Tillman,2005-09-06 The Red Zone The last 20 yards from the opponent s goal line It s difficult to score there because the defending team can concentrate its efforts Likewise the offensive team has less area in which to maneuver It takes the focused and precise execution of all players doing their assigned tasks to advance the ball in the Red Zone and score In business and in every other area of life we encounter many Red Zones situations where the pressure is on and our wiggle room is limited It s there where we have to draw on preparation experience and strength of character if we hope to reach our objective We need a solid game plan and that s exactly what Scoring in the Red Zone provides Through personal anecdotes illustrations from sports and timeless wisdom Spencer Tillman challenges you and your team to win when the pressure is on
