Good News In Letters Of Paul:

Rereading Galatians from the Perspective of Paul's Gospel Yung Suk Kim, 2019-10-29 Galatians has often been read from a rhetorical perspective with an emphasis on justification by faith Paul's autobiographical experience proofs of the gospel and exhortations to the Galatians However it can be read as a letter of which the main theme is the gospel an umbrella term that covers many other topics including faith righteousness freedom and new creation Paul writes Galatians not to argue for an individual justification by faith understood from a forensic salvation perspective but to make explicit his gospel that all can become children of God through faith In Paul's logic what comes first is God's promise faith is a response to it through Christ and the law can be fulfilled through faith The gospel that Paul proclaimed to the Galatians is based on God who called them in the grace of Christ 1 6 Kim challenges the traditional reading of Galatians exploring different dimensions of the gospel 1 God as the origin and root of the gospel 2 Christ as the exemplifier of God's gospel through faithfulness 3 the followers of Jesus as the children of God who participate in Christ's faithfulness and continue to proclaim the good news of God through Jesus

Heralds of the Good News J. Ross Wagner, 2014-04-09 In this text critical literary and theological investigation of Paul's interpretation of Isaiah in Romans it is argued that Paul's citations and allusions evince sustained and careful attention to significant portions of Isaiah in concert with other scriptural voices Through a radical rereading of Isaiah Paul appropriates these prophetic oracles as prefigurations of his own mission to Gentiles while simultaneously appealing to Isaiah as a witness to God's continuing fidelity to Israel The book examines each of Paul's citations and allusions to Isaiah situating them both within the milieu of early Jewish interpretive practices and within the context of Paul's unfolding argument in Romans This volume contributes to the current debate about early Christian interpretation of scripture by tracing the complex and dynamic interrelationship in Paul's letter of Scripture theology and mission This publication has also been published in paperback please click here for details

lay readers Good News for Moderns Nero James Pruitt,2015-06-27 There are many ways to be a Christian In Good News for Moderns author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities This is a diversity that is not talked about often but when properly understood expands the perception of what a Christian is Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church the Anglicans and the Eastern Orthodox in about 150 AD We are taught that Christ is the first born of God and we have shown that He is the reason word of whom the whole human race partake And those who live according to reason are Christians even though they are counted atheists Such were Socrates and Heraclitus among the Greeks and those like them Consider the words of John Adams the second President of the United States in 1816 The Ten Commandments and the Sermon on the Mount contain my religion Consider the words Bill Clinton the forty second President of the United States In 1955 I had absorbed enough of my church's teachings to know that I was a sinner and to want Jesus to save me Finally consider the words of the writer of the small New Testament Book of III John Whoever does good is from God Good News for Moderns is based on Pruitt's reading of the scriptures and over one hundred authors of various points of view In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end notes It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught recognizing our own mortality is the path to wisdom *The Structure of Paul's Letters* Robert Arthur Bailey,2008-07 God in Paul's Letters Timothy Milinovich,Normand Bonneau,Robert F. O'Toole S. J.,2023-06-29 In Pauline studies where Christological questions have often carried the day Paul's understanding of God is emerging to play an equally important role What did it mean to the apostle that God is sovereign Lord of history and creation This volume explores the various ways that the theme of God is foundational to Paul's seven undisputed letters with attention to the diverse perspectives of each letter In addition the volume offers essays on overarching topics such as epistemology and the new creation that Paul describes in his writing The authors engage as well challenging questions including Paul's views on evangelizing all people Jew and Gentile alike Readers will come away with a deeper appreciation for both the theology and the Christology of Paul whose understanding of God provides the key to the salvific plan realized in Christ **The So-Called Jew in Paul's Letter to the Romans** Rafael Rodriguez,Matthew Thiessen,2016-08-01 Decades ago Werner G Kummel described the historical problem of Romans as its double character concerned with issues of Torah and the destiny of Israel the letter is explicitly addressed not to Jews but to Gentiles At stake in the numerous answers given to that question is nothing less than the purpose of Paul's most important letter In The So Called Jew in Romans nine Pauline scholars focus their attention on the rhetoric of diatribe and characterization in the opening argumentation that figure appears or is implied Each component of Paul's argument is closely examined with particular attention to the theological problems that arise in
