

1 Corinthians 9:16 GW

If I spread the Good News, I have nothing to brag about because I have an obligation to do this. How horrible it will be for me if I don't spread the Good News!

Good News In Corinthians:

Good News for Moderns Nero James Pruitt, 2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my churchs teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitts reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom **The Good News: One**

Man's Journey Through the Bible Charles M. Miller, 2025-07-29 The work in this book was put together as a devotional to the deeply felt and wonderful study of God s Word the Bible In it through my many sources I have arranged well over fifty topics or subjects if you will along with the chapters and verses in the Bible that reflect the Bible s view concerning these topics As a devotional my book is arranged for you to pick whichever topic or group of topics that interests you My ultimate purpose in putting together this book is to help EVERYONE and ANYONE in THEIR UNDERSTANDING of THE WORD OF GOD the Bible Yes from the most sinful person to the most devoted from the most intellectual to the least capable of understanding Yes from the strong to the weak my purpose is to help ANYONE and EVERYONE to read and understand the Bible Bless you all **Enjoy the Good News**

Alan Hogan, 2016-06-30 After more than 50 years as a lawyer having been a clerk Judge s associate barrister solicitor law teacher and five various types of judicial officer Alan Hogan decided to retire in order to do something different He obtained a Masters degree majoring in Biblical Studies at the Catholic Institute of Sydney He was astonished at how little he had known about the fundamental documents of his religion This book is an attempt to share some of what he learnt about the New Testament with other Catholics and with anyone else who may be interested It is not so much a book about the New Testament as a plan for reading all the books that go to make it up roughly in the order in

Rediscovering the Good News of the Gospel Bruce E. Gibson, 2025-09-30 Historically methods of sharing the good news of the gospel have often been incomplete because the limited message has focused on sin sin removal avoidance of hell and ultimately heaven Within that context each group offers its guaranteed process sometimes sold as the exclusive process to avoid hell because avoiding hell seems to have been the best motivation to make converts As a result the gospel is often not perceived as life giving good news but as an allegiance to a religious team to avoid wrath and punishment And teams compete against other teams Consequently a growing number of people are walking away from the good news as presented This is particularly polarizing when the available responses seem to vacillate between the extremes of embracing the methods and traditions hook line and sinker without asking questions or forsaking the gospel the church and God To address this situation Bruce E Gibson verbalize questions that he thinks other Christians contemplate but do not have a safe place to discuss Join the conversation to embrace and address these questions , *1st Corinthians Correcting the Church* Practical Christianity Foundation, 2020-08-08 Correcting the Church In his first epistle to the Corinthian Church the apostle Paul confronted the immorality doctrinal confusion and frequent disputes that had become commonplace among the Corinthian believers Paul s message to this church was simple yet powerful Consider the values of Christ s redemption and realign your thinking with God s instructions Although this letter was written to correct admonish instruct and encourage the early church they are just as relevant to us today This verse by verse devotional study complete with engaging commentary and practical life applications will challenge you to pursue a closer walk with Jesus Christ and grow in the faith *A Sincere and Pure Devotion to Christ (Vol. 1, 2 Corinthians 1-6)* Sam Storms, 2010-01-26 Paul s affection for the Corinthian church and his endurance through hardship for their joy testifies to his deep devotion to Christ His example and instruction in this letter inspires us to find our joy in Jesus In this first volume of *A Sincere and Pure Devotion to Christ* Storms provides readers with fifty daily meditations on this great epistle that are both accessible and substantive His analysis and application of the biblical text make these meditations suitable for private devotions or small group studies or as a commentary for Bible study

Sunday School lessons or sermon preparation Applied New Testament Bible Commentary Tom Hale, Steve Thorson, 2007

The wisdom found in God's Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we've included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about Abingdon New Testament Commentaries: 2 Corinthians Prof. Calvin J. Roetzel, 1997-09-01 From the second century to the present 2 Corinthians offers its riches grudgingly if at all and even then it demands only the most careful and attentive inquiries The Abingdon New Testament Commentaries series provides compact critical commentaries on the writings of the New Testament These commentaries are written with special attention to the needs and interests of theological students but they will also be useful for students in upper level college or university settings as well as for pastors and other religious leaders In addition to providing basic information about the New Testament texts and insights into their meanings these commentaries are intended to exemplify the tasks and procedures of careful critical biblical exegesis 2 Corinthians is a treasure hidden in a thorny thicket It is so rich so full of theological insight so packed with hope and possibility so aware of dark human tendencies and human vulnerability and so radical in its reevaluation of what is true and real From the Introduction *History and Exegesis* Edward Earle Ellis, Sang-Won Son, 2006-02-23 A festschrift presented to New Testament E Earle Ellis on his eightieth birthday

Commentary on Second Corinthians (Commentary on the New Testament Book #8) Robert H. Gundry, 2011-11-01 Delve Deeper into God's Word In this verse by verse commentary Robert Gundry offers a fresh literal translation and a reliable exposition of Scripture for today's readers Second Corinthians is largely a response to a previous letter that Paul wrote to the church in Corinth This epistle not only praises the church for its response but also defends Paul's apostolic authority Pastors Sunday school teachers small group leaders and laypeople will welcome Gundry's nontechnical explanations and clarifications And Bible students at all levels will appreciate his sparkling interpretations This selection is from Gundry's *Commentary on the New Testament*

The 7 Principles of an Evangelistic Life Douglas M. Cecil, 2003-06-01 Just hearing the word evangelism stirs emotions in believers and unbelievers alike Because of this many believers shy away from the topic altogether Douglas Cecil believes we must bring a sense of balance into our approach to evangelism The 7 Principles of an Evangelistic Life is not another book on evangelism methods rather the author focuses on helping believers develop a lifestyle of evangelism that relies completely on the Holy Spirit Evangelism is a spiritual adventure and readers will be challenged to re think how they live it out **Sermon Outlines for Busy Pastors: Questions from Corinth Series**
