970s a time when the available commentary on gay life was anything but supportive Until 1973 homosexuality was a diagnosable mental illness from the Introduction by Alan L. Ellis Today that literary blindness is being remedied Take an in depth look into the lives of 15 gay men and how they relate to their own aging with *Gay Men at Midlife Age Before Beauty* a fascinating new book that explores and clarifies the issues that confront gay men as they age What happens to gay men's lives when they reach middle age The essays in *Gay Men at Midlife Age Before Beauty* offer a realistic picture of both the challenges and the joys that present themselves in the lives of gay men at midlife The book does not gloss over the difficulties of the experience you will truly come to understand that each gay man is not alone in confronting the pain and mourning that may accompany middle age The people who frankly openly and intelligently discuss their personal lives in *Gay Men at Midlife Age Before Beauty* include psychotherapist popular columnist Tom Moon San Francisco California professor of philosophy and literature Alejandro Medina Bermudez Madrid Spain television executive George Pierson Bethesda Maryland multimedia artist Trevor Southey born in the country now known as Zimbabwe currently working in San Francisco activist researcher Frank Wong New York plus 10 more individuals from varying backgrounds *Gay Men at Midlife Age Before Beauty* provides a look at how these individuals are redefining the stereotypes of aging gay men and empowering themselves to find meaning and purpose in the second half of their lives

**Are You Ready?** Rik Isensee, 2020-04-28 Bombarded with youthful images in both gay and mainstream media many gay men approach midlife with a sense of foreboding *Are You Ready* counters common stereotypes about aging in the gay community In lively discussions with ten gay men it describes positive aspects of midlife and how to deal more effectively with the changes and challenges that commonly take place at this time of life Some of the topics include physical and sexual changes loss and mortality impact of midlife on gay relationships and dating at midlife Authenticity generativity equanimity and a sense of meaning are some of the positive aspects many of the men discovered as they entered this phase of life The last chapter compares gay men at midlife with the trickster figure in traditional cultures and shows how many gay men meet midlife challenges with wisdom healing and humor

*Gay Midlife and Maturity* John Alan Lee, 1991 Aging is stressful for anyone in youth oriented Western societies Elderly people encounter difficulties and discrimination sometimes because of reduced income transportation and housing problems and failing health but often due to the persistent negative stereotypes that color others attitudes and behavior toward old people Gay men and lesbians experience these stresses as well as the numerous additional problems associated with their sexual orientation *Gay Midlife and Maturity* is a dynamic and positive volume that challenges the long held stereotype of the sad and lonely old homosexual A growing body of international literature much of which is featured in this book rejects this myth and illustrates that older gay men and lesbians cope well with the aging process and are comparable to younger homosexuals in social and

psychological adjustment A much needed and major contribution Gay Midlife and Maturity contains an enormous amount of information for readers interested in gerontology and homosexuality Experts for the first time examine the relationship between the adjustment of gay people to later life and the age and sequence of the resolution of these typically early developmental processes raising many questions about traditional theories of gay development The existing contradictions and debates about gay men and accelerated aging are addressed Other valuable chapters focus on a theory of successful aging a comparison of the traditional gay community pre Stonewall versus the organized gay community the vital role of communication in gay relationships the sexual attitudes and behaviors of older gay men and much more Additional interesting and worthwhile chapters of this thought provoking new book include an in depth interview with Don Bachardy about his 33 year relationship Christopher Isherwood a renowned English writer who was 30 years his senior and a review of the growing literature on gay aging
