## **Good Kids Who Do Bad Things How To Help Your Kids Make Good Choices:**

**When Good Kids Make Bad Choices** Elyse Fitzpatrick, James Newheiser, Laura Hendrickson, 2005-03-01 There is perhaps no greater fear in a parent's heart than the thought that a much loved and well cared for child will make bad choices or even become a prodigal. What are parents to do in such circumstances? Authors Jim Newheiser and Elyse Fitzpatrick speak from years of personal experience as both parents and biblical counselors about how hurting parents can deal with the emotional trauma of when a child goes astray. They offer concrete hope and encouragement along with positive steps parents can take even in the most negative situations. Includes excellent advice from Dr. Laura Hendrickson regarding medicines commonly prescribed to problem children and offers questions parents can ask pediatricians before using behavioral medications. A heartfelt and practical guide for parents. Helping Your Kids Deal with Anger, Fear, and Sadness H. Norman Wright, 2005-03-01 No parent likes to see their child struggle especially with dark emotions like anger, fear, and depression. Family counselor and bestselling author Norm Wright addresses these emotional issues in a compassionate, family-friendly way that will help parents to communicate more freely with their children. Included in this parenting manual are conversational guidelines and learning activities for children that encourage them to work through these difficult emotions. Parents will gain keen insights into the cause of these intense moods and develop sound principles in dealing effectively with them. Biblically based and solution oriented. Helping Your Kids Deal with Anger, Fear, and Depression is a must-have for parents, Sunday school teachers, ministers, and family counselors. *Good Kids Gone Bad* Joseph F. Maxim, 2024-04-02 *Good Kids Gone Bad: Straight Talk from a Prodigal Who Came Home* focuses on themes of addiction, prevention, and recovery geared towards caregivers, parents, or individuals caring for those caught in the struggles of substance abuse. The text ties in practical and anecdotal stories along with how God can do the miraculous in helping to change and redeem lives caught in addiction. Author Joe Maxim has firsthand experience dealing with the darkness of addiction. Both he and his wife Chris have sought to help others recover from their personal battles through their organization Young Overcomers United (YOU). Maxim sees great benefit from sharing these prevention techniques. He testifies that having witnessed hundreds of situations and from walking with recovering addicts, I believe there are clear warning signs and actionable steps that can be taken long before recovery is necessary. For those who may require additional care, steps to recovery are available, and it's here that Maxim spends more time to better deal with this vital, difficult work. Maxim mentions, "All of the work I do in my ministry is in recovery." While you may not share my calling to help hundreds of young people recover from addictions, you may very well have an addict in your life who you long to see set free from the chains of addiction that bind them. This book from Joe Maxim is a passion project that will be a great aid in ministering to the souls, minds, and bodies of those dealing with addiction and the people that care for them.
