

Who is the Good News for?

Luke 4:14, 16-21 NLT

1

The poor

Those who were poor in spirit would find hope in God's unfailing love—something far greater than what the world could offer.

2

The blind

Jesus opened the eyes of those blinded by the pride and darkness that kept them from seeing and understanding God's possibilities.

3

The captives

Spiritual captivity prevents us from experiencing love, forgiveness, and closeness. Jesus came to free us from spiritual entanglements.

4

The oppressed

While the religious traditions of the day crushed people with expectations they couldn't meet, Jesus lifted these burdens.

Message of Love Patrick Mitchel, 2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel's conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5:6 NIV Mitchel's exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church's calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible's teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible's unified teaching on this vital theme can impact your life today

Free to Love John Buckel, 1993 Paul's notion of Christian liberty must be understood within the context of love God's love for humanity as manifested in the person of Jesus Christ and the believer's love for God and neighbor The apostle informs the Christians under his care that they have been freed from the enslavement of sin and death so that they might love more fully By virtue of their union with the risen Lord Christians are free to love in the deepest sense of the word God others and themselves John Buckel is a priest of the Archdiocese of Indianapolis and an alumnus of the Katholieke Universiteit Leuven He is currently Assistant Professor of New Testament exegesis at St Meinrad School of Theology He has lectured extensively on St Paul throughout the United States

The Greatest Love of All Rock Peters, 2016-11-01 The Greatest Love of All is a powerful deeply contemplative book about a journey with God A compilation of intense Christian poetry and Catholic apologetics Moving inspiring love sonnets to God Christmas poems that will put you in the manger with the Holy Family and Passion poems that will make you feel like you were standing at the foot of the Cross on the first Good Friday There are also great unanswerable questions for God Atheists don't believe in God's existence at all but there must be a God because matter cannot cause itself and complex life cannot come from unintelligent matter As Albert Einstein ingeniously said The perfect order of the Universe is proof of the existence of God The author always sarcastically tells atheists that he will contemplate their extremely unscientific Big Bang theory when they can blow up a pile of lumber and a house comes down No there absolutely must be a God The enormous questions this book asks are How did a perfect and all powerful God create such an incredibly imperfect world with foreknowledge and omnipotence How does a kind and merciful holy all good and loving Heavenly Father sit on a throne in Paradise while He is safe and sound and watch the Nazi Holocaust and all the rest of human pain and suffering The Greatest Love of All is universal in its appeal and will be a part of the curriculum for college theology classes around the world stirring vigorous intellectual debate everywhere This book is a compelling must read for

Love Is the Resistance Ashley Abercrombie,2021-08-31 When it comes to disagreement we are in perpetual fight or flight mode Rather than respond with a posture of compassion and connection we are encouraged to resist others personally and politically Either we engage in fruitless arguments with people who refuse to see things our way or we retreat to our echo chambers where everyone agrees with us But the real resistance the kind that helps us grow is learning to love others especially those who disagree with us If you re tired of seeing your real life and online communities in turmoil and you long to be an agent of peace understanding and reconciliation it s time to join a new kind of resistance movement one that pushes us toward personal transformation Grounded in Scripture and illustrated with compelling true stories this new book from Ashley Abercrombie will help you gain the confidence to communicate and connect with others stop avoiding necessary tension and resolve your internal and external conflicts When we make love our habitual reaction to the conflicts and divisions in our lives we ll find that we can stay true to our convictions without sacrificing our relationships

God of Love and God of Judgement Stephen K. Moroney, 2009-07-06 How can a God of love also be a God of judgment If God loves everyone what is the point of judgment Does God change from being wrathful in the Old Testament to loving in the New Testament Can we discern God's judgments in current events such as hurricanes and personal tragedies Is it ever right for humans to judge These are not just daunting issues for theologians to ponder They are urgent questions for everyone Our answers profoundly affect how we relate to God and how we live with one another Coming to grips with these issues is vital for our spiritual journeys Many people today emphasize God's love and downplay his judgment The problem with this approach is that God's judgment is taught in Scripture from the beginning of Genesis to the end of Revelation and it is a core part of the gospel preached by Jesus and his apostles There are problems at the other end of the spectrum too when we believe in a God of judgment who is not also a God of love It is impossible for us to find spiritual peace when we live in constant dread of God pictured as a harsh judge whom we can never please This book calls us to embrace a more full biblical image of God one that joins his love and judgment together Additionally the book shows that as those who are made in God's image we can fuse love and judgment together constructively in our own daily lives To a world of smiley faced bumper

stickers assuring us that God is love Stephen Moroney bravely asks What do we do with the judgment justice and wrath of God all occurring in rather impressive numbers throughout scripture His well crafted and engaging answer is that we do a disservice to God as well as to ourselves when we try to have one either a God of love or a God of judgment without the other
