The Last Good Year Damien Cox, 2018-10-23 Nominated for the 2019 Toronto Heritage Book Award We may never see a playoff series like it again Before Gary Bettman and the lockouts Before all the NHL's old barns were torn down to make way for bigger glitzier rinks Before expansion and parity across the league just about anything could happen on the ice And it often did It was an era when huge personalities dominated the sport and willpower was often enough to win games And in the spring of 1993 some of the biggest talents and biggest personalities were on a collision course The Cinderella Maple Leafs had somehow beaten the mighty Red Wings and then just as improbably the St Louis Blues Wayne Gretzky's Kings had just torn through the Flames and the Canucks When they faced each other in the conference final the result would be a series that fans still talk about passionately 25 years later Taking us back to that feverish spring *The Last Good Year* gives an intimate account not just of an era defining seven games but of what the series meant to the men who were changed by it Marty McSorley the tough guy who took his whole team on his shoulders Doug Gilmour the emerging superstar celebrity owner Bruce McNall Bill Berg who went from unknown to famous when the Leafs claimed him on waivers Kelly Hradek the Kings goalie who would go on to become a Hockey Night in Canada broadcaster Kerry Fraser who would become the game's most infamous referee and two very different captains Toronto's bull in a china shop Wendel Clark and the immortal Wayne Gretzky Fast paced authoritative and galvanized by the same love of the game that made the series so unforgettable *The Last Good Year* is a glorious testament to a moment hockey fans will never forget **The Good Years** Harold D.

Lasswell, 2017-07-05 The period between 1900 and the First World War could be called the Confident Years the Buoyant Years the Spirited Years or named after some bright hopeful color like the Golden Years It could be done but such tags are the invention of pundits social historians and professional name coiners To the many varied people who lived through the era the men and women who wistfully recall marching for suffrage rebuilding San Francisco or cheering wildly for Woodrow Wilson the age was remembered as the Good Years It was a time of triumph the Wright brothers and of tragedy the Titanic Days of wealth a 200 000 ball and of poverty a child in a cotton mill earning 3 54 a week But through it all ran an exciting thread of boundless confidence and hope No one ever accused the people of that period of national indifference It is this spirit of uncontested optimism along with the pageant of great events that makes this book such rewarding reading In gathering his material Walter Lord pored over letters diaries unpublished reminiscences even Pinkerton reports filled with fascinating and until now unknown detail He traveled thousands of miles and interviewed the people who lived through the period He met with individuals who firmly believed they had been given the greatest experience anyone could ever have they knew and enjoyed the years when there was no limit to what we could and would do Lord's attention to first hand sources makes this book vivid and timeless And Leslie Lenkowsky's new introduction adds contemporary dimension to this classic work Encyclopedia of Capital Punishment in the United States, 2d ed. Cruise Ship Murders Clark Selby,2018-09-10 Cruise Ship Murders tells the story of two retired couples Sonny and Jane and Gene and Susan who are taking their lifelong dream of a world cruise to all seven continents They planned and dreamed about taking this trip for a very long time to see places they had only read about in books or seen on TV They had hardly started their world cruise when they attend the captain's welcome aboard cocktail party and have a big surprise the captain turns out to be Sonny's best friend from childhood The

bigger surprise is neither Sonny's wife nor his companions had ever heard of this friend. The next surprise is a passenger is murdered in her stateroom and the captain asks Sonny and Gene, retired homicide detectives, to take charge of investigating the murder. The ship's security staff is hardly trained to handle a murder. The cruise takes them to all the places they had dreamed of seeing and gives the reader a glimpse of what it's like to visit Uluru, the Great Barrier Reef, the Taj Mahal, Machu Picchu, and many other places. The murders don't stop. Sonny and Gene have never had a case with almost no clues. The only thing each of the murders has in common is an association with a man named Lucky Jordan. Lucky was a very good looking man, very charming, and women were attracted to him. Was he the killer, or was there something else about him that was causing their deaths?

Murder in Boston Ken Engle, 2014-12-09. A shocking true story of crime, punishment, and injustice in a major American city. Charles Stuart claimed it was a black man who carjacked him, shooting both himself and his wife, ending both her life and the life of their unborn child. The accusation and subsequent manhunt enflamed the long simmering racial tensions of Boston, leading to the arrest of an innocent man. It was then discovered that Stuart had killed his wife and shot himself to cover up the crime, seeking a big insurance payout. When his crimes were exposed, Stuart jumped off a bridge to his death. Ken Engle explores the story with panoramic vision and a stunning eye for detail. Looking at the crime itself and the police response, Engle shows how Stuart's crime unraveled, how the truth came out, and what the media's response can tell us about the biases through which we view the worst of crimes.

The Penalty is Death Marlin Shipman, 2002. In 1872 Susan Eberhart was convicted of murder for helping her lover to kill his wife. The Atlanta Constitution ran a story about her hanging in Georgia that covered slightly more than four full columns of text. In an editorial sermon about her, the Constitution said that Miss Eberhart not only committed murder but also committed adultery and violated the sanctity of marriage. An 1890 article in the *Elko Independent* said of Elizabeth Potts, who was hanged for murder: "To her we look for everything that is gentle and kind and tender, and we can scarcely conceive her capable of committing the highest crime known to the law. Indeed, at the time, this attitude was also applied to women in general. By 1998, the press's and society's attitudes had changed dramatically. A columnist from Texas wrote that convicted murderess Karla Faye Tucker should not be spared just because she was a woman. The author went on to say that women could be just as violent and aggressive as men; the idea that women are defenseless and need men's protection is probably the last vestige

of institutionalized sexism that needs to be rubbed out *Ian Rankin* Erin E. MacDonald, 2020-06-22 Ian Rankin is considered by many to be Scotland's greatest living crime fiction author. Most well known for his Inspector Rebus series, which has earned critical acclaim as well as scores of fans worldwide, Rankin is a prolific author whose other works include spy thrillers, nonfiction books, and articles, short stories, novels, graphic novels, audio recordings, television, film, and plays. This companion, the first to provide a complete look at all of his writings, includes alphabetized entries on Rankin's works, characters, and themes; a biography; a chronology; maps of Rebus, Edinburgh, and an annotated bibliography. A champion of both Edinburgh and Scotland, Rankin continues to combine engaging entertainment with socio-political commentary, showing Edinburgh as a microcosm of Scotland and Scotland as a microcosm of the world. His writing investigates questions of Scottish identity, British history, masculinity, and contemporary culture while providing mystery readers with complex, suspenseful plots, realistic character development, and a unique mix of American hard-boiled and procedural styles with Scottish dialects and sensibilities.
