

1. Receptor 2. Sensory Neuron 3. Motor Neuron

1. The receptor detects the stimulus, which is a change in the environment
2. The receptor sends an impulse to along the sensory neurone
3. From the sensory neurone the impulse passes over a synapse to the relay neurone which is in the CNS
4. Then from the relay neurone the impulse passes over another synapse to the motor neurone
5. The motor neurone carries the impulse to the effector
6. The effector responds

The impulses are called **nerve impulses**

CNS

- The CNS is made up of the brain and spinal cord
- It is connected to the body by sensory and motor neurones
- It coordinates a response to the stimulus

Synapse

- It is the gap between neurones
- The impulses are chemically diffused across the synapses by chemicals called **neurotransmitters**

Reflexes

- They are rapid and automatic responses
- They do not involve the conscious part of the brain
- Reduce chance of injury

The Endocrine System

Nerves

- Very fast acting
- Act for a very short time
- Act on a very precise area

Hormones

- Slower acting
- Act for a long time
- Act in a more general way

Key words

Homeostasis - is the regulation of the conditions inside your body to maintain a stable internal environment

Negative feedback - is the body bringing the level of something that gets too high or too low back to normal

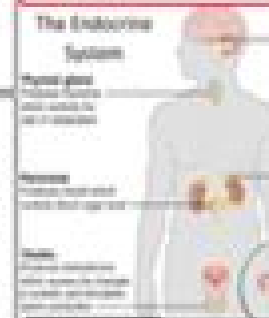

Hormones - are chemical molecules that are carried around the body and affect particular cells in particular organs, they control things in organs and cells that need constant adjustment

Glucose - A sugar found in the body

Insulin - A hormone that controls storage of glycogen in the liver

Glycogen - A store of carbohydrates found in the liver and muscles

Glucagon - A hormone that breaks down glycogen into glucose

The Endocrine System

Hormones travel through the bloodstream to target organs. Some hormones are made in the brain, some in the pituitary gland, and some in other parts of the body.

85 Homeostasis and Response

1) Day 0 - Fertilisation of ovum

2) Day 1-14 - Fertilisation builds up again ready to release a fertilised egg

3) Day 14-16 - Fertilised egg is released, this is called **ovulation**

4) Day 16-28 - Fertilised egg is ready to be fertilised again

Menstrual Cycle

The menstrual cycle is a series of changes in the body that prepares for pregnancy. It is controlled by hormones from the brain and the ovaries.

Controlling blood glucose concentration is monitored and controlled by the pancreas through negative feedback

Reaction time

Required Practice

1. The reflex action is a rapid response to a stimulus.
2. The reflex action is a rapid response to a stimulus.
3. The reflex action is a rapid response to a stimulus.
4. The reflex action is a rapid response to a stimulus.

Menstrual Cycle

The menstrual cycle is a series of changes in the body that prepares for pregnancy. It is controlled by hormones from the brain and the ovaries.

Menstrual Cycle

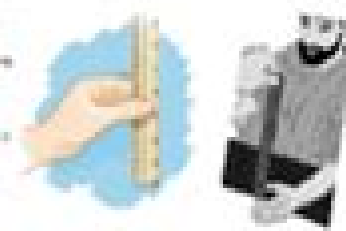

The menstrual cycle is a series of changes in the body that prepares for pregnancy. It is controlled by hormones from the brain and the ovaries.

FSH

- The hormone FSH is secreted by the pituitary gland
- FSH makes two things happen:
 - 1. It causes an egg to mature in an ovary
 - 2. It stimulates the release of oestrogen

Oestrogen

- The hormone oestrogen is secreted by the ovaries
- Oestrogen makes three things happen:
 - 1. Stops FSH being produced - so that only one egg matures
 - 2. It stimulates the release of LH
 - 3. Builds up the lining of the uterus

Calculation

- The cell contains oestrogen or progesterone to inhibit the production of more oestrogen, which in turn stops the release of progesterone (progesterone reduces fertility by building a thick layer of mucus which prevents sperm getting through)
- Controls the development of the female reproductive system
- Stimulates the development of the female reproductive system
- Stimulates the development of the female reproductive system
- Stimulates the development of the female reproductive system

1. The reflex action is a rapid response to a stimulus.
2. The reflex action is a rapid response to a stimulus.
3. The reflex action is a rapid response to a stimulus.
4. The reflex action is a rapid response to a stimulus.
5. The reflex action is a rapid response to a stimulus.
6. The reflex action is a rapid response to a stimulus.
7. The reflex action is a rapid response to a stimulus.
8. The reflex action is a rapid response to a stimulus.
9. The reflex action is a rapid response to a stimulus.
10. The reflex action is a rapid response to a stimulus.

Gcse Science Biology For Single Double

Gcse Science Biology For Single Double Introduction

Gcse Science Biology For Single Double Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Gcse Science Biology For Single Double Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Gcse Science Biology For Single Double : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Gcse Science Biology For Single Double : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Gcse Science Biology For Single Double Offers a diverse range of free eBooks across various genres. Gcse Science Biology For Single Double Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Gcse Science Biology For Single Double Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Gcse Science Biology For Single Double, especially related to Gcse Science Biology For Single Double, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Gcse Science Biology For Single Double, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Gcse Science Biology For Single Double books or magazines might include. Look for these in online stores or libraries. Remember that while Gcse Science Biology For Single Double, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Gcse Science Biology For Single Double eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Gcse Science Biology For Single Double full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Gcse Science Biology For Single Double eBooks, including some popular titles.

FAQs About Gcse Science Biology For Single Double Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Gcse Science Biology For Single Double is one of the best book in our library for free trial. We provide copy of Gcse Science Biology For Single Double in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Gcse Science Biology For Single Double. Where to download Gcse Science Biology For Single Double online for free? Are you looking for Gcse Science Biology For Single Double PDF? This is definitely going to save you time and cash in something you should think about.
