## **Gay Spirit Myth And Meaning:**

*Gay Spirit* Mark Thompson, 2005 This now classic volume has been widely hailed by the Lambda Book Report as among the 100 gay books that changed our lives In its deft weave of anthropology history and sexual politics it provides illuminating insight for all students of gender and religious studies

**Gay Spirit** Mark Thompson, 1987-01-01 *Gay Spirit* the psychic and creative energies generated by people we now call gay has always existed on the outer shores of our culture s collective consciousness In the past gay people were labeled heretics perversions of nature or categorized pseudo scientifically Gay people lived on the edge of the global village or worked within its mainstream in denial and disguise But today that spirit has re emerged and lives among us This book of essays explores the possibilities of that spirit suggesting ways in which gay people might find a place and purpose in human culture unique to themselves departing with the questions asked nearly forty years ago by the Mattachine Society Who are we Where have we come from Why are we here

*Gay Spirit : Myth and Meaning* Mark Thompson, 2000

*Homosexual Characters in YA Novels* Allan A. Cuseo, 1992-03 Analyzes homosexual characters from YA novels published between 1969 and 1982 aiming to assess their literary quality and determine if their image of homosexual characters is negative

**City of Friends** Simon LeVay, Elisabeth Nonas, 1995 *City of Friends* offers a practical intelligent and well informed overview of what it means to be gay or lesbian The authors seek to help gay men and women as well as their families and friends to better understand the institutions and communities that make up the most culturally and ethnically diverse minority in America today Beginning with basic concepts LeVay and Nonas define the words homosexual gay lesbian and bisexual and discuss the various patterns of homosexuality in different cultures around the world They relate the history of the gay and lesbian community in the United States and its struggle for equal rights and social acceptance before tackling the question still highly controversial of what determines an individual s sexual orientation *City of Friends* describes the great diversity within the gay and lesbian community Life in the gay ghetto Old lesbians in rural hideaways Gay resorts A town without men Gay and lesbian Latinos African Americans Asian Americans and Native Americans what it means to be a minority within a minority Lesbian and gay youth the elderly the deaf Bisexuals and transsexuals Academics drag queens technoqueers publishers softball players all make their appearance in these pages LeVay and Nonas continue with a discussion of health issues especially of the AIDS epidemic and the community s response to it the law and gay and lesbian politics They describe the cultural achievements of lesbians and gay men their art literature theater music and dance Finally they take a look at the spiritual life of gays and lesbians both within and outside of organized religion

*The Transgender Studies Reader* Susan Stryker, Stephen Whittle, 2013-10-18 *Transgender studies* is the latest area of academic inquiry to grow out of the exciting nexus of queer theory feminist studies and the history of sexuality Because transpeople challenge our most fundamental assumptions about the relationship between bodies desire and identity the field is both fascinating and contentious *The Transgender Studies Reader* puts between two covers fifty influential texts

with new introductions by the editors that taken together document the evolution of transgender studies in the English speaking world By bringing together the voices and experience of transgender individuals doctors psychologists and academically based theorists this volume will be a foundational text for the transgender community transgender studies and related queer theory *Sexual Identities, Queer Politics* Mark Blasius,2021-02-09 In this collection political and public policy analysts explore the social concerns of lesbians gays bisexuals and the transgendered what has come to be known as lgbt or queer politics Compared to the humanities and to other social sciences political science has been slow to address this phenomenon Issues ranging from housing to adoption to laws on sodomy however have increasingly raised important political questions about the rights and status of sexual minorities particularly within liberal democracies such as the United States and also on an international level This anthology offers the first comprehensive overview of the study of lgbt politics in political science across the discipline s main subfields and methodologies and it spotlights lgbt movements in several regions around the world Focusing on the politics of sexuality with regard to the politics of knowledge the book presents a discussion of power that will interest all political scientists and others concerned with minority rights and gender as well as with transformation in the relations between public and private The articles cover such topics as lgbt power in urban politics the impact of public opinion on lgbt life means of effecting legal and political change in the United States and international differences in lgbt political activism The authors represent a new cadre of political scientists who are creating an interdisciplinary domain of research that is informed by and in turn generates political activism They are Dennis Altman M V Lee Badgett Robert W Bailey Mark Blasius Cathy J Cohen Timothy E Cook Paisley Currah Juanita D az Cotto Jan Willem Duyvendak Leonard Harris Bevin Hartnett Rosalind Pollack Petchesky David Rayside Rebecca Mae Salokar and Alan S Yang

New Religions and Spiritualities Stephen Hunt,2017-03-02 Since the 1960s a fresh wave of new religions and what has come to be termed spiritualities have been evident on a global scale This volume in The Library of Essays on Sexuality and Religion focuses on these new religions and their often contentious attitudes towards human sexuality Part 1 through previously published articles provides instances of affirming orientations of the new religions towards sexuality This entails scrutinising examples of innovative religion from a historical perspective as well as those of a more contemporary nature Part 2 examines with pertinent illustrations the controversial character of new religions in their cultist forms and matters of sexual control and abuse Part 3 considers sexuality as articulated through paganism the occult and esotericism in the postmodern setting Part 4 examines both hetero and non hetero expressions of sexuality through the so called New Spiritualities Quasi religions and the more hidden forms of religiosity **Unrepentant, Self-Affirming, Practicing** Gary David Comstock,2002-06-14 Praise for Unrepentant For open minded religious leaders there are nuggets of enlightenment in this ecumenical array Publishers Weekly Surprisingly readable as well as informative San Francisco Chronicle A significant body of knowledge Theology Today Publishers catalogues are full of books on the church s view of homosexuality Comstock

here offers gay views of the church Given the often hostile environment he asks why gay people stay in religious institutions Using social scientific methods he summarizes thirty six surveys of gay attitudes toward religious communities including Jewish Buddhist Muslim and Native American traditions He adds data from his survey of gay people in two mainline Protestant denominations Religious Studies Review Explores how each religions accepts half accepts or rejects gays and lesbians and how they themselves feel about their religion The book is also filled with personal stories of how spiritual people who discovered they are homosexual came out within their community and their congregation and how they feel about the central figures and tenets of their belief Gatherings With its succinct accessible language and rich collection of empirical research findings on lesbian gay peoples Unrepentant Self Affirming Practicing would be an excellent addition to academic libraries and could be appropriately used as well in an undergraduate religion or sociology classroom Journal for Scientific Study of Religion

Faeries, Bears, and Leathermen Peter Hennen, 2008-11-15 Over time male homosexuality and effeminacy have become indelibly associated sometimes even synonymous In Faeries Bears and Leathermen Peter Hennen contends that this stigma of effeminacy exerts a powerful influence on gay subcultures Through a comparative ethnographic analysis of three communities Hennen explores the surprising ways that conventional masculinity is being collectively challenged subverted or perpetuated in contemporary gay male culture Hennen s colorful study focuses on a trio of groups the Radical Faeries who parody effeminacy by playfully embracing it donning prom dresses and glitter the Bears who strive to appear like regular guys and celebrate their larger hairier bodies and the Leathermen who emulate hypermasculine biker culture simultaneously paying homage to and undermining notions of manliness Along with a historical analysis of the association between effeminacy and homosexuality Hennen examines how this connection affects the groups sexual practices Ultimately he argues while all three groups adopt innovative approaches to gender issues and sexual pleasure masculine norms continue to constrain members of each community

**Silver Lake Bohemia: A History** Michael Locke and Vincent Brook, 2016 Since the early 1900s Silver Lake has been a magnet for iconoclastic writers architects and political activists Famed architect Frank Lloyd Wright who designed the Hollyhock House for socialist and oil heiress Aline Barnsdall drew a wave of visionary modernists to the area Local civil rights advocate Loren Miller spearheaded the fight against housing discrimination Silver Lake s Black Cat bar and Harry Hay s Mattachine Society were central to the early gay rights movement Literary artists Anis Nin and James Leo Herlihy made the neighborhood their home as did other notables like first lady of baseball Effa Manley and Hobo Millionaire James Eads How Michael Locke and Vincent Brook chronicle these and other people and places that helped make Silver Lake the bohemian epicenter of Los Angeles

**Another Country** Scott Herring, 2010-06-01 The metropolis has been the near exclusive focus of queer scholars and queer cultures in America Asking us to look beyond the cities on the coasts Scott Herring draws a new map tracking how rural queers have responded to this myopic mindset Interweaving a wide range of disciplines art media literature performance and fashion studies he develops an extended critique of how metronormativity saturates LGBTQ politics artwork and criticism To counter this ideal he offers a vibrant theory of queer anti urbanism that refuses to dismiss the rural as a cultural backwater Impassioned and provocative Another Country expands the possibilities of queer studies beyond its city limits Herring leads his readers from faeries in the rural Midwest to photographs of white supremacists in the deep South from Roland Barthes's obsession with Parisian fashion to a graphic memoir by Alison Bechdel set in the Appalachian Mountains and from cubist paintings in Lancaster County to lesbian separatist communes on the northern California coast The result is an entirely original account of how queer studies can and should get to another country **The Zuni**

**Man-woman** Will Roscoe, 1991 The life of We wha 1849-96 the Zuni who was perhaps the most famous berdache an individual who combined the work and traits of both men and women in American Indian history **Religion and LGBTQ**

**Sexualities** Stephen Hunt, 2016-12-05 This compiled and edited collection engages with a theme which is increasingly attracting scholarly attention namely religion and LGBTQ sexuality Each section of the volume provides perspectives to understanding academic discourse and wide ranging debates around LGBTQ sexualities and religion and spirituality The collection also draws attention to aspects of religiosity that shape the lived experiences of LGBTQ people and shows how sexual orientation forges dimensions of faith and spirituality Taken together the essays represent an exploration of contestations around sexual diversity in the major religions the search of sexual minorities for spiritual safe spaces in both established and new forms of religiosity and spiritual paths formed in reconciling and expressing faith and sexual orientation This collection which features contributions from a number of disciplines including sociology anthropology psychology history religious studies and theology provides an indispensable teaching resource for educators and students in an era when LGBTQ topics are increasingly finding their way onto numerous undergraduate post graduate and profession orientated programmes **Global Perspectives on Nationalism** Debajyoti Biswas, Panos Eliopoulos, John C. Ryan, 2022-12-16 Global Perspectives on Nationalism takes an interdisciplinary approach informed by recent theorisations of nationalism to examine perennial questions on the topic The idea of nationalism centres on questions of ethnicity culture religion language and access to resources What determines consciousness of nationalism How is nationalism manifested shaped or countered through literary and cultural productions The contributors highlight topical areas in studies of nationalism including ecology natural resources sustainability globalisation the Anthropocene postcolonialism indigeneity folklore popular culture and queer theory They develop innovative perspectives on nationalism through in depth analyses of the theoretical political literary linguistic cultural and ecological dimensions of nationalism in Argentina Australia Bangladesh Bosnia and

Herzegovina China Germany Greece India Indonesia Lebanon Nepal Nigeria Poland Scotland Turkey the United States and elsewhere This volume underscores the importance of generative dialogue between disciplines in assessing the implications of nationalism for everyday life through five thematic sections I Ethnicity Ideology and Narration II Religion Identity and Heritage III Linguistics Tradition and Modernism IV Music Lyricism and Poetics and V Ecology Environment and Non Human Lives This book will be of particular value to students and researchers in philosophy literary studies and political theory with interests spanning ecology ethnicity folklore gender heritage identity linguistics nationalism nationhood religion and sexuality

**Torah Queeries** Gregg Drinkwater, Joshua Lesser, Judith Plaskow, David Shneer, 2009-10-01 A modernized queer reading of the Torah In the Jewish tradition reading of the Torah follows a calendar cycle with a specific portion assigned each week These weekly portions read aloud in synagogues around the world have been subject to interpretation and commentary for centuries Following on this ancient tradition Torah Queeries brings together some of the world's leading rabbis scholars and writers to interpret the Torah through a bent lens With commentaries on the fifty four weekly Torah portions and six major Jewish holidays the concise yet substantive writings collected here open stimulating new insights and highlight previously neglected perspectives This incredibly rich collection unites the voices of lesbian gay bisexual transgender and straight allied writers including some of the most central figures in contemporary American Judaism All bring to the table unique methods of reading and interpreting that allow the Torah to speak to modern concerns of sexuality identity gender and LGBT life Torah Queeries offers cultural critique social commentary and a vision of community transformation all done through biblical interpretation Written to engage readers draw them in and at times provoke them Torah Queeries examines topics as divergent as the Levitical sexual prohibitions the experience of the Exodus the rape of Dinah the life of Joseph and the ritual practices of the ancient Israelites Most powerfully the commentaries here chart a future of inclusion and social justice deeply rooted in the Jewish textual tradition A labor of intellectual rigor social justice and personal passions Torah Queeries is an exciting and important contribution to the project of democratizing Jewish communities and an essential guide to understanding the intersection of queerness and Jewishness *The Passionate Torah* Danya Ruttenberg, 2009-06 This collection of essays from Jewish scholars explores a broad range of fundamental questions in an effort to balance ancient tradition and modern sexuality Amongst other topics it looks at post modernism feminism and gay liberation discussing how subjects such as these have challenged time honoured traditions and ways of thinking *The Arena of Masculinity* Brian Pronger, 1992-05-15 Sports are perhaps the most visible expression of the ideals of masculinity in our society and figure as a training ground on which young boys are taught what it means to be a man Given the involvement of sports with masculinity the homosexual athlete becomes a paradox and the recent explosive growth of gay sporting leagues a puzzle Pronger explores the paradoxical position of the gay athlete in a straight sporting world examines the homoerotic undercurrent subliminally present in the masculine struggle of sports and explicates the growth of gay sports in

the framework of the developing gay culture

**The Story of Sexual Identity** Phillip L. Hammack, Bertram J.

Cohler, 2009-03-06 This book assembles a diverse group of scholars working within a new pathbreaking paradigm of sexual science fusing perspectives from history sociology and psychology The contributors are united in their commitment to the idea of narrative as central to the study of sexual identity offering an analytic approach to social science inquiry on sexual identity that restores the voices of sexual subjects The result is a rich examination of lives in context with an eye toward multiplicity and meaning across the life course Central to the chapters in this volume is the significance of history generation and narrative in the provision of a workable and meaningful configuration of identity
