Gay Sunshine Interviews

Allen Ginsberg

Gay Sunshine Interviews:

Gay Sunshine Interviews, 1978 **Gay Sunshine Interview** Allen Ginsberg, Allen Young, 1976 Conversations with Christopher Isherwood Christopher Isherwood, 2001 To many readers Christopher Isherwood means Berlin The author of *Goodbye to Berlin* 1939 the British Isherwood found fame through the adaptation of that work into the stage play and film *I Am a Camera* and then into the stage musical and film *Cabaret* Throughout his career he was a keen observer always seemingly in the right place at the right time Whether in Berlin in the 1930s or in Los Angeles in the 1960s and 1970s Isherwood 1904-86 reflected on his life and his world and wrote perceptive commentary on contemporary European and American history and culture His ties to California made him more American than British I have spent half my life in the United States he said Los Angeles is a great place for feeling at home because everybody's from someplace else Isherwood can be credited for helping make L A an acceptable setting for serious fiction paving the way for John Rechy Joan Didion Paul Monette and Bernard Cooper among others The interviews in this volume two of which have never before been published stretch over a period of forty years They address a wide range of topics including the importance of diary keeping to his life and work the interplay between fiction and autobiography his turning from Christianity to Hinduism his circle of friends including W H Auden Aldous Huxley and E M Forster several important places in his life Berlin England and California and his homosexual identity These interviews are substantive smart and insightful allowing the author to discuss his approach to writing of both fiction and nonfiction More and more he explains writing is appearing to me as a kind of self analysis a finding out of something about myself and about the past and about what life is like as far as I'm concerned who I am who these people are what it's all about This emphasis on self discovery comes as no surprise from a writer who mined his own diaries and experiences for inspiration As an interviewee Isherwood is introspective thoughtful and humorous James J Berg is the program director for the Center for Teaching and Learning Minnesota State Colleges and Universities Chris Freeman is an assistant professor of English at St John's University Berg and Freeman are editors of *The Isherwood Century Essays on the Life and Work of Christopher Isherwood* which was a finalist for the 2001 Lambda Literary Award for Gay Studies

Gay Sunshine Interview with Allen Young Allen Ginsberg, 1978 **Gentlemen Callers** Michael Paller, 2005-04-16 Publisher Description Routledge Revivals: Homosexuality: A Research Guide (1987) Wayne R. Dynes, 2017-02-17 First published in 1987 this book encompasses a broad range interdisciplinary research into homosexuality displaying a full spectrum of points of view and given that the major traditions of modern homosexual research began in Europe is not restricted to works in English In general topics that are densely covered in the literature are presented in this guide selectively with some less studied topics such as Economics and Music fleshed out with signposts to more comprehensive research It seeks to not only mirror existing publications but also to stimulate new work by pinpointing neglected themes and methods This book will be of interest to students of sociology **Sexual Dissidence** Jonathan Dollimore, 2018-09-19 Why is

homosexuality socially marginal yet symbolically central Why in other words is it so strangely integral to the very societies which obsessively denounce it and why is it history history rather than human nature which has produced this paradoxical position These are just some of the questions explored in this wide ranging study of sexual dissidence which returns to the early modern period in order to focus question and develop issues of postmodernity In the process it brilliantly links writers as diverse as Shakespeare Gide Wilde and Genet and cultural critics as different as St Augustine Freud Fanon Foucault and Monique Wittig So Freud s theory of perversion is discovered to be more challenging than either his critics or his advocates usually allow especially when approached via the earlier period s archetypal perverts the religious heretic and the wayward woman Satan and Eve The book further shows how the literature histories and sub cultures of sexual and gender dissidence prove remarkably illuminating for current debates in literary theory psychoanalysis and cultural materialism It includes chapters on transgression and its containment contemporary theories of sexual difference homophobia the gay sensibility transvestite literature in the culture and theatre of Renaissance England homosexuality and race *Dharma Lion* Michael Schumacher,2016-07-15 With the sweep of an epic novel Michael Schumacher tells the story of Allen Ginsberg and his times with fascinating portraits of Jack Kerouac Neal Cassady and William Burroughs among others along with many rarely seen photographs *Chicano/Latino Homoerotic Identities* David William Foster,1999 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company **Toward Stonewall** Nicholas C. Edsall,2006 As recently as the 1970s gay and lesbian history was a relatively unexplored field for serious scholars The past quarter century however has seen enormous growth in gay and lesbian studies The literature is now voluminous it is also widely scattered and not always easily accessible In *Toward Stonewall* Nicholas Edsall provides a much needed synthesis drawing upon both scholarly and popular writings to chart the development of homosexual subcultures in the modern era and the uneasy place they have occupied in Western society Edsall s survey begins three hundred years ago in northwestern Europe when homosexual subcultures recognizably similar to those of our own era began to emerge and it follows their surprisingly diverse paths through the Enlightenment to the early nineteenth century The book then turns to the Victorian era tracing the development of articulate and self aware homosexual subcultures With a greater sense of identity and organization came new forms of resistance this was the age that saw the persecution of Oscar Wilde among others as well as the medical establishment s labeling of homosexuality as a sign of degeneracy The book s final section locates the foundations of present day gay sub cultures in a succession of twentieth century scenes and events in pre Nazi Germany in the lesbian world of interwar Paris in the law reforms of 1960s England culminating in the emergence of popular movements in the postwar United States Rather than examining these groups in isolation the book considers them in their social contexts and as comparable to other subordinate groups and minority movements In the process *Toward Stonewall* illuminates not only the subcultures that are its primary subject but the larger societies from which they emerged **The Book of Sodom** Paul Hallam,1993 The biblical story of the

destruction of Sodom has inspired countless literary visions The city has elicited writing from Milton Sade Proust Dostoevsky and Tournier among others This work contains an anthology of Sodom texts spanning several centuries Paul Hallam has also provided his own reading of these languages of prejudice obsession and desire in an extensive essay [The Dark End of the Street](#) Maria Damon,1993

Derek Jarman Tony Peake,2000 Biography of the outrageous and controversial filmmaker painter and gardener [Derek Jarman: The Authorised Biography](#) Tony Peake,2025-03-20 Tony Peake enjoyed unprecedented access to the visionary artist s archives in order to bring the extraordinary life of Derek Jarman to the page This authorised and unique biography covers Jarman s story from the bleakness of post war Britain and his RAF childhood to student life at The Slade and his work as a designer painter and filmmaker It tells how energetic home filmmaking with dazzling friends led to distinctive feature films including *Sebastiane* *The Tempest* and *Caravaggio* There were collaborations with the likes of Sir John Gielgud and Tilda Swinton and Jarman was also at the forefront of popular culture producing distinctive music videos for Pet Shop Boys and The Smiths Alongside his art and a significant body of writing Jarman created a singular garden in the shingle surrounding Prospect Cottage at Dungeness in Kent which has become a site of memorial celebration and pilgrimage He became known as an impassioned and provocative spokesperson not only for gay men but for anyone oppressed by bigotry Derek Jarman died of AIDS related causes in February 1994 and Peake describes his inimitable courage and grace in the face of painful death and the legacies Jarman left behind With new contributions from Olivia Laing and Jon Savage

Sexual Authenticity Melinda Selmys,2009-04-06 Real glimpses into the hearts and lives of other people are rare Columnist and author Melinda Selmys gives readers an unusual opportunity to explore the topic of homosexuality and the Catholic Faith from a fresh sincere perspective Her intensely personal reflections help clarify the misconceptions that have hindered meaningful dialogue between Catholics and homosexuals Transcending stereotypes and avoiding platitudes she speaks directly to every Christian who has experienced same sex attraction or knows someone who has In addition to her personal story of exchanging secular lesbianism for Catholicism and resolving her own inner conflicts the author presents an enlightening analysis of history social theory and media influence on the subject of homosexuality She refutes much of the clumsy theorizing and junk science common to both sides of the debate effectively bridging gaps between perception and reality Selmys addresses the complexities surrounding sexual identity with pronounced compassion adding a practical discussion of the Theology of the Body to complete the circle from a Catholic perspective This groundbreaking book expertly walks the fine line between divisiveness and platitudes a must read for everyone who has ever felt ambiguous about the Church s stance on homosexuality

Law and Sexuality in Tennessee Williams's America Jacqueline O'Connor,2016-05-31 Gender and cultural studies readings of Tennessee Williams s work have provided diverse perspectives on his complex representations of sexuality whether of himself as an openly gay man or of his characters many of whom narrate or dramatize sexual attitudes or behavior that cross heteronormative boundaries of the mid century period Several of

these studies have positioned Williams and his work amid the public tensions in American life over roughly four decades from 1940 1980 as notions of equality and freedom of choice challenged prejudice and repression in law and in society To date however neither Williams s homosexuality nor his persistent representations of sexual transgressions have been examined as legal matters that challenged the rule of law Directed by legal history and informed by multiple strands of Williams s studies criticism textual and cultural this book explores the interplay of select topics defined and debated in law s texts with those same topics in Williams s personal and imaginative texts By tracing the obscure and the transparent representations of homosexuality specifically and diverse sexualities more generally through selected stories and plays the book charts the intersections between Williams s literature and the laws that governed the period His imaginative works backlit by his personal documents and historical and legal records from the period underscore his preoccupation with depictions of diverse sexualities throughout his career His use of legal language and its varied effects on his texts demonstrate his work s multiple and complex intersection with major twentieth century concerns including significant legal and cultural dialogues about identity formation intimacy privacy and difference

Henry Cowell, Bohemian Michael Hicks,2002 Hicks focuses on Cowell s formative and most prolific years from his birth in 1897 through his incarceration on a morals conviction in the 1930s The author also examines the philosophical fervor that drove Cowell s whirlwind compositions and tracks the ways the composer s irrepressible bohemian spirit helped foster an appreciation in the United States and Europe for a new brand of American music **BOOK JACKET**

Aging Moderns Scott Herring,2022-12-13 What happens when the avant garde grows old Examining a group of writers and artists who continued the modernist experiment into later life Scott Herring reveals how their radical artistic principles set out a new path for creative aging *Aging Moderns* provides portraits of writers and artists who sought out or employed unconventional methods and collaborations up until the early twenty first century Herring finds Djuna Barnes performing the principles of high modernism not only in poetry but also in pharmacy orders and grocery lists In mystery novels featuring Gertrude Stein and Alice B Toklas along with modernist souvenir collections the gay writer Samuel Steward elaborated a queer theory of aging and challenged gay male ageism The Harlem Renaissance dancer Mabel Hampton dispelled stereotypes about aging through her queer of color performances at the Lesbian Herstory Archives Herring explores Ivan Albright s magic realist portraits of elders Tillie Olsen s writings on the aging female worker and the surrealistic works made by Charles Henri Ford and his caregiver Indra Bahadur Tamang at the Dakota apartment building in New York City Showcasing previously unpublished experimental art and writing this deeply interdisciplinary book unites new modernist studies American studies disability studies and critical age studies *Aging Moderns* rethinks assumptions about literary creativity the depiction of old age and the boundaries of modernism

Between You and Me Gavin Butt,2005-09-20 A reconsideration of queer American art culture of the mid twentieth century

Male Sex Work and Society Victor Minichiello,John Scott,2014-09-02 This new collection explores for the first time male sex work from a rich array of

perspectives and disciplines It aims to help enrich the ways in which we view both male sex work as a field of commerce and male sex workers themselves Leading contributors examine the field both historically and cross culturally from fields including public health sociology psychology social services history filmography economics mental health criminal justice geography and migration studies and more Synthesizing introductions by the editors help the reader understand the implications of the findings and conclusions for scholars practitioners students and members of the interested concerned public
