Gays Justice A Study Of Ethics Society Law:

Gays/justice Richard D. Mohr, 1988 *The Advocate* **Gay and Lesbian Rights** Richard Peddicord, 1996 This book is unique in setting the question of homosexuality in its historical legal political and religious contexts in North America It is no longer possible in Catholic ethics to address sexual morality with a model of absolute moral norms immune from the ambiguities and complexities social justice issues introduce Peddicord looks at the personal and social sides of homosexuality and fairly examines all sides of the Roman Catholic response Lisa Sowle Cahill Boston College *The Prophetic Tradition and Radical Rhetoric in America* James Darsey, 1999-09-01 This expansive volume traces the rhetoric of reform across American history examining such pivotal periods as the American Revolution slavery McCarthyism and today's gay liberation movement At a time when social movements led by religious leaders from Louis Farrakhan to Pat Buchanan are playing a central role in American politics James Darsey connects this radical tradition with its prophetic roots Public discourse in the West is derived from the Greek principles of civility diplomacy compromise and negotiation On this model radical speech is often taken to be a symptom of social disorder Not so contends Darsey who argues that the rhetoric of reform in America represents the continuation of a tradition separate from the commonly accepted principles of the Greeks Though the links have gone unrecognized the American radical tradition stems not from Aristotle he maintains but from the prophets of the Hebrew Bible

Sexual Orientation and Transgender Issues in Organizations Thomas Köllen, 2016-04-25 Over the last decade workforce diversity has attracted much scientific attention Given the shortage of literature on issues related to homosexual bisexual and transgender employees compared to other facets of workforce diversity this book opens up new perspectives on this issue Emphasis is placed on the equal consideration of gay lesbian bisexual and transgender issues Thus the predominance of lesbian and gay issues in LGBT research and practice will be contrasted by an explicit consideration of the unique experiences stressors and related needs of bisexual and transgender employees Contributions provide deeper insights into the differing experiences the whole spectrum of LGBT employees make in the workplace in different national and occupational contexts Furthermore the collection offers contextualized insights for evaluating and conceptualizing organizational initiatives aiming at a higher level of inclusion for LGBT employees

Gay Rights, Military Wrongs Craig A. Rimmerman, 2013-10-15 First Published in 1996 From 1980 to 1990 nearly 17 000 service members were discharged from the military because of their homosexuality This book places the debate of homosexual military service in its historical theoretical and political context Timely and compelling with all the court options in the highly published cases of Col Margarette Cammermeyer *Gay Rights Military Wrongs* reports on the state of prejudice and discrimination facing today's homosexual military personnel and their prospects for future equality

Defiant Desire Edwin Cameron, Mark Gevisser, 2013-09-13 *Defiant Desire* records the lives of lesbian and gay South Africans of all races as they have lived in the face of censure denial and oppression The history of gay identity in South Africa is here in its past and present aspects from a

drag salon in Woodstock to a gay shebeen in kwaThema from a church in a Pretoria nightclub to Johannesburg's lesbian and gay pride march from Afrikaans love poetry to new activism The book is a document of lesbian and gay struggle and indispensable for those interested in the sexual politics coursing beneath the country's troubled passage to democracy

Public Sex/gay Space William Leap, 1999 Twelve essays provide a nuanced portrait of why public sexual activity is such an integral part of gay culture Contributors explore issues such as visibility and secrecy as well as economic status and social class and interrogate the historical trajectories through which certain locations come to be favored sites for sexual encounters

Acting Gay John M. Clum, 1992 Clum English and theater Duke U examines 20th century American and British plays that revolve around gay men including those by Noel Coward Arthur Miller Tennessee Williams Edward Albee Harold Pinter and Peter Shaffer He considers the representation of bodies and acts the closet dramas between 1930 and 1968 and recent works portraying a culture that has to do with more than sex Annotation Book News Inc Portland Ore

What's Wrong with Homosexuality? John Corvino, 2013-02-01 For the last twenty years John Corvino has traversed the country responding to moral and religious arguments against same sex relationships In this timely book he shares that experience both by addressing the standard objections and by offering insight into the culture wars more generally In the process he makes a fresh case for moral engagement forcefully rejecting the idea that morality is a private matter

AIDS and the Sexuality of Law J. Rollins, 2004-01-02 AIDS and the Sexuality of Law investigates the role that HIV AIDS has played in the legal construction of sexuality AIDS and its metaphors have been judicially enlisted to patrol the boundaries of heterosexuality producing flawed understandings of HIV AIDS and sexuality The proliferation of this flawed knowledge through judicial discourse has had a profound impact on the way sexuality is understood Even more fundamentally closer analysis exposes the ironic processes of the law whereby material reality ignorance and belief interact to replace unknowns with social facts The book concludes optimistically arguing that there is political value in uncertainty

Making Gay Okay Robert R. Reilly, 2015-09-05 Why are Americans being forced to consider homosexual acts as morally acceptable Why has the US Supreme Court discovered a constitutional right to same sex marriage which until a decade ago was unheard of in the history of Western or any other civilization Where has the gay rights movement come from and how has it so easily conquered America The answers are in the dynamics of the rationalization of sexual misbehavior The power of rationalization the means by which one mentally

transforms wrong into right drives the gay rights movement gives it its revolutionary character and makes its advocates indefatigable The homosexual cause moved naturally from a plea for tolerance to cultural conquest because the security of its rationalization requires universal acceptance In other words we all must say that the bad is good At stake in the rationalization of homosexual behavior is reality itself which is why it will have consequences that reach far beyond the issue at hand Already America's major institutions have been transformed its courts its schools its military its civic institutions and even its diplomacy The further institutionalization of homosexuality will mean the triumph of force over reason thus undermining the very foundations of the American Republic

The ^AOxford Handbook of Global LGBT and Sexual Diversity Politics Michael J. Bosia, Sandra M. McEvoy, Momin Rahman, 2020-03-02 Struggles for LGBT rights and the security of sexual and gender minorities are ongoing urgent concerns across the world For students scholars and activists who work on these and related issues this handbook provides a unique interdisciplinary resource Gender, Sexuality, Decolonization Ahonaa Roy, 2020-12-28 This book presents a new approach to the understanding of non normative sexuality and gender transgressive modes in South Asia and South Asian diaspora It reconceives sexual representation from the point of view of the theoretical political and empirical trajectories of decolonization provincialization and neoliberalism to look at the role of historical contingency postcolonial sexual politics and gender and sexual diversity The volume brings together anthropological historical material and political analyses around South Asian sexual politics by exploring a range of themes including culture class ethnicity identity intersectionality migration borders diaspora modernity and cosmopolitanism across various local regional and global contexts By using southern non Western and subaltern theorizations of gender and sexuality the book discusses South Asian sexualities through issues such as the sexual politics of indeterminacy sexual subculture iconography and political decision making religious identity queer South Asian diaspora decolonizing the postcolonial body sexual politics gender and feminist debates discrimination and socio political violence the political economy of empowerment and critical appropriation of the 377 Indian Penal Code It also builds forms of dialogues to bridge the gap between academic and development practitioners With diverse case studies and a fresh theoretical framework this book will be an essential read for scholars and researchers of South Asian studies gender studies sexuality studies sociology and social anthropology political studies diaspora studies postcolonial and global south studies *The Lavender Vote* Mark Hertzog, 1996-08 In this book the author describes the differences in demographics attitudes and voting behavior between self identified bisexuals and homosexuals and the rest of the voting population **The Constitution of Interests** John Brigham, 2000-07 Many of America's most important social and political movements abolition women's suffragette civil rights women's liberation gay and lesbian rights have organized in the shadow of the law All are based in their theoretical opposition to the law Yet at the same time they are dependent on the laws that prohibit them Law is thus formed as much through the dynamic tensions that govern how these laws are received as through their official decree Legal forms such as contracts property and rights also

constitute social and political life because they structure our world John Brigham here focuses on four ideological movements and their strategies among them the struggle over the closing of gay bathhouses in the early years of the AIDS crisis and the radical feminist use of rage and radical consciousness in anti pornography campaigns The effect of law on politics Brigham convincingly reveals is pervasive precisely because political life finds its expression in a surprising variety of legal forms

Training Professionals Who Work With Gays and Lesbians in Educational and Workplace Settings Hilda Besner, Charlotte I. Spungin, 2013-08-21 This manual was written for trainers both in the private and public sectors who are responsible for educating employees about gay and lesbian issues that directly or indirectly affect organizations in educational or workplace settings There are compelling reasons for addressing gay and lesbian issues in educational and workplace settings Many gays and lesbians are victims of prejudice discrimination and violent behavior that is motivated by fear misinformation and or lack of knowledge Unsafe environments in the educational and workplace environments can have negative effects on the productivity and creativity of personnel and interpersonal relationships

Encyclopedia of Lesbian and Gay Histories and Cultures George Haggerty, Bonnie Zimmerman, 2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public

Sex, Love, and Gender Helga Varden, 2020 Helga Varden rethinks Kant's work on human nature to make space for sex love and gender within his moral account of freedom She shows how Kant's philosophy provides us with resources to appreciate and value the diversity of human ways of loving and the existential importance of our embodied social selves

The End of Straight Supremacy Shannon Gilreath, 2011-09-19 Rooted in the politics and theories of early gay liberation and radical feminism Shannon Gilreath's *The End of Straight Supremacy* presents a cohesive theory of gay life under straight domination Beginning with a critique of formal equality law centering on the like straight demands of liberal equality theory as highlighted in *Lawrence v Texas* Gilreath moves to criticize the gay movement itself challenging the assimilation politics behind the movement's blithe acceptance of discrimination in the guise of free speech and pornography in the name of sexual liberation as well as same sex marriage and transsexuality as tools of straight hegemony Ultimately Gilreath rejects both the liberal demand for gay erasure in exchange for meager legal progress and the gay establishment agenda In *The End of Straight Supremacy* Gilreath calls gays and their allies to the difficult task of rethinking what liberation and equality really mean
