The Duke's Children Anthony Trollope,2020

The Duke's Children is a novel about sorrow and loss and about a parent's pained discovery that our children inevitably grow to love us less than we love them **Catalogue of the Library of the Royal Meteorological Society** Royal Meteorological Society (Great Britain). Library, 1891 *The Drawings of John Everett Millais* Malcolm Warner, John Everett Millais, Arts Council of Great Britain, 1979 **Catalogue of Music** British Museum, 1884 *The Stanford Dictionary of Anglicised Words and Phrases* Charles August Maude Fennell, 1892 *Music in The Girl's Own Paper: An Annotated Catalogue, 1880-1910* Judith Barger, 2016-09-13

Nineteenth century British periodicals for girls and women offer a wealth of material to understand how girls and women fit into their social and cultural worlds of which music making was an important part. The Girl's Own Paper, first published in 1880, stands out because of its rich musical content. Keeping practical usefulness as a research tool and as a guide to further reading in mind, Judith Barger has catalogued the musical content found in the weekly and later monthly issues during the magazine's first thirty years: in music scores, instalments of serialized fiction about musicians, music-related nonfiction, poetry with a musical title or theme, illustrations depicting music making, and replies to musical correspondents. The book's introductory chapter reveals how content in The Girl's Own Paper changed over time to reflect a shift in women's music making from a female accomplishment to an increasingly professional role within the discipline, using the piano girl as a case study. A comparison with musical content found in The Boy's Own Paper over the same time span offers additional insight into musical content chosen for the girls' magazine. A user's guide precedes the chronological annotated catalogue; the indexes that follow reveal the magazine's diversity of approach to the subject of music.
