# Gay Religion

**Melissa M. Wilcox**

## **Gay Religion:**

God vs. Gay? Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible's teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one **Gay**

**Religion** Scott Thumma, Edward R. Gray, 2004-12-10 Conflicts over homosexuality and gay rights threaten to break apart denominations if not North American society These heated theological and political debates have as well obscured the fact that many gays and lesbians are religiously active individuals Gay Religion is the first book to give a straightforward presentation of the spiritual lives practices and expressions of gays lesbians bisexuals and transgender Drawing from a wide range of religious traditions new and established scholars explore the range of gay religious expression in denominations sects and even outside recognized religious institutions The essays ask what these religious innovations mean to the continually evolving religious environment of North America With its helpful section introductions and an appendix providing profiles of organizations involved Gay Religion is a unique and compelling resource for anyone interested in homosexuality and American religion **Coming Out in Christianity** Melissa M. Wilcox, 2003-10-03 For many Christians homosexuality is an issue that is often presented as a matter of us straight Christians versus them or worse as an isolated behavior that is a questions of behavior somehow not an intrinsic part of the identities of gays and lesbians Discussion of the issue has become so heated that it threatens to create a yawning chasm within several mainline denominations This book examines this conflict from the perspective of a group of lesbian gay bisexual and transgendered Christians It explores the life histories of these individuals and their current beliefs cultural backgrounds and community influences to determine what helped each forge an identity as both gay and Christian **Homosexuality and Religion** Richard L Hasbany, 2013-12-19 Here is a comprehensive historical overview of the recent discussion in the Judeo Christian religions regarding homosexuality Breaking new ground in the scholarship about Judeo Christian religion and homosexuality this wide ranging volume features insightful new perspectives on the relationship between the church and homosexuals Aimed at scholars religious professionals

counselors and therapists Homosexuality and Religion provides valuable information on both historical and contemporary religious thought and life and homosexuality Some of the provocative topics include gay and lesbian clergy psychological pastoral counseling for lesbians and gay men and the church and homophobia *Can You Be Gay and Christian?* Michael L. Brown, 2014 Gay and Christian will provide solid biblical answers clearly written and based on sound scholarship in a compassionate way that causes the reader to wrestle with the issues and discover the biblical truth

**Law, Religion and Homosexuality** Paul Johnson, Robert Vanderbeck, 2014-05-09 Law Religion and Homosexuality is the first book length study of how religion has shaped and continues to shape legislation that regulates the lives of gay men and lesbians Through a systematic examination of how religious discourse influences the making of law in the form of official interventions made by faith communities and organizations as well as by expressions of faith by individual legislators the authors argue that religion continues to be central to both enabling and restricting the development of sexual orientation equality Whilst some claim that faith has been marginalized in the legislative processes of contemporary western societies Johnson and Vanderbeck show the significant impact of religion in a number of substantive legal areas relating to sexual orientation including same sex sexual relations family life civil partnership and same sex marriage equality in employment and the provision of goods and services hate speech regulation and education Law Religion and Homosexuality demonstrates the dynamic interplay between law and religion in respect of homosexuality and will be of considerable interest to a wide audience of academics policy makers and stakeholders

The Gay Faith M. W. Sphero, 2011-05-23 Sphero explains that the Old Testament does not prohibit homosexuality furthermore that Sodom and Gomorrah had nothing whatsoever to do with homosexuality but rather with inhospitality pride and a society's blood thirst for violence Christ said that some people were meant to be born as gay or lesbian he blessed a gay relationship between a Roman Centurion and his lover and he spoke boldly against any form of homophobia

*The Oxford Handbook of Religion and Race in American History* Kathryn Gin Lum, Paul Harvey, 2018-03-01 In The Oxford Handbook of Religion and Race in American History thirty six scholars investigate the complex interdependencies of religion and race through American history The volume covers the religious experience social realities theologies and sociologies of racialized groups in American religious history as well as the ways that religion contributed to and challenged their racialization

**Religion and LGBTQ Sexualities** Stephen Hunt, 2016-12-05 This compiled and edited collection engages with a theme which is increasingly attracting scholarly attention namely religion and LGBTQ sexuality Each section of the volume provides perspectives to understanding academic discourse and wide ranging debates around LGBTQ sexualities and religion and spirituality The collection also draws attention to aspects of religiosity that shape the lived experiences of LGBTQ people and shows how sexual orientation forges dimensions of faith and spirituality Taken together the essays represent an exploration of contestations around sexual diversity in the major religions the search of sexual minorities for spiritual safe spaces in both established and new forms of religiosity and spiritual paths

formed in reconciling and expressing faith and sexual orientation This collection which features contributions from a number of disciplines including sociology anthropology psychology history religious studies and theology provides an indispensable teaching resource for educators and students in an era when LGBTQ topics are increasingly finding their way onto numerous undergraduate post graduate and profession orientated programmes [The Palgrave Handbook of Queer and Trans Studies in Religion](#) Melissa M. Wilcox, 2025-09-26 This Handbook is a first of its kind high quality reference resource guiding readers through the burgeoning fields of queer and trans studies in religion and pointing them toward the newest directions these fields are taking or should take The chapters cover both theoretical and methodological considerations and also highlight the histories perspectives and ongoing activism of queer and trans people in a wide array of religious contexts Written by a team of both established senior scholars and emerging scholars all working on the leading edges of the field and edited by a senior scholar who also authored the first ever introduction to the field this handbook aims to play a role in defining queer and trans studies in religion for years to come [Research in the Social Scientific Study of Religion, Volume 25](#), 2014-06-05 The 25th volume of Research in the Social Scientific Study of Religion continues to provide readers with an interdisciplinary assortment of high quality research studies aimed at capturing salient contemporary trends in the field The current volume presents a special section examining the role of spiritual and religious themes in sexuality research Engaging analyses evaluate homonegativity and how religious advocacy influences perceptions of gay and lesbian individuals across different cultures Also included are papers on the development of sexual identities among religious committed individuals These papers help to connect concepts too frequently considered unrelated The regular articles provide similarly stimulating evaluations of timely topics such as religious coping gratitude and the role of personality in describing religious experiences The contributors are John K Anarfi Alexandra M Anderson Ana Luiza Vilela Borges Gina M Brelsford Marian Burchardt Zhuo Chen Leslie J Francis Megan E Fulmer Luke Gahan Shiva Geranmayepour Nima Ghorbani Angela A Gyasi Gyamerah Marissa A Harrison Lynne Hillier Luiza Akiko Komura Hoga Tiffany Jones Elizabeth A Maynard Eduardo Ocampo Sarah Jane Page Priscilla Evelyn Penteado Alexandria Heysquierdo Posada Mandy Robbins Juliana Reale Ca apava Rodolpho Michael W Ross P J Watson Xu Xu George Yancey Andrew Kam Tuck Yip **Religion in Today's World** Melissa M. Wilcox, 2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective **Research in the Social Scientific Study of Religion, Volume 31** Ralph W.

Hood, Sariya Cheruvallil-Contractor, 2020-11-30 Volume 31 of Research in the Social Scientific Study of Religion A Diversity of Paradigms showcases two approaches to the socio scientific study of religion It includes a special section within which authors draw on data collected about congregational life in the Australian National Church Life Surveys from 1991 to present These studies give voice to minority groups and children While findings include the strengths of ethnic diversity and the positive experiences of young churchgoers they also highlight that full inclusion in local church life is far from being realized A second section explores the application of feminist approaches within the sociology of religion In their struggle for equality for women feminist scholars developed methodologies to challenge the marginality of any othered group This section showcases how use of these methods challenges hierarchies within knowledge *The Meaning of Gay* Todd J.

Ormsbee, 2012-07-10 Homosexual men in San Francisco had started the 1960s interacting mostly in private informal groups meeting in bars and house parties But by 1972 the city had a gay community and gay pride all celebrated with a parade Through numerous organizations and publications gay men created a counter publicity to fight against their domination and subordination and had begun to try to build a community that would foster deeper more meaningful relationships with each other The emergent counter publicity and community in turn created the social spaces necessary for gay men to create an expanding range of possible meanings for their gayness meanings that aligned more closely with their experiences and which better helped them meet their needs and desires The gayness they created could expand and contract depending on the needs and circumstances of the individual or group Rather than the typical story of the evolution from conservative to radical social movement The Meaning of Gay sees the development of gay politics as the shift from the need to establish a public facing gayness in the early 1960s to the community building efforts that began in the mid 1960s through the efforts to create a gayness based in authenticity brotherhood and revolution in the early 1970s Each of these developments flowed from gay men s responses to the swiftly changing San Francisco and American environment The dramatic explosion of possibilities for gayness that emerged during the 1960s may serve as a touchstone for those concerned with the problems of gay male life in the twenty first century This book traces these developments as they was recorded in the gay periodicals of the era and analyzes them from the perspective of John Dewey s theory of mind desire public valuation and democratic community

**Gay Believers** Emily Sanna, 2014-11-17 For centuries organized religion has been one of the main forces of prejudice and rejection of gay lesbian bisexual and transgender LGBT people But the fact is not all religious traditions are unfriendly to LGBT people and some old ways of reading the Bible are being re examined in new and welcoming ways While many LGBT people struggle with the conflicts of being both religious and gay many others are finding support and inclusion in religious communities that have entered the twenty first century committed to the full inclusion of LGBT people Learn about how the world s major religious traditions Christianity Judaism Islam Buddhism and Hinduism view homosexuality and how faithful LGBT people within these traditions deal with the issues they face Examine some of the reasons why some religious groups

continue to condemn homosexuality and reject LGBT people And discover that many religions have always had a place for gay and lesbian people in their communities and how others are working hard to create that place     Research in the Social Scientific Study of Religion, Volume 30 Ralph W. Hood,Sariya Cheruvallil-Contractor,2019-12-16 The 30th volume of Research in the Social Scientific Study of Religion consists of two special sections as well as two separate empirical studies on attachment and daily spiritual practices The first special section deals with the social scientific study of religion in Indonesia Indonesia is a predominantly Muslim country whose history and contemporary involvement in the study of religion is explored from both sociological and psychological perspectives The second special section is on the Pope Francis effect the challenges of modernization in the Catholic church and the global impact of Pope Francis While its focus is mainly on the Catholic religion the internal dynamics and geopolitics explored apply more broadly     **Religion, Spirituality, and Masculinity** Anthony Isacco,Jay C. Wade,2019-04-25 Religion Spirituality and Masculinity provides concrete practical suggestions for mental health professionals Drawing from decades of clinical experience working with men and interdisciplinary insights from psychology sociology religion and more the authors explore some of the most salient aspects of men s mental and spiritual health Chapters focus on topics such as men s relationships to religion and to masculinity shame and forgiveness and concerns such as pornography use and drifting between religious affiliations In addition to relevant theory and research each chapter includes a case study and clear science informed strategies that can be incorporated into everyday practice in ways that improve men s health and wellbeing     Sex, Religion, Media Dane S. Claussen,2002-10-16 Each chapter in this unique volume explores intersections of sex religion and media in our society An interdisciplinary cast of contributors examines a wide variety of themes including entertainment producers roles in disseminating sexual and religious content news coverage of stories about sex and religion religious conservatives efforts to influence media coverage of sex and values and how religious consumers are influenced by and react to sexual content in media     **Religion and Difference** Trygve Wyller,Daria Pezzoli-Olgiati,Stefanie Knauss,Hans-Günter Heimbrock,Hans-Joachim Sander,Carla Danani,2019-11-11 In democracies of advanced plurality religion is a contested and powerful part of public discussions and practices Today religious difference is articulated and negotiated controversially in interaction with other spheres of society While there are clear tendencies of increasing polarization we also encounter moments of acknowledgement and appreciation of plurality Facing these complexities and challenges of our time this volume scrutinizes contested practices where religious difference matters Committed to an interdisciplinary exchange between theology the study of religion and political philosophy this volume is grounded in the attention for concrete practices and phenomena as well as the conviction that difference is both a productive concept and an enriching experience Exploring practices of shared places sexuality justice and the commitment to the human being in education migration and violent conflicts the volume as a whole contributes to the analysis of contested social and political practices in order to investigate the significance and role of

religion in contemporary societies and thus it further develops theoretical reflection about religion in contemporary research

**Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report
