Gay What You Should Know About Homosexuality:

Gay Morton M. Hunt,1979 Defines homosexuality and examines its various forms and manifestations **What Everyone Should Know about Homosexuality** Tim LaHaye,1980 LaHaye takes a critical look at the homosexual explosion and offers significant insights making this a must read for every Christian home **Homosexual Characters in YA Novels** Allan A. Cuseo,1992-03 Analyzes homosexual characters from YA novels published between 1969 and 1982 aiming to assess their literary quality and determine if their image of homosexual characters is negative Homosexuality, the Bible, the Truth Wayne Gray,2012-10-31 God is not the author of hate nor is He the author of ignorance His love truly lived brings peace His wisdom generates knowledge of truth and His grace leads us to end our bigotries and embrace unity in His name Let wars end let hatreds end let ignorance end May Gods truth set us free This book is about the truth The big business purveyors of bigotry who make money keeping us divided against one another will do everything they can to destroy this book I prayerfully ask you to read it and spread the truth The Bible does NOT condemn homosexuality and the anti homosexual lie invented by man has brought enough pain It must end *Homosexuality Bibliography* William Parker,1985 To find more information about Rowman and Littlefield titles please visit www.rowmanlittlefield.com *What Every Person Should Know About War* Chris Hedges,2007-11-01 Acclaimed New York Times journalist and author Chris Hedges offers a critical and fascinating lesson in the dangerous realities of our age a stark look at the effects of war on combatants Utterly lacking in rhetoric or dogma this manual relies instead on bare fact frank description and a spare question and answer format Hedges allows U S military documentation of the brutalizing physical and psychological consequences of combat to speak for itself Hedges poses dozens of questions that young soldiers might ask about combat and then answers them by quoting from medical and psychological studies What are my chances of being wounded or killed if we go to war What does it feel like to get shot What do artillery shells do to you What is the most painful way to get wounded Will I be afraid What could happen to me in a nuclear attack What does it feel like to kill someone Can I withstand torture What are the long term consequences of combat stress What will happen to my body after I die This profound and devastating portrayal of the horrors to which we subject our armed forces stands as a ringing indictment of the glorification of war and the concealment of its barbarity

Homosexual Behaviour in Animals Volker Sommer,Paul L. Vasey,2006-07-27 Behavioural observations from both the field and captivity indicate that same sex sexual interactions are widespread throughout the animal kingdom and occur quite frequently in certain non human species Proximate studies of these phenomena have yielded important insights into genetic hormonal and neural correlates In contrast there has been a relative paucity of research on the evolutionary aspects Homosexual Behaviour in Animals seeks to readdress this imbalance by exploring animal same sex sexual behaviour from an evolutionary perspective Contributions focus on animals that routinely engage in homosexual behaviour and include birds dolphin deer bison and cats as well as monkey and apes such as macaques gorillas and bonobos A final chapter looks at

human primates This book will appeal to graduate students and researchers in evolutionary biology biological anthropology zoology evolutionary psychology animal behaviour and anyone interested in the current state of knowledge in this area of behavioural studies

Dear Abby, I'm Gay Andrew E. Stoner, 2021-07-13 What role did America's newspaper advice columnists play in shaping and forming societal attitudes toward LGBTQ people throughout the 20th century They served the dual function of offering advice and satisfying the curious They also often provided the first mention of homosexuality outside of newspaper crime blotters More than 100 million readers regularly read the columns This book chronicles some of the most popular and widely circulated newspaper columns between the 1930s and 2000 including Ann Landers Dear Abby Helen Help Us Dr Joyce Brothers The Worry Clinic Dear Meg Ask Beth and Savage Love It examines the function of these columns regarding the place of LGBTQ people in America and what role they played in forming a public opinion From these columns we learn not only the framework of how straight Americans understood their homosexual brethren but also how attitudes and feelings continued to evolve

The Quest for the Inner Human Steven H. Propp,2013-12-03 Psychology means the study of the soul it is the social science concerned with investigating who we are why we have certain feelings and why we do the things we do Are we no more than a vast assembly of nerve cells and their associated molecules Is biology our genetic inheritance destiny or does social upbringing play a crucial role What are the roles played by Nature and by Nurture Are we purely physical beings or is there an aspect that can be called spiritual This thought provoking novel takes you on a journey of intellectual and emotional exploration considering along the way questions that weve all asked ourselves such as Is it true that we only use 10% of our brains Does playing classical music for infants increase their intelligence Do crime rates go up during a full moon Can hypnosis or post hypnotic suggestions make us do something we wouldnt normally do Does subliminal advertising influence us to buy products Are our memories stored indelibly almost like a tape recorder What causes memory lapses as we age Can repressed traumatic memories be recovered through hypnosis Do some people have multiple personalities How can I tell if someone has a neurosis or a psychosis Do men have an inner feminine side and women an inner masculine Are there innate psychological differences between males and females The four main characters in this book will guide you through a diverse and sometimes bewildering world of differing approaches to answering such questions such as Freudian Jungian and Adlerian Humanistic Existential and Transpersonal as well as Cognitive Emotive and Behaviorist Along the way you will learn

about the developmental stages proposed by psychologists such as Erikson Kohlberg Piaget and Fowler and even explore some of the questions currently being asked by both neuroscientists and philosophers of the mind Start reading to begin your study of our innermost selves

Linguistic Dimensions of Sexual Normativity Heiko Motschenbacher,2022-02-09 This book advances the theorization of normativity as a key concept in language and sexuality studies bringing together some of the author s previous work with new material for a comprehensive exploration of the influence of normativity on the relationship between language and sexuality The first section of the book outlines fundamental areas of inquiry in language and sexuality studies today with a focus on queer linguistic inquiry and elucidates the book s theoretical frameworks around normativity Chapters in the section reflect on the ways in which normativity shapes sexuality related language how language is employed to convey sexual normativities and queer linguistic challenges for the use of research methods in the discipline through a discussion of their implementation in corpus linguistics The second part of the book builds on these theoretical foundations by featuring seven case studies that illustrate a diverse range of methods and language data with a concluding chapter considering the implications of their findings for furthering theoretical debates and future research on normativity in language and sexuality studies This volume will be of interest to scholars in language and sexuality language and gender sociolinguistics discourse analysis applied linguistics and corpus linguistics

Treatment Interventions in Human Sexuality Carol Nadelson,2012-12-06 Despite much progress in the past ten years American medical schools have woefully inadequate sex education curricula While some have a reasonable amount of lecture time few have clinical opportunities for students to develop practical skills in working with patients who are struggling with sexual problems It is my impression that the same is true in medical and gynecological residencies as well as in graduate schools of psychology counseling and social work This book was specifically written to help fill that gap This is a book for clinicians and it will provide a wealth of practical clinical knowledge and skills in dealing with the gamut of patient s sexual concerns problems and dilemmas Twenty four experts have contributed eighteen chapters which address both the common and unusual sexual issues encountered in practice These include sexual concerns from childhood to old age gender identity and sexual preference sexual dysfunction including that of the physically ill and disabled counseling with students premarital marital and divorced patients fertility and infertility and chap ters dealing with rape incest and other sexual contacts between adults and children Of particular importance are chapters on human sexuality in American minority popula tions a chapter on alcohol medication and other drugs and a chapter on medical management of sexual problems in the gay population a subject long ignored by the profession The focus on practical intervention and skill development is amplified by the concluding four appendixes devoted to patient management problems
