## **Good Mileage The Highperformance Busineb Philosophy Of Soichiro Honda:**

**Good Mileage** ,1996    **Good Mileage** Satoru Ōtsuki,Yōko Sakurai,1996    **The A to Z of Japanese Business** Stuart D. B. Picken,2009 Japanese industrial standards have long been the benchmark for quality products within Asia indeed within the world Major Japanese industries like Toyota Sony and Honda to name but a few are household names that have contributed to this small island nation s status as the world s second largest economy Japanese business practices and theories have permeated the mindset of its surrounding nations and the country s long term investment in the ever growing Chinese market has further secured its status as an economic powerhouse The A to Z of Japanese Business is an examination of the origins and characteristics of Japan s business culture This handy reference book includes most of the important words or company names that foreign business people visiting Japan might encounter and provides an overview of Japanese corporate culture both from an historical standpoint and with reference to its most distinctive features as they affect organization and management This is accomplished through its historical chronology detailing significant events of the past as well as recent developments within the Japanese economy and business world in general various appendixes offering lists of business expressions that are in daily use along with a selection of the most commonly used business proverbs a bibliography and hundreds of cross referenced dictionary entries on Japanese companies their founders and managers the ever present bureaucratic bodies and progress in the major industries    *Encyclopedia of Japanese Business and Management* Allan Bird,2005-10-18 The Encyclopedia of Japanese Business and Management is the definitive reference source for the exploration of Japanese business and management Reflecting the multidisciplinary nature of this field the Encyclopedia consolidates and contextualises the leading research and knowledge about the Japanese business system and Japanese management thought and practice It will be welcomed by scholar and student alike as an essential resource for teaching an invaluable companion to independent study and a solid starting point for wider exploration    *The 'No-Nonsense' Guide to Doing Business in Japan* J. Woronoff,2000-11-30 Jon Woronoff an acknowledged authority in Japanese economy and society provides insight into crucial aspects of doing business in Japan and advice on how to succeed in a very difficult market The book provides insight into crucial aspects of doing business in Japan and advice on how to succeed in a very difficult market It follows the process from initial contact to the first visit to the creation of a fully fledged operation in Japan Emphasis is placed on how to break into the distribution system set up a local company acquire an existing company recruit and manage Japanese personnel and co operate or compete with Japanese companies There are also tips on how to avoid common traps and pitfalls for the unwary investor    **On Effective Leadership** G. Chandler,2013-02-04 Using case studies from a wide range of fields and historical settings On Effective Leadership seeks to explain why some leaders are effective why many are not and why only a very few are exceptional    **Historical Dictionary of Japanese Business** Stuart D.B. Picken,2016-12-19 Japan although now listed as the world s third largest economy after that of the United States

and China has been too readily dismissed in the late 20th century as a spent force This is as unfortunate as it is incorrect for a number of reasons First while the Peoples Republic of China is indeed growing and its markets are expanding an enormous amount of the impetus for development as well as logistical support is coming from large numbers of Japanese corporations operating in the PRC Major Japanese enterprises such as Toyota Sony and Honda are already in China or are in the process of establishing a presence there The export of Japanese technology remains an important contribution to China's development The benchmark of product quality within Asia and in some areas beyond has been set by Japanese industrial standards This second edition of Historical Dictionary of Japanese Business contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 800 cross referenced entries on important personalities Japanese businesses politics and economy This book is an excellent access point for students researchers and anyone wanting to know more about Japanese Business

Strategic Thinking and Insights Teck Choon TEO,Kim Cheng Patrick LOW,2017-11-16 It is not just a book on Singapore companies and strategic thinking and insights but rather one that is applicable to anyone anywhere in any country The future is really in your hands it is up to you And indeed individuals must succeed getting ahead and companies must become or emulate to be excellent organizations The book tells you the answers to these questions What is adversarial thinking What is strategic thinking How do you set personal goals Why is goal setting so critical

The Changing Face of Japanese Management Keith Jackson,Miyuki Tomioka,2004 The practice and perceptions of Japanese management are undergoing fundamental change This book sets out to identify the essential currents of change and explain how and why these impinge on the experience of managers in Japan
