**The Gay Past** Salvatore J. Licata, Robert P. Petersen, 1985 Fascinating reading on the plight of gay men and women through the ages The contributors to this compassionate book document how society has made life difficult and even dangerous for homosexual people Through narrative history as well as biography these essays trace the legal social and physical consequences of this oppression *The Gay Past* Salvatore Licata, Robert P Petersen, 2013-08-27 Fascinating reading on the plight of gay men and women through the ages The contributors to this compassionate book document how society has made life difficult and even dangerous for homosexual people Through narrative history as well as biography these essays trace the legal social and physical consequences of this oppression **The Gay Past** S. J. Licala, R. P. Peterson, 2014-06-03 Fascinating reading on the plight of gay men and women through the ages The contributors to this compassionate book document how society has made life difficult and even dangerous for homosexual people Through narrative history as well as biography these essays trace the legal social and physical consequences of this oppression

**Encyclopedia of Lesbian and Gay Histories and Cultures** Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future Political Gender Sally Ledger, Josephine McDonagh, Jane Spencer, 2014-07-10 In recent years feminist scholars through their insistence on the key role of gender in critical analysis have brought about a profound revitalization of literary and cultural studies This text draws together work by leading exponents in the field The essays explore the operations of gender in the production of knowledge and the formation of cultural representations in a wide variety of contexts from German romantic poetry to the literature of AIDS from Victorian ethnography to tabloid constructions of race All of the essays engage in problems of representation intervening in current debates in critical theory **LGBT Studies and Queer Theory** Karen Lovaas, 2013-05-13 Find out how the tension between LGBT studies and queer theory exists in the classroom politics communities and relationships LGBT Studies and Queer

Theory New Conflicts Collaborations and Contested Terrain examines the similarities and differences between LGBT studies and queer theory and the uneasy relationship between the two in the academic world This unique book meets the challenge that queer theory presents to the study and politics of gay and lesbian studies with a collection of essays from leading academics who represent a variety of disciplines These original pieces place queer theory in social and historical contexts exploring the implications for social psychology religious studies communications sociology philosophy film studies and women s studies The book s contributors address queer theory s connections to a wide range of issues including the development of capitalism the evolution of the gay and lesbian movement and the study of bisexuality and gender Many scholars working in gay and lesbian studies still question the intellectual and political value of queer theory As a result queer theory has often been concentrated in the humanities while gay and lesbian studies are concentrated in the social sciences and history But this has begun to change in the past 10 15 years as documented by the 12 essays presented in LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain includes historical notes on LGBT studies and queer theory some continuing tensions between LGBT studies and queer theory doubts about whether queer theory can lead to social change an analysis of the current state of proto fields of LGBT studies and queer studies in religion concerns that queer theory s erasure of identity feeds into late capitalism an analysis of variability in social psychologists studies of anti homosexual prejudice an exploration of the commodification of queer identities in independent cinema how and why the category of bisexuality has been marginalized a historical review and assessment of recent bisexual theory a case study of Provincetown Massachusetts an investigation of the interarticulation of race ethnicity and gender a case study of the struggle to introduce LGBT studies in the curriculum at West Chester University and much more LGBT Studies and Queer Theory New Conflicts Collaborations and Contested Terrain is an essential read for researchers academics and practitioners involved in exploring multifaceted aspects of LGBT Studies and Queer Theory and their points of convergence and divergence

*Queer Fictions of the Past* Scott Bravmann, 1997-10-09 In *Queer Fictions of the Past* Scott Bravmann explores the complexity of lesbian and gay engagement with history and considers how historical discourses animate the present Characterising historical representations as dynamic conversations between then and now he demonstrates their powerful role in constructing present identities differences politics and communities In particular his is the first book to explore the ways in which lesbians and gay men have used history to define themselves as social cultural and political subjects

*A History of Homosexuality in Europe, Vol. I & II* Florence Tamagne, 2006 Just crawling out from under the Victorian blanket Europe was devastated by a gruesome war that consumed the flower of its youth Tamagne examines the currents of nostalgia and yearning euphoria rebellion and exploration in the post war era and the b

*Sodomy in Reformation Germany and Switzerland, 1400-1600* Helmut Puff, 2003-06 During the late Middle Ages a considerable number of men in Germany and Switzerland were executed for

committing sodomy Even in the seventeenth century simply speaking of the act was cause for censorship Here in the first history of sodomy in these countries Helmut Puff argues that accusations of sodomy during this era were actually crucial to the success of the Protestant Reformation Drawing on both literary and historical evidence Puff shows that speakers of German associated sodomy with Italy and increasingly Catholicism As the Reformation gained momentum the formerly unspeakable crime of sodomy gained a voice as Martin Luther and others deployed accusations of sodomy to discredit the upper ranks of the Church and to create a sense of community among Protestant believers During the sixteenth century reactions against this defamatory rhetoric and fear that mere mention of sodomy would incite sinful acts combined to repress even court cases of sodomy Written with precision and meticulously researched this revealing study will interest historians of gender sexuality and religion as well as scholars of medieval and early modern history and culture

**Reconceiving the Renaissance** Ewan Fernie, 2005-03-31 The last two decades have transformed the field of Renaissance studies and Reconceiving the Renaissance A Critical Reader maps this difficult terrain Attending to the breadth of fresh approaches the volume offers a theoretical overview of current thinking about the period Collecting in one volume the classic and cutting edge statements which define early modern scholarship as it is now practised this book is a one stop indispensable resource for undergraduates and beginning postgraduates alike Through a rich array of arguments by the world's leading experts the Renaissance emerges wonderfully invigorated while the suggestive shorter extracts topical questions and engaged editorial introductions give students the wherewithal and encouragement to do some reconceiving themselves

Who's Who in Gay and Lesbian History Robert Aldrich, Garry Wotherspoon, 2020-10-07 Who's Who in Gay and Lesbian History From Antiquity to the Mid Twentieth Century is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid twentieth century Among those included are Classical heroes Achilles Aeneas Ganymede Literary giants Sappho Christopher Marlowe Arthur Rimbaud Oscar Wilde Royalty and politicians Edward II King James I Horace Walpole Michel de Montaigne Over the course of some 500 entries expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages

**Body Talk** Jane M. Ussher, 1997 Psychology has traditionally examined human experience from a realist perspective focusing on observable facts This is especially so in areas of psychology which focus on the body such as sexuality madness or reproduction In contrast many sociologists anthropologists and feminists have focused exclusively on the cultural and communicative aspects of the body treating it purely as an object constructed within socio cultural discourse This new collection of sophisticated discursive analyses explores this divide from a variety of theoretical standpoints including psychoanalysis social representations theory feminist theory critical realism post structuralism and social constructionism Body Talk reconciles the divide by putting forward a new materialist discursive approach It also provides an introduction to social constructionist and discursive approaches which is accessible to those with limited previous knowledge of socio linguistic theory and showcases the distinctive contribution that

Beginning from the First People through the influx of European settlers and the slave trade from Africa to the modern era this book presents and discusses documents that reflect pivotal moments in the LGBT rights movement in North America While most would think of the modern Gay Rights Movement as beginning in the 1960s in reality the issue of nonheterosexual human behavior within society and the campaign to achieve equality and acceptance have existed far earlier Beginning with the First People in the Americas and their acceptance of tribal members who did not conform to gender and sexual binary roles to the expansion west and establishment of the United States as a Republic to the contentious struggles for equality in the 20th and 21st centuries this reference traces the development of the Gay Rights Movement through the examination of primary source materials related to the incremental changes toward making America safe for all people These documents enable readers to reflect on pivotal moments in the LGBT rights and sexual equality movement in the past up to the achievement of marriage equality A modern chronology traces key events in the Gay Rights Movement across the last 70 years such as those during the World War II era the formation of the Mattachine Society in Los Angeles in the 1950s to the Stonewall Riot in New York in the late 1960s the elimination of the category of homosexuality as a mental disorder in 1973 the judgment in 2003 by the U S Supreme Court that laws criminalizing sodomy are unconstitutional and the legalization of same sex marriage in all U S states in 2015

*Homosexuality in Modern France* Jeffrey Merrick, Bryant T. Ragan Jr., 1996-08-15 This volume explores the realities and representations of same sex sexuality in France in the eighteenth nineteenth and twentieth centuries the period that witnessed the emergence of homosexuality in the modern sense of the word Based on archival research and textual analysis the articles examine the development of homosexual subcultures and illustrate the ways in which philosophes pamphleteers police novelists scientists and politicians conceptualized same sex relations and connected them with more general concerns about order and disorder The contributors Elizabeth Colwill Michael David Sibal Victoria Thompson William Peniston Vernon Rosario II Francesca Canade Sautman Martha Hanna Robert A Nye and the editors Bryant T Ragan Jr and Jeffrey

Merrick use the methods of intellectual and cultural history the history of science literary studies legal and social history and microhistory This collection shows how the subject of homosexuality is related to important topics in French history the Enlightenment the revolutionary tradition social discipline positivism elite and popular culture nationalism feminism and the construction of identity Given the role of gays and lesbians in modern French culture and the work of French scholars on the history of sexuality this collection fills an important gap in the literature and represents the first attempt in any language to explore this subject over three centuries from a variety of perspectives **Stepchildren of Nature** Harry

Oosterhuis,2000-12 In this new cultural history Harry Oosterhuis invites us to reconsider the quality and extent of Krafft Ebing s influence Revisiting the case studies on which Krafft Ebing based his findings and thus drawing on the voices of his patients and informants Oosterhuis finds that Krafft Ebing was not the harsh judge of perversions that we think he was
