Edition This is my first review I've done on Amazon and it's mainly because I haven't felt compelled to until now. Grave injustice would be done to this incredible author if someone doesn't comment on how f'ing awesome this book truly is. Let me put it this way: only two books have I read that I enjoyed more than this book. Truly a modern masterpiece. 5.0 out of 5 stars. Great Book. September 11, 2012. By brownchr014. See all my reviews. This review is from Blessings Of A Curse USA Pro Edition. I read the metric version before realizing the USA version was free as well and had to bear through the metric version. Love the book and would have loved chapters just to be able to give myself a stopping point between reads. Cuba Undercover Linda Bond, 2015-07-14. Cuban American TV reporter Rebecca Menendez's success comes from playing by the rules. When she's kidnapped by a fierce and intensely handsome man who needs her help, however, all of those rules seem pointless. Nothing could have prepared her for being taken hostage or the irresistible reward if she complies. Information about her long thought dead father Antonio Vega has spent almost every day of his adult life dreaming of revenging his father's death. With his sister's life and freedom in jeopardy, Antonio isn't taking any chances. But once Rebecca and Antonio are in Cuba, they're immersed in a world of corruption, deceit, and betrayal. It's a deadly game and there are no rules. Each book in the Investigators series is STANDALONE. Alive at 5. Cuba Undercover Flatline *Hot Honey Love* Nan Campbell, 2024-11-12. Chef Stef's passion for her profession is being severely tested. After a disastrous appearance on a cooking competition show, she has become a meme. She'll make cooking videos on YouTube to foil the algorithm and overhaul her search engine results. One problem: she knows nothing about creating video content. Enter Mallory Radowski. She's a talented filmmaker currently earning a living as a wedding videographer with complicated reasons of her own for her reluctance to help Stef. Mallory lives with anxiety and is the pickiest eater imaginable. Food Stef's love language is untranslatable to her. How can she make Stef's food look delicious if she won't eat any of it? Stef has to trust that Mallory's videos can get her cooking food she's proud of again, but it's out of the frying pan and into the fire when she starts to fall for her. **The Death and Resurrection of Baseball** William R. Douglas, 2022-05-10. A truly well-written must-read book. Reader review ____ A truly unique and groundbreaking Sports Fiction and Dystopian Book for Young Adults on up suitable for Young Adults, YA, and adult fiction lovers everywhere. The Death and Resurrection of Baseball Echoes from a Distant Past, is getting great reviews for its unique Sports Fiction storyline and what ifs. What if a Second Civil War is the endpoint in the current trajectory of America's divisiveness? What if early warning signs of baseball's popularity continue downward? What if among the personal and cultural casualties of a Civil War II, baseball was to die as a sport? The Death and Resurrection of Baseball take those what-if propositions and transports the reader 140 years from now into the futuristic United States of America to the year 2166. A United States that is far from our current recognition. In the year 2166, a post-Second Civil War United States of America is finally back on its feet. Among the countless

personal and cultural casualties of the war the sport of baseball has been dead for over a hundred years 12 year old Joe Scott lives in the northern Illinois city of McHenry and goes exploring in the woods one day in a no man s land that a hundred years earlier was the site of the bloodiest battle of the Second Civil War While there he discovers a relic from the distant past from before the war It sparks a search for its meaning Little does he know that the wheels of Providence have been unwittingly set in motion leading to a stunning discovery in Dyersville Iowa This second discovery has a direct connection with the relic found in McHenry As events unfold Joe finds himself at the center of the rediscovery of the sport of baseball long lost and forgotten by the ravages of time and the lingering aftereffects of the Second Civil War With no living person having any first hand knowledge of the game can he figure out the pieces of the puzzle to resurrect the game of baseball Will his friends take to the game What will the adults think The Death and Resurrection of Baseball will take you back to the happy days of your youth and your coming of age The story will thrill you move you and make you think long and hard about where The United States of America is currently at and where we could be headed Baseball has always been a metaphor for America and has always brought Americans together In The Death and Resurrection of Baseball you will find its greatest strength hope Order your copy now What others are saying Connecting the past and this imagining of the future gives readers insight into the major problems of the present world whilst also delivering a classic story with suspense action intrigue and perhaps most importantly hope Overall I would not hesitate to recommend The Death and Resurrection of Baseball to fans of fascinating fiction everywhere Reader s Favorite FIVE STAR The epicness of this tale and the sheer creativity of Douglas is enough to make you overlook the fact that every character is nearly flawless and awash in politeness But maybe that s part of what makes this feel good story work Michael Popke Award Winning Journalist This was my first Kindle book and I picked an excellent book to start Kindle reading with I liked it so well I got it for a Christmas gift for one of my nephews Don Wardlow Retired Baseball Broadcaster What a beautiful novel this author takes us on a journey One of hope and passion led by the innocence of youth John G Verified Amazon Purchase **SOULMATES** Nancy E.
